

EPISODE 1

INT. SERA'S HOUSE - BEDROOM - DAY

SERA (V.O.)
Every girl dreams of the night they
lose their virginity.
(beat)
But mine came with an Alpha who
could tear me apart.

SERA, 18, is brushing her hair in front of a mirror.

SERA (V.O.)
Tonight, I'll give myself to Damon.
Our bond as Alpha and Luna will
seal the peace between our people.

Sera walks over to her closet, and admires an elegant wedding dress hanging up, She takes it out of the closet.

Sera is now wearing the dress inspecting every detail of her look in a ROUND VANITY MIRROR.

MATCH CUT TO:

EXT. THE WOODS - NIGHT

The round vanity mirror, with Sera's reflection in it, for a half second, appears in the night sky, before fully transitioning into the moon. Camera descends down to forest.

SERA
Damon? Damon, I'm here?

She turns a corner and sees Damon, fully transformed as werewolf has BROOKE, 18, a promiscuous Bloodmoon she-wolf, pressed up against a tree, having sex with her. The tree cracks from his thrusts.

SERA (CONT'D)
Damon?! What are you doing?!

Damon, frustrated to stop the sex, rolls eyes. Brooke sneers as she adjusts her clothes after Damon separates from her.

SERA (CONT'D)
You agreed to bond with me tonight
to unite our packs?!

DAMON

Yeah that's just for show! You really think I would bond with some dork virgin like you?

SERA

Damon...how could you say that? I was saving myself for my Alpha--

BROOKE

You need to be a tough bitch to handle a werewolf as feral as Damon. Only I can satisfy his cravings. He would *destroy* you.

Brooke lowers her bra strap revealing blood claw marks on her chest and back. Sera's eyes go big as she gasps.

DAMON

That's just the start of what I'm going to do to her tonight. You wouldn't last two minutes with me.

SERA

I...I thought you--

BROOKE

What? Loved you?

Damon and Brooke laugh in unison as tears fill Sera's face.

DAMON

I'll be with you for the little peace treaty but I'll never love you or fuck you. The only jerks you're giving are at your janky little jerky shack.

Sera wipes away a tear.

BROOKE

We're gonna pick up where we left off. Watch for all I give a fuck but if you're gonna cry just go.

Sera walks away crying.

EXT. CLIFF - NIGHT

Sera sits at edge of high cliffside overlooking ocean and holding a LIQUOR BOTTLE. Takes a swig. She looks down at the crashing waves, giving the audience vertigo.

SERA (V.O.)
If I can't mate with Damon...then I
have failed my tribe, my father,
and I am nothing.

JACOB (O.S.)
Sera?

Sera turns. JACOB, 18, shirtless werewolf, high up in a tree.

SLOW-MOTION: He jumps and lands with a circular impact in the ground. Moonlight shining on his muscular abs, wet hair.

EPISODE TWO

SERA (V.O.)
Jacob from Bloodmoon pack. You
always find me here.

Sera looks from Jacob down to the ocean then looks back up looking out to the sea...

MATCH CUT TO:

EXT. CLIFF - SUNSET (FLASHBACK)

The night sky seamlessly transitions into a beautiful colorful bright summer day as the camera pulls back to...

TITLE CARD: LAST SUMMER

...as teens dance and party.

Sera looking out at the ocean, her bestie PIPER next to her.

Nearby, Brooke is with a BLOODMOON GIRL. She looks over at Jacob who is eyeing Sera. Brooke rolls her eyes.

BROOKE
Who invites these Starfang twats?

Brooke walks behind Sera...

Brooke pushes Sera off the cliff. Sera falls off the cliff down to the ocean. Splash!

Jacob runs up.

Piper runs up worried looking down to the cliff. They all watch Sera hit the water and sink below the surface.

Jacob knows what he must do. He takes his shirt off, walks back a few steps, then runs toward the cliff and jumps off evoking gasps from the by-standing partyers.

Jacob is diving headfirst to the ocean looking determined.

