

AD LOOP 1: EPISODE 1:

INT. DIMLY LIT SEX THERAPY OFFICE - DAY

A hand shoves a handsome BEARDED MAN back onto a love seat. It belongs to ANGEL DEBUSSY, 20s, black hair, pale skin, handsome but gaunt, looking tumblr-sexy in a tailored suit. He straddles the man. In his silky, deep voice, he says:

ANGEL
First, take charge.

Angel grabs the other man by the hair, pulling his head back, leaving his neck exposed. Angel kisses it tenderly. The man exhales a small MOAN.

ANGEL (CONT'D)
Show him what you want. Don't ask
for sex, be sex. Embody it.

The man tries to pull Angel into a kiss, but Angel grabs his wrists, pinning his arms above his head. He grinds on him.

ANGEL (CONT'D)
Tease it out of him. Leave him
wanting more... until he surrenders.

Angel's lips brush the bristles of the man's mustache. Someone coughs, *ahem!*

The background brightens, revealing we're in a bright pastel therapist's office. Behind them is a WOMAN on a sofa adjacent to her husband in the love seat. Angel steps off, awkward.

TITLE CARD: ANGEL DEBUSSY, SEX THERAPIST

ANGEL (CONT'D)
Right. Now, you try.

The woman stands, straddling the bearded man, eager. They kiss. A RING interrupts them.

Close On Caller ID: BROTHER CURT.

ANGEL (V.O.)
What trouble is my brother in now?

Behind him, out of focus the lovers are inches away from sex.

FACETIME CALL: The shot is in an awkward angle, out of focus.

ANGEL
Hello? Hello—

Dramatic SFX Cue: Camera quickly pans back to a selfie angle of Curt, sweaty, hyperventilating.

CURT

*Angel! I need your help! They're
after me-monsters! I got footage!*

The video glitches at all the key places.

ANGEL

Hello? Where are you?

CURT

(static) Wolfhaven Manor! They're-

Curt SCREAMS in pain. It GLITCHES. Angel's eyes get wide.

While things are tense in the foreground, the couple gets erotic in the background. (Tone of the film: erotic/thriller)

EXT. WOLFHAVEN MANOR, OLD GATE - NIGHT

TITLE CARD: WOLFHAVEN MANOR

Lightning FLASHES across the sky above the immense, decrepit haunted manor. Angel stands in the rain, looking concerned.

INT. WOLFHAVEN MANOR, FOYER - NIGHT

Massive doors (SFX) creek open. A bird's-eye view of the foyer as Angel enters, his shadow cast across the hardwood by the FLASHES of lightning outside.

ANGEL (V.O.)

*Wolfhaven Manor. It's been here as
long as anyone can remember. Some
say it's haunted. People go in, and
they never come out.*

ANGEL'S POV: He flicks on a flashlight. Looking around. Lot of cobwebs and old furniture.

ANGEL

Hello!? Curt?

As Angel climbs the grand staircase, a shadow moves across the screen. Angel shines his flashlight toward the camera.

ANGEL (V.O.)

*My brother is a cryptozoologist. A
monster hunter. He's always getting
trapped in places like this-And I'm
always bailing him out.*

INT. WOLFHAVEN MANOR, HALL - NIGHT

Angel tiptoes carefully down the hall. He spots a light coming from a room partway down. POV: As he draws closer, we begin to hear the sound of A SHOWER RUNNING.

ANGEL
(whispered)
Curt!?

A sliver of light shines on Angel's face as he enters...

INT. WOLFHAVEN MANOR, BATHROOM - CONTINUOUS

Angel creeps in to see a gorgeous naked man. Muscular and hairy in all the right places. This is KIERAN ASHWORTH, 30s, he lathers his ass in soap, scrubbing away. Angel blushes.

ANGEL
You're not my brother...

Kieran spots him out of the corner of his eye. His eyes glow.

As he turns, we never get a full look – only fragments, out of focus, as he transforms into a MONSTROUS BEAST [FULL TRANSFORMATION].

ANGEL (CONT'D)
Wait, you're a... a...!

Angel falls back, scrambling backwards, hitting the wall.

The snarling werewolf closes in, meeting face to face.

KIERAN
I'm a what? (growls) Say it!

ANGEL
A werewolf...

Kieran grins and ROARS. Angel SCREAMS.

EPISODE 2:**INT. WOLFHAVEN MANOR, BATHROOM - NIGHT (CONT'D)**

Angel punches Kieran in the nose. Kieran SNARLS in pain as the other man mad-dashes out of the room.

INT. WOLFHAVEN MANOR, HALL - CONTINUOUS

Angel rushes into the hall. CANDELABRAS (Beauty and the Beast Ref) on the walls flicker on as Angel rushes by them.

ANGEL (V.O.)
(out of breath)
*Werewolves are real!? I thought
they went extinct!*

A furry hand grips the door frame, impressing its large claws into it.

Angel checks over his shoulder. The giant wolf-man [FULL TRANSFORMATION] leaps out into the hall, hot on the chase.

KIERAN
Trespasser! Intruder! Guards!

People poke their heads out of the rooms, alarmed. As Angel passes, they transform into werewolves, joining the chase.

ANGEL (V.O.)
More of them!? How many are there!?

Angel turns a corner and comes to a dead end. He turns back to see a whole pack of werewolves in both human form and wolf form enclosing on him, drooling, GROWLING.

ANGEL
Please, I don't mean to trespass.
I'm only looking for my brother.

Kieran steps out, transforming back into his [HUMAN FORM]. A lackey hands him a robe and he wraps himself.