EXT. OCEAN - DAY (FLASHBACK)

Sera is struggling to swim underwater: sinking as she thrashes about desperate for air.

MUSIC CUE: ROMANCE THEME SONG

SPLASH! Jacob dives in, grabs her hand, and swims upward.

Jacob has Sera in his arms as he swims toward the shore.

Jacob runs to dry sand & rests her down. He performs CPR on her & soon a mouth-to-mouth resuscitation kiss.

A beat...silhouetted, romantic. Her eyes open, sees him, then water erupts from Sera's mouth as she leans over and coughs up all of the water.

Sera's vision goes from blurry glimpses of beachside and waves crashing to looking up and going crystal clear at a smiling Jacob looking down at her.

They both smile at each other.

EXT. CLIFF - DAY (FLASHBACK)

Sera walks back to Piper with a towel wrapped around her.

PIPER

You just got your first kiss! With
Jacob of all people. Hell, push me
off now. It's my turn.

Piper elbows Sera kiddingly causing Sera to smile.

Sera watches Jacob put an arm around a sexy PARTY GIRL.

Sera cracks a sad smile. Unbeknownst to Sera...Jacob looks back at Sera with a curious look.

EXT. CLIFF - NIGHT

Sera looks back at Jacob. Her voice cracks with sadness...

SERA

Jacob?

He steps close to Sera, only inches away.

EPISODE THREE

JACOB

What are you doing out here alone?

SERA

I...um--

She slips, loses her balance nearly falling off the edge. In bullet-time effect, Jacob pulls her toward him, their faces inches away. SFX: Heartbeat. Then they separate.

JACOB

You drunk? Why don't you step back from the edge before I have to dive in and save you a third time.

Her hands comically gesticulate, swinging the bottle around.

SERA

(slurring words)

You're right. Buuuut...I did just catch Damon fucking Brooke on the same night he was supposed to take my virginity, and save our pack.

Jacob approaches Sera.

JACOB

I am so sorry, Sera.

SERA

See!

Sera shakes liquor bottle. Jacob nods like "Yeah, I get it".

SERA (CONT'D)

Starfang pack is depending on this peace treaty. He either backs out or bonds with me while loving and messing with other she-wolves.

JACOB

Never love you? C'mon, how do you know that?

SERA

Um, I dunno. Maybe cuz he screamed exactly that in my face?

(MORE)

SERA (CONT'D)

(crying)

I mean he has a point. I'm a lame virgin! We've all heard of Damon's feral sex stories! I can't survive his power. I heard he broke Lexie's bed while they were having sex.

JACOB

That so?

SERA

Piper told me Jennifer passed out halfway and was sent to the ER. Apparently he broke her hip!

Jacob chuckles as he listens.

SERA (CONT'D)

If they can't handle Damon's sex how can I? A virgin loser...

Jacob takes bottle from Sera, pours rest of liquor out.

SERA (CONT'D)

Hey!

Sera grabs liquor bottle back and holds it up, like a little telescope, looking in it for a single drop left. Sera watches Jacob speak through the bottle.

JACOB

Just cuz you're a virgin doesn't make you a loser. Nobody's born good at sex. It's something you must learn and practice. Like riding a bike or tracking prey.

Sera puts the bottle down. Epiphany moment.

SERA

Train me. Take me! Now! Here on the cliff.

Jacob looks uneasy.

JACOB

Sera--I

Sera kisses Jacob.

EPISODE FOUR

Jacob pushes Sera off.

JACOB (CONT'D)
Sera, no. That's liquor talking.

Sera squats then cries. Making childish motions.

SERA
No one wants to have sex with
meeee!

JACOB
You shouldn't make that decision
while you're drunk. And you should
save your virginity for someone
special. But what I do wanna do is
take you home so--

Jacob picks her Fireman's Carry style and she resists. He
walks away from the cliff.

SERA
Hey, put me down! I don't wanna go
home! I'm not even tired!

HARD CUT TO:

EXT. THE CIRCLE JERK - DAY

MUSIC CUE: upbeat summer pop music as...

Sera sells a variety of beef jerky n her circular JERKY STAND
called "THE CIRCLE JERK".

Various shots of BEACHGOERS sunbathing, making sandcastles,
swimming in ocean, playing beach football, etcetera.

PIPER
And then I said I'm not a slut
you're a slut!

Sera's heavy eyes open as she watches JACOB play beach
volleyball. He jumps up at the net.

SERA
Mhmm. Then what?

SLOW MOTION: Sweat dripping down his muscular abs and chest.

Back to regular motion as he quickly spikes the ball.

PIPER
Are you listening to me?

SERA

I am! I totally am it's just--

Piper looks over to where Sera is looking.

PIPER

Oh my god Jacob is so hot today! I wouldn't listen to me either.

SERA

Right! Ugh, I can't believe he denied me sex! I'm so tired of being inexperienced.

PIPER

Inexperienced? Please, you're giving guys jerks all day.

Piper waves jerky stick around. Sera rolls eyes.

SERA

Shut up...I'm the only girl in Crescent Cove who hasn't had sex. It's humiliating! Right?

PIPER

Then go sex, bitch! Become so undeniably sexy, be a sex legend so that Damon will push Brooke in the ocean and break *your* bed.

SERA

I like my bed. He can break my couch. But no that's good. I just need to become a sex legend.

PIPER

Start now because I'm not spending all summer watching you mope!

SERA

Have sex right now?

PIPER

Yes! Today. With Jacob. He only turned you down last night because you were drunk. Damon hears you banged Jacob he will want to bang you for sure.

SERA

You think so?

PIPER

Well as long as you don't suck.

Sera chuckles, Piper follows. They push and giggle at each other like immature girls.

PIPER (CONT'D)

You know what I mean. Go!

Piper stands Sera up and pushes her away from stand.

Sera looks at Jacob who is high-fiving volleyball teammates.

SERA

(repeating)

Become undeniable.

Sera takes a big breath and walks toward volleyball. One by one guys and girls get distracted as Sera walks toward Jacob.

SERA (CONT'D)

(sotto)

Just talk to him. Be normal. Keep it simple. Very simple.

Jacob is talking to a teammate then is one of the last people to recognize Sera is walking seductively toward him.

JACOB

Sera?

Sera stops in front of him. Everyone watching.

SERA

You. Me. Sex. No. Come.

EPISODE FIVE

Volleyball players whisper excitedly, some laugh.

SERA (CONT'D)

I wanna lose my virginity. Come.

JACOB

Gimme a second, guys.

Jacob takes Sera by the elbow and walks her behind a CABANA.

JACOB (CONT'D)

Are you still drunk?!

SERA

No! I'm sober and I want to give you my V-Card now so take it!

JACOB

No!

Sera jumps into his arms straddling him.

SERA

You really don't want me?!

Jacob throws her off him and she falls to the ground. He bends over so he's eye to eye to her.

JACOB

Of course I want you, freckles.

(suddenly feral)

You don't...You don't think I don't wanna swallow you whole? Huh!

SERA

(begging)

Then swallow me. Please. Jacob.

JACOB

Ugh! You can't just jump in to sex, Sera. You have to take it slow.

SERA

(grabbing him)

I don't want slow!

JACOB

Train your body and mind--

SERA

(thinking...)

Train, you say?

(eyes shifting)

Then train me, coach!

JACOB

What-coach? Who--

SERA

You! Be my sex coach!

JACOB

(chuckles)

S-Sera, be serious. Come on-

SERA

If Damon wants to have sex with me, accepts me as his Luna, I save both of our tribes from violence. This is the most serious I've ever been.

Sera makes puppy dog eyes.

SERA (CONT'D)

Please?

JACOB

Fine! To save our packs and the world, I'll be your sex coach.

SERA

You will?!

JACOB

But listen this isn't just sex, okay? This is...werewolf sex.

SERA

Here for it. Got it.

JACOB

You're saying that but I don't think you...