He lets a chain leash dangle from his hands. It hits the ground with a THUD.

KIERAN
Kneel.

Angel's eyes get wide.

ANGEL
Please! I don't mean you harm!

Kieran's glare is intoxicating. Angel complies.

INT. WOLFHAVEN MANOR, MEETING HALL - NIGHT

TITLE CARD: KIERAN ASHWORTH, ALPHA

Kieran [HUMAN FORM] kicks Angel (now collared to a chained leash) onto the floor. He crawls forward, surrounded by a ring of angry men and women, in human and wolf form with GLOWING EYES.

(<https://drive.google.com/file/d/14t3X3L7r1NZu9ZUaAGZDqvoTaABeYJJT/view?usp=sharing>)

ANGEL

What's going on?! Who are you people? Are you... people?

An old SHAMAN steps out of the crowd, eyes wide.

SHAMAN

Another human intruder?

Kieran opens his mouth to speak. His voice: low and gravelly.

KIERAN

I found this pet sneaking up on me in the shower. I believe he longs for a taste of my meat.

ANGEL

(scoffs, head shakes) Oh, you wish!

KIERAN

What shall be done with him?

SHAMAN

The same thing we did with the other one.

The wolves all lean in hungry. Angel's eyes get wide with terror. He stands, tugging at the leash, demanding.

ANGEL

The other one?! Did you eat my brother?! You bastards!

Kieran snaps his fingers.

The shaman steps aside, revealing a stripped, chained, and collared human. Angel looks up in shock.

EPISODE 3:**INT. WOLFHAVEN MANOR, MEETING HALL - NIGHT (CONT'D)**

CURT DEBUSSY. 20s, curly hair, round-faced, upturned nose. The type of guy who just looks annoying. Though right now he looks distraught, he's chained to the wall, suspended.

CURT

Angel! You came for me!

TITLE CARD: CURT DEBUSSY, BROTHER

ANGEL

(sigh of relief)

You're okay!

CURT

I'm livid! They took my camera!

ANGEL

You're concerned about your camera?

KIERAN

We cannot let either of you leave.
(grinning) Prep them for execution.

ANGEL

Execution!? We're not criminals!
Curt runs a youtube channel, and
I'm a sex therapist! Please--

Kieran pulls back a hand to slap Angel.

MARGAUX (O.S.)

Wait!

MARGAUX BELLE, 30s, [HUMAN FORM] towering, slender, strong features but soft violet eyes that betray a vulnerable nature perks with hope. She steps out of the crowd.

TITLE CARD: MARGAUX BELLE, ALPHA

MARGAUX (CONT'D)

Did he say, "sex therapist"?

KIERAN

This does not concern you, Margaux.
It's Clan Ashworth's business.

MARGAUX

If he can break the curse, it
concerns Clan Belle also.

ANGEL
Curse? What curse?

SHAMAN
Three hundred years ago!

ONE CONTINUOUS SHOT:

He presses his finger into Angel's forehead. Angel's skin ripples as his spirit is sent from his body a-la Dr. Strange.

ANGEL
(Distorting) What the-e-e-e!?

Angel screams as he falls through the floor-

EXT. BATTLEGROUND - NIGHT (FANTASY)

MUSIC CUE: Epic War Theme

Landing in the middle of a war zone. Victorian soldiers' bodies are strewn about, golden blood spewing from their wounds. He regards them, frightened, and then he sees:

SHAMAN (V.O.)
*Clan Ashworth and Clan Belle raged
a brutal war, claiming a generation
of werewolves!*

Silhouetted against the Sun is Kieran, shirtless in a loin cloth, drenched in golden blood, holding a greatsword covered in more liquid gold. He grins, stepping toward Angel.

He tips Angel's head back, seductive. Angel is mesmerized. Then Kieran's expression hardens, he enters [HALF-TRANSFORMATION] and raises his sword to strike.

ANGEL
Wait, no, don't!

Angel braces himself as Kieran's sword swings clean through him like butter.

EPISODE 4:**EXT. BATTLEGROUND - NIGHT (FANTASY) (CONT'D)**

Angel braces for impact as a sword slices through him.

SLOWMO: His body fizzles slightly as the sword slices through him, like a ghostly TV static.

CLANG! [HALF-TRANSFORMED] Kieran's sword meets another. Angel steps back to see Margaux [HALF-TRANSFORMED] fighting Kieran. (A Dragonball-esque fight)

Their swords CLANG over and over, perfectly even matched.

ANGEL

Stop! What is going on!?

Face to face, they turn to look at him, snarling.

He looks over his shoulder at WOLFHAVEN MANOR in the distance. A giant magical explosion envelopes the sky, creating a purple dome barrier that encircles the manor and everything around.

Margaux is sucked toward the manor, flying inside the open doors. Kieran lodges his sword in the ground and tries desperately to hold on, he catches Angel as he sails past.

ANGEL (CONT'D)

Don't let me go!

Angel's hand slips until all that Kieran can grip are his fingers, and then... SLIP! Angel soars toward the manor.

INT. WOLFHAVEN MANOR, MEETING HALL - NIGHT

Angel comes to, desperate.

SHAMAN

To make peace, a human spell cursed us to remain in this house until a love bond could be formed between the alphas of our warring clans.

ANGEL

What's a love bond?

HANZ, 30s, [HUMAN FORM] strong-jawed and grizzled with a large scar across his face that's a lighter color than the rest of his skin, steps forward, ominous. He looks directly at Margaux.