(clears throat)

Sera, werewolf sex is another level. It's more pain than pleasure, like sex and MMA.

SERA

MMA? Oh no, Is that a drug?

JACOB

No! Mixed martial arts.

SERA

Oh. Ok, so you'll do it!?

JACOB

Not for free. I need something out of this too.

SERA

Gee, I'm sorry to burden you with all of my sex. How will I repay you?

Jacob presses her against a wall. He looks around, as if about to reveal a big secret.

JACOB

I teach you to rock Damon's world, you help me write my college admission letter to Yale.

SERA
Easy! Wait, did you say Yale? A
human college?!

JACOB
Shhh! Don't tell anyone.

SERA (V.O.)
The Human World. No werewolf ever
wants to leave Crescent Cove let
alone go to the Human World...

JACOB
We have a deal?

Jacob raises hand. Sera shakes it.

SERA
Deal.

JACOB
Perfect. Meet me here tomorrow for
your first lesson. Kissing.

SERA
Sure thing, professor.

He smiles, shakes head. She watches him walk to volleyball.

A SUNBLOCK SALESMAN, guy, 30s, walks up to Sera.

SUNBLOCK SALESMAN
Sunblock? Gonna be a hot summer.

SERA (V.O.)
True that.

EPISODE SIX

EXT. BEACH - DAY

Sera walks up to Jacob the next day.

SERA
Morning! Ready for today's lesson!

JACOB
Follow me.

SERA
Follow you? Where?

Jacob walks away and points to the ocean. She follows.

JACOB
Your kissing lesson.

SERA
Out there? Am I kissing a whale?

As they walk away the camera points down to the sand that reveals the "TITLE CARD" written in sand: #1 KISSING. The tide washes the word away.

EXT. OCEAN - DAY

On his boat, Jacob is driving Sera out to the ocean. Wind blowing in their faces, beach getting smaller in background.

The boat slows down to a stop.

JACOB
Are you ready?

SERA
Yeah.

Jacob takes Sera's face in his hands and they gently kiss. They both melt, then force themselves out of it.

SERA (CONT'D)
That was...perfect.

JACOB
Yea it was...
(clears throat)
But not every kiss is going to be a gentle one.

SERA
Okay?

JACOB
So, to survive Damon you're gonna have to hold your breath for a long time unless you wanna become his next pass out story. So--

SERA
Practice holding my breath? HOW?

Jacob grabs her hand and steps her to side of the boat.

JACOB
Ready? Deep breath.

Sera looks down, fear in her eyes.

SERA
No. No way, Jacob--

JACOB
Wahoo!

Jacob jumps down and Sera screams as he pulls her underwater.

EXT. OCEAN - UNDERWATER - DAY

MUSIC CUE: Love Theme Song.

Sera is mesmerized by ocean life swimming around her: she turns following colorful little fish. Jacob smiles at her scared expression. He points down below. Sera looks: a pair of dolphins swimming together. She smiles.

She sees Jacob's eyes go big and she looks up. A GIANT BLUE WHALE swims by them, moaning a deep powerful song.

Jacob grabs Sera, turns her around and they kiss, with all the fish swimming around them.

SERA (V.O.)
Jacob's such a good kisser!

They kiss more.

SERA (V.O.)
I'm running out of breath! Have to
keep going if I'm going to last
with Damon.

Jacob separates and nods upward. He grabs her hand and swims.

EXT. OCEAN - DAY

Their heads break the surface. Sera gasps for air. After few seconds Jacob grabs her face and makes out more.

SERA
I need to breathe.

JACOB
Damon isn't going to give you
breathing breaks. He might even,
choke you a little.

He grabs her neck, then face, and makes out more. The kisses start gentle, then Jacob's canine protrude.

SERA
Ow! You bit me!

Blood on her lips, she wipes it off.

JACOB
(roars)
We're werewolves, how else do we
kiss! How else do you think Damon
kisses? What you gonna do about it?