HANZ

A love bond, is the most sacred
bond two werewolves can share.

MARGAUX

And...Alpha Kieran and I have tried
for many moons.

KIERAN

Enough! This is fruitless. Now, let
us proceed with the execution.

Kieran's claws extend, he lifts his arm to strike Angel.
Angel lifts his arms to block.

ANGEL

Wa-Wait-Wait! I'm a sex therapist!
Let my brother go, and I can help
break your century-old curse! If
anyone can help you, it's me.

All the werewolves perk up in unison—Hopeful for the first
time in centuries.

EPISODE 5:**INT. WOLFHAVEN MANOR, MEETING HALL - NIGHT (CONT'D)**

Kieran [HUMAN FORM] laughs. The rest of his clan follows.

MARGAUX

Do you truly believe that this
"therapy" will produce a love bond?

KIERAN

Of course not! He's only human,
what could he possibly do?

ANGEL

Wasn't it a human who trapped you?

Kieran leans in far too close, more dangerous than ever.

KIERAN

Careful.

ANGEL

Right. Sorry. What I meant was, I
have hundreds of satisfied couples.
I've even been profiled in the
National Journal of Psychology!

Margaux [HUMAN FORM] nods, impressed. Almost seducing Angel.

KIERAN

Surely you're not entertaining this
nonsense! I thought Clan Belle was
known for their cunning. We'd be
better off just eating them both.

MARGAUX

Listen, brute! If the human says he
can help us, what is the harm in
trying? Have our peoples not
suffered long enough?

KIERAN

My people have only suffered you.

Margaux and Kieran's eyes glow as they bare teeth in each other's faces [HALF TRANSFORMATION]. Their claws extend, exchanging blows, perfectly matched. (A Dragonball-esk fight)

We then end on a hyper styled effect of them face to face, in their background is their [FULL TRANSFORMATION] wolf form.

(<https://drive.google.com/file/d/1MLMXXXZ3meBraCc3YDF7Sft4ZJ6C3mDb/view?usp=sharing>)

SHAMAN

ENOUGH!

The Shaman pulls out a knife and steps toward Angel. Angel braces himself for the inevitable, but then SNIP! His collar and chain fall to the floor.

SHAMAN (CONT'D)

Alpha Margaux is right. I will allow your brother to leave.

CURT

Yes! Can someone give me my camera?

SHAMAN

You shall remain here until the curse is broken. If you attempt to leave, you will die.

CURT

Camera...? Anyone...?

The Shaman drops a FILM CAMERA onto the ground and CRUSHES it underfoot.

CURT (CONT'D)

Aw! What the hell, man!?

ANGEL

Is that all you care about? Your stupid footage? I'm going to be trapped here indefinitely!

CURT

It's my career, man!
(devastated, whiny)
I had actual proof of real-life werewolves!

Angel shakes his head, disgusted.

EXT. WOLFHAVEN MANOR, PORCH - DAWN

Angel is behind the banister, watching Curt as he's dragged off the property. The shaman walks up, tapping Angel's shoulder, displeased.

ANGEL (V.O.)

He didn't even say thank you.

SHAMAN

They are ready for you. You have one week. If a love bond has not been achieved in that time... You will die.

Angel GULPS.

INT. WOLFHAVEN MANOR, OFFICE - DAY

(Glowed Up) Angel, now in a tan blazer, sits down in a chair across a desk from Kieran and Margaux. They sit, arms crossed, facing away from each other.

ANGEL

We're gonna break this curse. I believe in us, even if you two don't just yet.

(nervous)

So... Ready for your first session?
Go ahead and face each other.

The werewolves turn to look at each other and GROWL.

EPISODE 6:**INT. WOLFHAVEN MANOR, OFFICE - DAY**

Open on Kieran's piercing gaze.

ANGEL (V.O.)

*The way he's staring at me. It's
like he wants to swallow me whole.*

Angel pokes Kieran's chest.

ANGEL

So... Trouble getting it up, huh?

Kieran [HALF-TRANSFORMS] in outrage, standing.

KIERAN

How dare you!

Angel throws his hands up in surrender.

ANGEL

Easy. I just poked you.

KIERAN

Do not "poke" me again.

Kieran transforms back into [HUMAN FORM], GROWLING.

ANGEL

I didn't mean to offend. It's just...
Three hundred years without forming
a love bond? One has to wonder why
you two haven't broken the curse on
your own...

KIERAN

Not for lack of trying. We're
werewolves in close proximity.
We've copulated countless times!

Angel paces, thinking.

ANGEL

So sex isn't the problem. At least
not for you. Margaux?

MARGAUX

(shrugs)

He is quite vigorous and well
endowed.

ANGEL

Have you two ever tried... talking?

Kieran scoffs loudly, drawing Angel's attention.

ANGEL (CONT'D)

Well, have you?

KIERAN

Why would we talk when we could be
fucking?

Margaux laughs.

MARGAUX

Such a brute. Your simplicity is
why clan Ashworth lost the war.

KIERAN

Bitch!

Kieran raises a hand to strike Margaux. Angel stands in the
way, catching his wrist.

ANGEL

Don't you dare strike my patient!

Margaux's impressed. Kieran transforms [HALF-TRANSFORMATION]
and grabs Angel, thrusting him against the wall, hand on his
throat.

KIERAN

I told you never to touch me!

Angel's eyes get wide.

ANGEL (V.O.)

Is he... He's hard right now?!

EPISODE 7:**INT. WOLFHAVEN MANOR, OFFICE - DAY (CONT'D)**

Angel struggles in Kieran's grip. Kieran sniffs at his neck.

KIERAN

(whispers)

Hmm. You pretend to be an expert on sex, yet you whimper like a virgin.

ANGEL (V.O.)

Oh god. Why am I so hard right now?

Margaux laughs, brightening.

ANGEL

Wait hold on. She likes it when you hurt me.

Kieran squeezes Angel's neck.

KIERAN

Should I keep going?

ANGEL

(coughs)

Yes-no! Let go of me!

(off Kieran relenting)

Margaux, name something you like about Kieran.

MARGAUX

As you said. I do quite like it when he hurts you.

ANGEL

Okay. But let's try being more general. Kieran: Anything you find appealing about Margaux? Come on.

KIERAN

(begudging)

I appreciate her towering height.

MARGAUX

I like that he is hairy in all the right spots.

ANGEL

Okay. That's progress. You're talking. You have things in common. There has to be more.

(MORE)

ANGEL (CONT'D)

What else do you both enjoy?
Similar hobbies, maybe food...?

The two alphas stare, smirks growing across their faces as they come up with a mutual plan.

MARGAUX

Food, you say?

KIERAN

We are both starved, and love meat.

They both grin, standing up from their seats.

ANGEL

No, that's not what I-

The two Alphas transform into their giant beastly forms [FULL TRANSFORMATIONS], baring their teeth and claws. Angel falls back, arms up, frightened.

ANGEL (CONT'D)

Please don't eat me!

EPISODE 8:**INT. WOLFHAVEN MANOR, OFFICE - DAY**

Angel screams, arms up. Both alphas transform back into their [HUMAN FORMS], laughing hysterically.

KIERAN

Did you see the look on his face!?
We don't eat human meat, stupid!

MARGAUX

It is far too fatty and tastes of chemicals. You're cute for a human.

Angel stands, annoyed.

ANGEL

Okay, okay. I get it. But look at you. You're laughing together after just one session. Give me a week, and we'll form that love bond, I guarantee it!

Margaux looks at Kieran with fondness for the first time.

MARGAUX

Perhaps there is hope for us.

Kieran blushes, looking at Angel, conflicted.

INT. WOLFHAVEN MANOR, BEDROOM - NIGHT

A luxurious elegant room with a king-sized bed, equipped with wooden bedposts. Angel unbuttons his shirt and unzips his pants and strips down to black boxer-briefs. He strokes at the mahogany bedpost, intrigued.

ANGEL (V.O.)

I wish I could be home in my own bed, but I could honestly get used to this.

KIERAN (O.S.)

I have been with many.

MUSIC CUE: Bussy and the Beast: Lose My Mind

https://drive.google.com/file/d/1XX12h5O3_s9X5AVdOK4A-obr9SneTvvZ/view?usp=drive_link

Angel's head whips around. Kieran stands in the doorway, shirtless in nothing but silk pantaloons. He advances toward Angel, shoving him back onto the bed and mounting him.

KIERAN (CONT'D)
Human, werewolf, women, and men.

Their gazes catch and it's charged, electric.

KIERAN (CONT'D)
But none have a smell quite like yours.

ANGEL
It's aftershave.

Kieran takes a long hard whiff of Angel's neck. Angel whimpers.

KIERAN
No. That's not it. It's innocence.
You are afraid.

ANGEL
(low)
...Yes.

KIERAN
Good. I like the way it smells.

Kieran smirks, eyes glowing, he moves in to bite at Angel's neck, fangs bared.

ANGEL
Wait! I'm a virgin!

PAYWALL

AD LOOP 2: EPISODE 9:**INT. WOLFHAVEN MANOR, BEDROOM - NIGHT (CONT'D)**

Angel shoves Kieran hard off the bed. Kieran stumbles back.

ANGEL

I'm not— I've never been with a man! You're supposed to be bonding with Margaux, remember? That's why I'm here.

KIERAN

So the maestro of sex is a virgin?

Kieran breaks into a hearty laugh. Angel smiles along.

Then, Kieran suddenly goes very stoic. Angel GULPS.

ANGEL

Kieran?

SNARL! As Kieran morphs into [FULL TRANSFORMATION]. Fangs. Claws. Fur rippling through his skin. He towers over Angel.

KIERAN

YOU HAVE DECEIVED ME! Human trickery is why we are trapped within these walls!

Kieran raises a claw to strike. Angel recoils.

ANGEL

I didn't lie! I swear!

He looks up, Kieran pauses in mid attack.

ANGEL (CONT'D)

I've fixed hundreds of relationships, I've just never... had sex... myself.

KIERAN

How is that possible?

ANGEL

How have you had hundreds of partners yet never formed a love bond? (beat) Maybe it's just because none of them... felt right.

Kieran lowers his claws, turns back into [HUMAN FORM] and gets in very close, lips almost brushing against Angel's.

KIERAN

(low)

May your lessons prove worthy of
more effort than swallowing you
whole.

He exits. Angel stares after him.

KIERAN (O.S.) (CONT'D)

Sleep well, pet.

As he disappears into the shadows a FLASH of lightning
reveals Kieran's massive beast form.

INT. WOLFHAVEN MANOR, DINING HALL - DAY

A romantic candlelit dinner. Angel watches as Kieran
awkwardly grips a fork like a weapon.

ANGEL

Alright. Most couples bond over
shared meals. Good food is good for
the stomach and heart.

Kieran tears at the steak on his plate with his hands.
Margaux scoffs.

MARGAUX

Philistine!

ANGEL

Kieran, try it with the fork.