Beat. They stare down each other. Sera's eyes go yellow, as does Jacob's. Jacob kisses her again. He bites her lip. She grabs his face and bites his lip back. He breaks the kiss and touches his lips: blood.

SERA
Oh my god! You're bleeding I'm so
sorry!

JACOB
No need to apologize for passing
your first lesson, Sera.

Sera smiles.

JACOB (CONT'D)
I'll grab the boat and come get ya.

Jacob swims away toward his boat.

SERA (V.O.)
This is the most romantic moment of-

A LARGE FISHING NET COVERS SERA AND RAISES HER OUT OF OCEAN.

EPISODE SEVEN

REVEAL: Damon/Brooke in own boat watching Sera struggle.

BROOKE
Wow! Ya caught Crescent Cove's only
teenage virgin. Good catch, baby!

Brooke kisses Damon on cheek.

Jacob drives his boat up to theirs.

JACOB
What's going on here?

DAMON

I'm wondering the same thing! Have you lost so much rizz you have to stoop to fucking this little dweeb?

JACOB

Family is forcing me to give her swimming lessons to ease into peace between Bloodmoon and Starfang.

BROOKE

Who grows up in a beach town can't swimming? Pathetic!

JACOB

She's had enough. Let her go.

DAMON

Glad your boss let ya take the day off from selling jerky dicks to have a swimming lesson.

SERA

Fuck off! Let out!

BROOKE

You should cherish this, Sera. It's the last time you'll be a catch.

Brooke/Damon laugh.

Jacob transforms, slashes the net with his sharp claws, freeing Sera. Damon boats away.

DAMON

Later, dickwads!

Sera swims to Jacob's boat. He offers a hand, she swats away.

JACOB

What was that for?

Sera climbs up the boat.

SERA

Asshole! Why'd you say all that?

JACOB

Sera, I--

SERA

If you don't stand up for us it normalizes Starfang bullying. Just take me home.

EPISODE EIGHT**EXT. THE CIRCLE JERK - DAY**

The next day, Sera is annoyed working.

SERA (V.O.)
Worst summer ever. Wish I was home
rotting. Customers better be
appropriate or I'm gonna lose it.

A BEACH BRO walks up to her.

BEACH BRO
Can you give me a jerk?

Sera's fist clenches as she sighs. They exchange jerky and money. Beach Bro walks away. She sees Jacob approaching her.

JACOB
Sera, can we talk?

SERA
Unless it's about our new Campfire
Smores flavored jerky, no.

JACOB
No, I wanna talk about--wait,
that's actually a flavor?

SERA
Yeah. It's surprisingly good.

JACOB
Interesting.
(shaking it off)
No, I wanna talk about yesterday. I
had to come up with a secret reason
why we were together.

SERA
Is that so?

JACOB
What was I supposed to say?! "Just
training Sera here so she's ready
to have sex with ya and I can get
accepted into the Human World!"

SERA
That does sound weird.

JACOB
See? C'mon, you did great
yesterday. You've got a lot of
potential as a sex demon.

SERA
(blushing)
Are you saying that because you
believe it or because your letter
to Yale sucks ass?

JACOB
Both.

Sera cracks a smile.

SERA
Fine. I'm re-enrolling.

EXT. BEACH - DAY

Jacob/Sera walk along the shore.

SERA
So, tell me about this Yale letter.
What's the issue?

Jacob pulls PAPER out of his shorts and hands it to her.

JACOB
What do ya think?

SERA
Jacob, this is blank.

She flips it around for him. Blank.

JACOB
See, I thought that might be a
problem. You agree some words in
the letter might help?

Sera rolls here eyes & smiles.

SERA
You're that clueless? How have you
rizzed up half of Crescent Cove's
girls but you can't start a letter?

JACOB
I can't flex my pecs in a letter.

Jacob flexes and Sera bits her lip. Shaking it off.

SERA

Well, tell me about yourself. What are you studying at Yale?

JACOB

I'm studying cardiology.

SERA

That's specific. Why?