Angel's fingers stroke Kieran's as he places the fork in his
hand. Kieran STABS straight through the plate. CRACK.

MARGAUX

Clan Ashworth has always been
brutish. It's no wonder they made
you Alpha.

KIERAN

It's called strength. Something
Clan Belle could never understand!

MARGAUX

I'll show you true strength!

Margaux pops her neck and then transforms into her slender
white werewolf form.

Angel watches in horror as he leaps in front of Kieran.

ANGEL

Dinner is over! Time for the
evening's main event!

EPISODE 10:

INT. WOLFHAVEN MANOR, BALLROOM - DAY (CONT'D)

MUSIC CUE: "Beauty and the Beast" Inspired Theme

<https://drive.google.com/file/d/18mbz1CBOrUCzbVbMNUHkTLgEzm1Tc83R/view?usp=sharing>

Kieran leads Margaux stiffly across the floor. STOMP. Margaux winces.

MARGAUX

My foot!

STOMP.

MARGAUX (CONT'D)

You did it again, you twat!

KIERAN

It's your unsightly, large feet,
woman! Mine cannot find the floor
with yours in the way!

ANGEL

Enough!

Angel steps in.

ANGEL (CONT'D)

Alright. Margaux, stand aside.

Margaux bristles. Angel moves in front of Kieran.

ANGEL (CONT'D)

Put your hand here.

He guides Kieran's hand to his waist. Kieran goes still with butterflies.

ANGEL (CONT'D)

Other hand.

Angel takes Kieran's hand.

ANGEL (CONT'D)

Now lead me.

They move awkwardly at first. Then smoother. Kieran watches Angel's feet. Then Angel's eyes. Margaux looks on, jealous, jaw tight, she grips at her dress, nails digging in. RIP!

MARGAUX
Stop! Teach me, now.

ANGEL
Sure, but first—

She forcefully steps toward Angel. Pushing Kieran aside.
Kieran growls at her.

MARGAUX
What? Is he your therapy pup?

KIERAN
Watch your tongue.

His eyes GLOW. Margaux's do too.

ANGEL (V.O.)
Are they fighting over me?!

MARGAUX
Alpha Kieran, are you jealous?

She touches her forehead against Angel, romantic like.

KIERAN
(Angrily) I don't know the meaning
of the word!

They both shift halfway. Margaux grabs Angel, pulling him
against her chest, her claws gripping into his shoulders.

MARGAUX
And what if I was to take him right
here, right now?

Kieran is furious. He transforms as well, grabs one of
Angel's arms, tugging him.

KIERAN
Not if I take him first!

ANGEL
WHAT THE HELL IS HAPPENING?!

EPISODE 11:**INT. WOLFHAVEN MANOR, BALLROOM - DAY (CONT'D)**

The two Alphas pull Angel between them in a brutal tug-of-war. The werewolves ROAR with intensity.

Angel's arms stretch as his face contorts in pain.

ANGEL

Stop! You're ripping me apart!

Margaux softens, letting go. She shifts back into her human form. Kieran does as well.

MARGAUX

The human is right. This is quite inappropriate.

ANGEL

Really? Okay. Good!

KIERAN

(grins, then)

Agreed. We should fight elsewhere.

ANGEL

Wait, that's not what I—

MARGAUX

(grins, then)

To the sparring pits!

EXT. WOLFHAVEN MANOR, SPARRING PITS - DAY

Steel RINGS. Kieran and Margaux circle with swords drawn. Angel watches nervously from the rail.

ANGEL

As your therapist, this is not what I meant by conflict resolution.

Kieran lunges. CLANG! Margaux parries. He swings again. Harder. Margaux leaps over his sword and knees him in the face. Angel recoils. (Dragonball Z Level Fight)

ANGEL (CONT'D)

Okay, stop, stop—

Kieran drives Margaux backward, disarms her, pins her to a stone pillar, sword at her throat. Silence. And then...

Margaux giggles like a schoolgirl. Kieran laughs too. They hold there, in a breathless smile. Angel stares, dumbfounded.

ANGEL (CONT'D)
You're bonding.

KIERAN
No. We were—

ANGEL
Yes! You were. Quick, Margaux, say something nice about Kieran.

MARGAUX
He's a ferocious fighter.

Kieran backs off Margaux, sheathing his weapon.

KIERAN
Why of course, I am.

Angel pats Kieran's shoulder. *Ehem.*

KIERAN (CONT'D)
Right. Her speed is impressive.

Margaux smiles warmly. Above them, unseen by all: A FIGURE watches from a second-floor window.

TITLE CARD: Hanz, Clan Belle's right hand.

This is Hanz. Remember him? His eyes burn down at the courtyard below. OMINOUS MUSICAL STING!

Margaux spots Hanz looking down. Something unspoken between them. She drops her sword.

MARGAUX
Well, that was lovely. I look forward to tomorrow's lesson, human.

Angel beams. Kieran wipes sweat from his brow.

KIERAN
Pet.

Angel looks over. *Hmm?* Kieran holds a sword out toward him.

KIERAN (CONT'D)
Since you are training me in the art of love, perhaps I can teach you the art of combat.

EPISODE 12:**INT. WOLFHAVEN MANOR, BATTLE PITS - DAY**

CLANG! Kieran and Angel clash swords. Angel stumbles backward and falls on his bum.

KIERAN
I've seen pups with better
swordplay.

ANGEL
You're trying to kill me!

KIERAN
Good. Be afraid. Fear makes you
desperate. Desperation keeps you
alive.

CLANG! Angel blocks it but flies across the floor anyway.

KIERAN (CONT'D)
Again.

Angry, Angel gets up and marches forward, swinging wildly. Kieran sidesteps every hit, almost amused.

KIERAN (CONT'D)
You're like a frightened goat.

ANGEL
Was that a compliment?

INT. WOLFHAVEN MANOR, UPPER CORRIDOR - DAY

Margaux approaches Hanz from the shadows. Hanz addresses her without taking his eyes off the fighting pits.

MARGAUX
I am the Alpha of our clan. I have
a duty to break this curse.

HANZ
I despise him.

Margaux softens, but only for a moment.

MARGAUX
As do I, but I must make this work
with Alpha Kieran. Our people
starve without end. This is a fate
worse than death.

HANZ

For our people? (scoffs) Is that
why you seem to enjoy yourself so?

Margaux seductively steps forward, touching his arm.

MARGAUX

You're worried about me and Kieran?

HANZ

I'm worried about that human.

Margaux stops, can't help but smile. Then exits.

Hanz's face hardens. An UNDERLING steps from the shadows.

HANZ (CONT'D)

I want that twink obliterated.

INT. WOLFHAVEN MANOR, BATTLE PITS - DAY

CLANG! Angel's sword thuds into the dirt as Angel bends,
panting. Kieran points his sword at Angel's throat.

KIERAN

Do you submit, pup?

Determination sparks in Angel's eyes. He shoves the sword
aside and rushes forward, tackling Kieran. They tumble into
the dirt. Angel lands on top, looking down, inches away from
Kieran's lips.

Kieran's caught off guard, but he's not thrown completely. He
smirks. Moves in for a kiss.

EPISODE 13:**EXT. WOLFHAVEN MANOR, BATTLE PITS - DAY (CONT'D)**

Kieran moves in for the kiss. Angel retreats off of him, leaving the brute hanging once again.

ANGEL

Wow. That was— thanks for the combat training. I'm gonna go hit the showers.

Angel rushes off. Kieran adjusts his pants. Wanting more.

INT. WOLFHAVEN MANOR, BATHROOM - DUSK

Steam hangs thick. Angel steps from the shower, wrapping a towel around his waist. He exhales, relieved.

ANGEL (V.O.)

Finally. A moment without someone threatening, stalking, or mounting me.

Lost in thought, Angel runs face-first into Kieran's enormous pecks. He takes a long inhale before stumbling back.

ANGEL

What the—

Kieran licks his lips. Angel looks down. His jaw drops.

KIERAN

Do you like what you see, pet?

Kieran smirks, unbothered.

Angel yelps and covers his eyes.

ANGEL

What are you doing!?

KIERAN

You said you needed to shower. My musk is quite thick today. I thought I'd join you.

ANGEL

Why are you naked?!

KIERAN

Do humans typically shower clothed?

Angel peeks through his fingers. Regrets it.

ANGEL
Just—please put something on.

Kieran steps closer, grabs Angel's wrist to pry his hand away from his eyes, forcing him to see.

KIERAN
Why? Men should be proud of their bodies. I thought you were a doctor?

ANGEL
First, I just have a master's in psychology...

Kieran smirks, encircling Angel like prey.

ANGEL (CONT'D)
And secondly—

Kieran presses his lips to his ear and SHUSHES him. Angel yelps and covers his mouth.

KIERAN
You teach others about desire.
(sniffs his neck)
Yet you fear your own.

ANGEL
It's... complicated. Let me go.

Angel starts toward the door.

KIERAN
Not so fast.

Kieran reaches out and grabs what he can: The towel. It's yanked free. Angel's jaw drops as he covers his shame.

KIERAN (CONT'D)
(looking down, pleased)
Impressive. Do humans often mix fear and arousal?

Angel gulps.

EPISODE 14:**INT. WOLFHAVEN MANOR, BATHROOM - DUSK (CONT'D)**

Angel grabs the towel, covers himself, horrified.

ANGEL

Oh my god! Turn around!

Kieran doesn't budge.

KIERAN

I am a beast of carnal yearning.

Kieran shoves Angel into the wall, moving in close.

KIERAN (CONT'D)

Do you think I shy away from the
mere sight of an impressively large
phallus. Or its touch?

Kieran's fingers graze Angel's stomach, moving downward.
Angel's eyes widen. He shoves Kieran off.

ANGEL

Stop! Therapist-patient boundaries!
You're supposed to be getting
closer to Margaux, not me!

Angel snatches his clothes, hurriedly dressing.

KIERAN

You said we should embrace our
passions. Was that not the point of
therapy?

ANGEL

No!

Angel storms out.

EXT. WOLFHAVEN MANOR, GROUNDS - NIGHT

Moonlight. Angel walks fast, flustered.

ANGEL (V.O.)

I need boundaries. Rules. Locks.

Something RUSTLES. Angel stops, turns back.

ANGEL

... Kieran?

Shapes emerge from the trees. Werewolves, three of them.

They encircle Angel, [HALF-TRANSFORMED], SNARLING, foaming at the mouth.

Angel GASPS as one lunges forward!

EPISODE 15:**EXT. WOLFHAVEN MANOR, GROUNDS - NIGHT**

Angel backs away as the werewolves circle. He forces a smile.

ANGEL

Hey, I'm here to break your curse,
remember? I'm the good guy.

HANZ (O.S.)

We know.

[FULL TRANSFORMED], Hanz steps forward from the shadows.

ANGEL

Then why kill me?

HANZ

I would rather live in this eternal
hell than see Kieran take my bride.