JACOB

My dad died when I was younger. He had a rare condition that made his heart weak.

SERA

Oh my god. I'm so sorry.

JACOB

Yeah. It was tough on me. I just wanna find a cure and save others of the pain my family & I felt.

A BEACH BALL rolls over to them. Jacob picks it up hands it to LITTLE BOY, ruffling his hair. Sera admires him.

SERA (V.O.)

Jacob is more than just a fuckboy.

EPISODE NINE

JACOB

What?

SERA

I just wasn't expecting that. That's very admirable of you. Include that in your letter.

SERA (V.O.)

Shit. Am I falling for my teacher?

JACOB

What's goin' on in that head of yours?

SERA

Nothing.

They continue walking.

SERA (V.O.)
 Nothing at all other than thinking
 I should just ditch dickhead Damon
 & run to the Human World with you.

FADE TO:

INT. SERA'S HOUSE - KITCHEN - NIGHT

Sera is washing dishes when her father Robert walks in. He kisses her on the cheek.

ROBERT
 How's it going, pumpkin?

SERA
 Good.

ROBERT
 How are you and Damon?

SERA (V.O.)
 Shit.

SERA
 Great! Amazing, actually.

ROBERT
 Perfect.

Sera turns off faucet and dries hands.

SERA
 Why?

ROBERT
 There was an attack across the
 street from the bar tonight.
 Bloodmoon bros sent some good
 Starfang boys to the hospital.

SERA
 Oh my god.

ROBERT
 Yeah. Sooner that peace treaty gets
 signed, sooner we can stop this
 madness. What's the holdup anyway?

SERA
 No idea. Should be any day now.

TEXT FROM JACOB: "Important update tomorrow regarding your sex lessons. See you at the beach?".

Sera smiles, texts back "Yep! Can't wait. :)"

SERA (CONT'D)
Any day now...

EPISODE TEN

EXT. BEACH - BASKETBALL COURTS - DAY

SERIES OF SHOTS: Jacob dunking basketball.

Sera walks up.

SERA
Hey! I made something for ya.

JACOB
You made me something?

SERA
Well, I found my arts and crafts stuff last night cleaning my room and found my bracelet making kit. The nostalgia took over and I made ya gift for helping me.

Sera gives him FRIENDSHIP BRACELET. Jacob smiles, puts it on.

JACOB
Sera, I love it! I'll wear it all summer. Seriously, thank you.

Jacob hugs Sera.

SERA
So, what's the big update?

JACOB
I have an official six-step sex syllabus for you. Ready?

SERA
Hit me with it.

(As each step is listed the step appears onscreen via text.)

JACOB
Kissing, Touching Boobs, Fingering,
Oral Sex, Sex, and Werewolf Sex.

TITLE CARD: 1. Kissing, 2. Boobs, 3. Fingering, 4. Oral Sex,
5. Sex, 6. Werewolf Sex

SERA

Wow, werewolf sex has its own step?

JACOB

She-wolves don't have werewolf sex.
They survive it.

Jacob towers over her.

SERA

Survive?

JACOB

You will be bit, hit, scratched,
bruised, taste your own blood, as a
large animal holds you down and
pounds you into the mattress.

SERA

Pounds?

JACOB

Pounds. If you aren't ready for all
that tell me now so we don't waste
each other's time.

SERA

Every girl has dreamt of being
under Damon. I'm ready.

JACOB

This isn't a dream anymore it's the
reality. Both packs are counting on
you to take Damon's manhood for the
peace treaty to be signed. You must
tame his wolf.

SERA

Yeah, I got that. Trust me, I am
more than determined to finish this
sex syllabus and mate with Damon.
For the peace treaty and myself.

JACOB

Good.

SERA

Oh shit. What the hell?

Sera looks and sees a huge crowd at the jerky stand.

SERA (CONT'D)
 Something is going down at The
 Circle Jerk. I have to go!

Sera walks backwards talking to Jacob.

SERA (CONT'D)
 Sex lesson soon! Okay? Promise I
 won't suck!
 (chuckles)
 Unless... you want me to. I mean-
 you know what I mean!

Sera is a mess, almost trips, before running out.

EXT. THE CIRCLE JERK - DAY

Sera moves through the crowd of mostly girls.

SERA
 Excuse me. Pardon me. You'll all
 served soon. Sorry I was away.

Sera reaches front of the line, sees Damon helming the stand,
 surrounded by five desperate horny she-wolves.

SERA (CONT'D)
 Damon?!

EPISODE ELEVEN

SERA (CONT'D)
 W-What are you doing here?

DAMON
 I bring you all this business and I
 can't get a simple good morning?

Damon grabs a few JERKY STICKS as Sera enters the shack.

SERA
 Hey, you have to pay for those!

DAMON
 I sold some so consider this my
 payment.

SERA
 Can we talk? Without your groupies?

Damon pushes crowd back.

DAMON
Give us five, ladies.

SERA
What's this all about?

DAMON
What? Thought I'd give jerky life a shot. Figured you'd be happy.

SERA
I don't see any money over there.
Giving away free jerky yeah I'm thrilled.

DAMON
If you're not happy then maybe we should call the bonding ritual off?

Sera's eyes go big.

SERA
What? No no no. Please, don't!

DAMON
Thought that might wisen ya up. You piss me off and you're gonna miss out on something *big*.

Damon takes Sera's head and forces it into his crotch where she sees the outline of his large bulge. Her eyes go big. He pushes her down on her knees.

DAMON (CONT'D)
C'mon let's close shop for a bit
and you can give me a free sampling
of your best jerk.

Sera's staring at his bulge with worried eyes.

SERA (V.O.)
I am so not ready for this! I've
never even seen a penis before!

Damon unwraps his jerky, his tongue slithers out to taste the meat, he looks down at her, winks.

DAMON
I taste your jerk...you taste mine?

His tongue massages the jerky, his saliva drips down and falls onto Sera's face.

SERA (V.O.)
This is Jacob's fault! I should be
more advanced by now we've been
wasting time!

DAMON
This is the exact tongue motion I
use on Brooke. Too bad you'll never
feel this since no one's ever gonna
wanna go down on you.

Damon rolls eyes & starts to walk away. Sera grabs him.

SERA
No, let me see your... thingy!

DAMON
(disgusted)
Did you just call it...my thingy?

SERA
Is that what I said? What I meant
to say was, um, erm--
(clears throat, sexy)
Let me see your penis, big boy.

DAMON
Did you just call me big boy?

SERA (V.O.)
WHY IS BEING SEXY SO HARD?!

DAMON
(feral)
Curse the Moon Goddess. Just shut
your mouth. And suck.

SERA
(confused)
Wait... how?

Damn tugs at Sera's hair HARD. She whimpers in pain.

Damon head whips over to see Jacob running at him in slow-motion [FULL TRANSFORMATION] into werewolf. Damon pushes Sera aside, jumps out the shack [FULL TRANSFORMATION], growls, grows out his claws, and enters defensive stance.

SLOW-MOTION: Jacob in mid-air descending down onto Damon.

Jacob descends to ground, grabs Damon's shirt collar, they both rear their fists back for a punch.

Sera pops up from the shack.

SERA (CONT'D)
NOOOOO!!!

They both freeze.

SERA (CONT'D)
Please don't fight. But if you must
away from the shack.

DAMON
Must be time for Sera to grab her
floaties and have a swimming
lesson. I'll be back for that jerk.

Damon walks away. Jacob watches him disgusted. He faces Sera.

They both transform back.

JACOB
What was tha-

Sera grabs Jacob's shoulders with tears in her eyes.

SERA
I need to graduate from sex! NOW!

EPISODE TWELVE

JACOB
We'll have a sex lesson tonight.
You just need to calm down and--

SERA
I should've been able to please him
just now but I couldn't! I was
scared of his bulge and his thingy
being in my mouth.

JACOB
Did you just call it his thingy?