Angel inches backward, shocked.

ANGEL

Margaux was your wife!?

Hanz's claws extend, and he stabs Angel in the side. Angel
CRIES out.

HANZ

(whispers into his ear)
Forever and always.
(to his men)
Leave no trace of him.

Hanz drops Angel, his body SPLASHING in a puddle, then
disappears into the night.

The pack closes in. One werewolf's bones SNAP and CRACK as he
transforms fully. Huge. Monstrous. He charges.

Angel holds his wound, crawling backward as the beast LEAPS—

SNARL! Another, larger werewolf slams into it midair. Brown-
furred, familiar eyes. It lands, then turns toward Angel. One
look is enough—this is Kieran.

They slam into the dirt; fangs, claws and fury. Angel backs
up, a 3 vs 1 werewolf fight. (Dragonball Z Level Fight)

ANGEL (V.O.)

Kieran?!

EPISODE 16:**EXT. WOLFHAVEN MANOR, GROUNDS - NIGHT**

A werewolf lunges at Kieran. Kieran stabs his claws right through this one, golden glowing blood, drenching the ground. He tosses the body aside as two more approach.

ANGEL

Kieran!

One werewolf strikes at Kieran, he dodges only to be tackled by another. It SNARLS in his face. He grabs its jaws and twists, snapping his neck.

The last werewolf puts up more of a fight, goring Kieran's stomach. Kieran roars and Angel screams.

He runs over to punch and fight the werewolf. It snaps his head back, about to bite Angel.

KIERAN

NOOO!

Kieran grabs at the arm still in him, and pushes with his feet to tear the werewolf's arm clean off. The werewolf stumbles back, golden blood gushing from his arm. Kieran ROARS and the werewolf retreats into the night.

Drenched in golden blood, Kieran shifts into his human form, naked, darkness masking his lower body. He rushes to Angel's side.

KIERAN (CONT'D)

Pet? Are you alright?! Angel?!

No response. Kieran gathers Angel up, lifting him from the mud and carries him toward the manor. Angel's head rests against Kieran's chest.

INT. WOLFHAVEN MANOR, KIERAN'S BEDROOM - NIGHT

MUSIC CUE: "Beauty and the Beast" Inspired Theme

Moonlight spills across a massive bed.

Angel stirs from under the blankets. He turns. Kieran sits beside the bed. Silent.

ANGEL

(groggy)

...Kieran?

KIERAN
You're alive!

Kieran rushes to his side. His chest wrapped in bandages.
Angel shifts. Realizes. He lifts the covers and looks down.

ANGEL
(groggy, drifting off)
What the... why am I naked?

Kieran drops trow and climbs into bed, pulling Angel onto his stomach, wrapping him in his enormous arms. He shushes him, ushering Angel to sleep.

KIERAN
Your clothes were wet and bloodied.
You were shivering.

Angel's eyes flutter closed as he drifts back to sleep.

ANGEL
I'm... so cold. Don't go...

Kieran smiles, transforms into [GIANT WEREWOLF FORM], his body swarming with warm fur as he envelops Angel in a cuddle.

KIERAN
Fear not. I am here to warm you.

CYCLE 3: EPISODE 17:**INT. WOLFHAVEN MANOR, KIERAN'S BEDROOM - MORNING**

Angel stirs. *Warm. Too warm.* His eyes open. He takes a second to process. Kieran's [FULL WEREWOLF FORM] is curled around him, fur wrapped over his bare chest like a living blanket.

Angel SCREAMS.

KIERAN

What? Is something wrong!?

Angel scrambles backward.

ANGEL

You were wrapped around me!

KIERAN

For warmth.

ANGEL

In your wolf form!? And-and, are-are you naked!?

Kieran shrugs. Kieran reverts to [HUMAN FORM].

KIERAN

Silly question. There's no other way to sleep but naked.

Angel points at him.

ANGEL

We need boundaries. Therapist-patient boundaries.

(beat)

Whatever happened last night, whatever this is—

KIERAN

You nearly died. I saved your life. Nothing else happened.

ANGEL

Good. Well, let nothing else keep happening.

Kieran rolls his eyes, annoyed.

KIERAN

I am an Alpha werewolf, you are a human whelp.

He mounts, Angel, pinning him.

KIERAN (CONT'D)
If I wanted you, I could just take
you.

Angel MOANS. A KNOCK at the door. Both freeze.

MARGAUX (O.S.)
Kieran?

KIERAN
(low)
Your clothes are on the floor.
Hide!

Kieran stumbles off Angel, who tumbles to the floor. Kieran
pulls on some pants. Then moves quickly toward the door.

KIERAN (CONT'D)
Go away!

Margaux cracks the door open. Sniffs. Her eyes narrow.

MARGAUX
...Why do you smell like Angel?

Angel freezes as he puts on his shirt behind the bed.

EPISODE 18:

INT. WOLFHAVEN MANOR, KIERAN'S BEDROOM - MORNING (CONT'D)

Margaux bursts through the door.

Angel stands, zips his jeans.

MARGAUX
What is this?!

ANGEL
Nothing. We were—

MARGAUX
You were in his bed.

ANGEL
...Therapeutically?

MARGAUX
What does that mean?

Kieran watches, amused.

KIERAN
I would also like to know.

ANGEL
It was... intimacy practice...?

MARGAUX
Kieran, is that true?

KIERAN
Ah yes. Intimacy practice.

Margaux folds her arms, not buying it.

ANGEL
Kieran's great at sex— I mean, we never— I've never— he just has a lot of it.