SERA
YES! It's a... THINGY! I feel weird
to call it THAT but maybe maybe I
could if I graduated from Sex!

JACOB
Sera I--

MUSIC CUE: STEAMY LOVE THEME

Their eyes meet. Silence. Wind blows. It's now very tense.

Sera pulls down her shirt revealing her cleavage.

SERA
(whispers)
Don't they look nice.

Jacob's eyes dart downward.

JACOB
Yeah.

SERA
(whispers)
Don't you wanna touch
them?...Squeeze them?

Jacob bites his lip.

JACOB
Yeah.

SERA
(whispers)
I want you to too.

Sera steps forward looks downward.

SERA (CONT'D)
And I can tell from your swim
trunks you wanna teach me
right...now. Don't you?

Jacob looks down, sees he has a major erection.

Jacob looks around the beach...right...left...center.

THE EMPTY LIFEGUARD TOWER.

He sees multiple LIFEGUARDS walking around the beach.

He grabs Sera's hand.

FROM AFAR: We see Jacob quickly walk her over to lifeguard tower, they pace up the ramp.

CAMERA PULLS BACK AND DOWNWARD: A BEACH BABE is laying down with SUNBLOCK LOTION on her BACK that reads the next TITLE CARD: TOUCHING BOOBS.

Woman hands enter frame, rubbing lotion all over back.

INT. LIFEGUARD TOWER - DAY

Jacob closes door, locks it. He turns around. Stares her down like a lion taking in prey. He walks over.

JACOB
Time for a POP QUIZ.

He rips her shirt, revealing her cleavage in a simple bra.
Sera's eyes go up and down drinking Jacob in.

SERA
I'm ready.

Jacob pushes her hair aside, kissing her neck. He starts caressing her arms. Sera closes her eyes. She quietly moans.

SERA (V.O.)
Oh my god...yes.

Jacob grabs her breast and caresses it. She moans louder.

SERA (V.O.)
I can feel him going for my--

Sera bites her lip as she whimpers.

JACOB
Your nipple is the perfect size.

SERA
Thank you.

JACOB
I know they're gonna fit perfectly
in my mouth.

Jacob picks her up and pushes her against the wall. He kisses her boobs. She moans much louder.

SERA
Oh god, yes.

EXT. BEACH - DAY

A male LIFEGUARD is raising his whistle to blow when--

SERA (O.S.)
(muffled)
YES! YES!

Lifeguard turns around looking curiously at the tower.

INT. LIFEGUARD TOWER - DAY

Jacob has Sera laid down on the lifeguards' desk.

SERA
Sorry, I should probably be quiet.
I'm gonna give ourselves away.

A big SUCKING noise is heard, Jacob pulls his head up.

JACOB
Don't ever apologize for being
loud. In fact, we thank you for it.

KNOCK KNOCK KNOCK. A muffled voice from behind the door...

LIFEGUARD (O.S.)
Is someone in there?!

SERA
(whispers)
Fuck!

JACOB
Okay, maybe in this one specific
instance you should've been quiet.

SERA
Get up!

JACOB
No, I'm gonna bite you harder.

SERA
What?! You want all of Crescent
Cove to hear me moaning?!

JACOB
That's up to you to take all of
that pleasure and control it. You
think Damon's gonna let you squirm
around yelling bloody murder?

LIFEGUARD (O.S.)
The lifeguard tower is for
lifeguards only. No beach patrons.

JACOB
I'm gonna bite you in three two

SERA
No no no no--
(wincing while talking)
Nooooo fuuuuuck.

Sera grabs a fistful of his hair and she bangs on the desk.

LIFEGUARD (O.S.)
Everything okay in there?

EXT. LIFEGUARD TOWER - DAY

A crowd of people from both clans gather around.
Damon and Brooke are flirting but stop to watch.
Lifeguard takes out KEYS.

LIFEGUARD
I'm coming in...

Lifeguard inserts key and turns the knob. We just catch a
glimpse of Jacob behind her exposed back...