KIERAN
So we were on the bed, intimately touching?

ANGEL
Yes! Touch! That was all it was. Kieran wanted to get better at being soft. For you.

MARGAUX
(skeptical, glaring)
Ok, then. Show me.

ANGEL
Uh... okay. Kieran? Just like I
showed you.

Kieran glares back, clueless.

Angel extends a hand to Kieran. Margaux SLAPS it.

MARGAUX
No, whelp! YOU show me!

ANGEL
Oh! Yeah. Get on the bed.

She sits down. Angel sits down next to her. Kieran looks
jealous, stepping forward. Angel signals for him to stop.

Angel touches her face, she stiffens, uncomfortable.

ANGEL (CONT'D)
Touch is important for any
relationship. You can't shy away
from it.

Margaux touches Angel's face, timid.

MARGAUX
Like this?

ANGEL
Perfect.

She blushes. Kieran's jaw tightens, uncomfortable.

MARGAUX
Next?

ANGEL
Next, if you're comfortable at this
step, I want you to...

Before he could finish, she moves in for a kiss.

EPISODE 19:**INT. WOLFHAVEN MANOR, KIERAN'S BEDROOM - MORNING (CONT'D)**

Margaux opens her mouth and licks Angel from chin to cheek.

ANGEL

Whoa. Okay...

MARGAUX

Am I doing it right?

She licks Angel's forehead then ears, licking it thoroughly.

ANGEL

That's a bit unconventional—

Margaux licks him again. It tickles.

MARGAUX

How about this?

Angel pulls away. Wiping his wet face.

ANGEL

That was... a lot. I'm soaked.

MARGAUX

(winks)

You're welcome.

ANGEL

No, that wasn't a compliment.

Kieran's jaw flexes, uncomfortable. He shakes like a chihuahua with jealousy before stepping in.

KIERAN

(to Margaux)

You're doing it wrong!

(to Angel)

Let us show her.

Before Angel can protest, Kieran leans in and drags his long tongue across Angel's temple. Angel's jaw drops as they lick his chin, his neck, moving downward. Kieran opens his shirt, buttons pop, and licks his nipples. Slurp. He shivers.

ANGEL

(stands up)

Stop! Stop! Stop! Has no one ever taught you two how to kiss?

MARGAUX

This is how werewolves kiss. Is
this not how humans do it?

KIERAN

Show me.

Angel sighs, gives in. He closes his eyes and kisses him.

They separate. Kieran's eyes go wide, GLOWING. He's
ENTHRALLED.

Margaux is too. She smirks, blushing.

MARGAUX

I see. Again.

Kieran pulls Angel into another forceful kiss, tongue
encircling the inside of his mouth.

Angel gives in completely, closing his eyes. They both fall
back onto the bed, making out.

MARGAUX (CONT'D)

Yes. I get it now... That's well
enough.

But the kiss continues. Margaux's smile fades, a fire in her
eyes builds slowly. She GROWLS.

MARGAUX (CONT'D)

I said, enough!

With supernatural force, Margaux rips the men apart. Kieran
gets pushed against a wall. Angel flies into the bed.

EPISODE 20:**INT. WOLFHAVEN MANOR, KIERAN'S BEDROOM - MORNING (CONT'D)**

Margaux rips the men apart. Kieran gets pushed against a wall. Angel flies into the bed.

MARGAUX

Enough!

She bumps Kieran as she storms for the door.

ANGEL

Margaux, wait- It was just educational!

SLAM! As she exits the room.

KIERAN

I think she might be upset.

ANGEL

You THINK?! We should--

Angel rushes after her, but Kieran catches his wrist.

KIERAN

Let her go.

Angel turns. Kieran is closer than he should be.

KIERAN (CONT'D)

Stay.

(beat)

I was just beginning to enjoy this...
human kissing.

Kieran grips Angel's chin, seductive. Angel pulls free.

ANGEL

No! This is wrong. Margaux is your
destiny. Your love bond!

KIERAN

But-what if she's not.

(He sniffs Angel)

What if-

They share a moment, a "what-if." Angel storms out.

INT. WOLFHAVEN MANOR, HALL - CONTINUOUS

Angel rushes from the room. Looks both ways.

ANGEL

Margaux?

Nothing. She's gone.

INT. WOLFHAVEN MANOR, ABANDONED CHAPEL - NIGHT

CANDELABRAS flicker. Margaux stands in shadow. Hanz steps forward.

HANZ

Well?

Margaux looks troubled.

MARGAUX

I fear it's as you say. I do not
believe Kieran intends on breaking
the curse.

Angel looks through the old chapel doors. He trips and pushes the CREAKING doors.

He GASPS. Hands clamp over his mouth. Too late.

Margaux's head turns. Hanz gives a low GROWL.

Margaux motions to surround the intruder.

Angel crouches low behind a pew under the moonlight.

Footsteps. Slow. Deliberate.

A long shadow stretches across the floor – creeping toward him. Angel's chest tightens as he waits for someone to come down the aisle– A bead of sweat slides down his temple...

Unknowingly, behind him, Hanz is already hovering above him.

HANZ

Found you, human.

Angel gets up to run, SLAMS into Margaux. He's surrounded!

EPISODE 21:**INT. WOLFHAVEN MANOR, ABANDONED CHAPEL - NIGHT**

Angel turns back and forth, surrounded.

MARGAUX
(threatening)
Eavesdropping, Human? What did you hear?

ANGEL
Nothing! Certainly not you talking about Kieran. I gotta go.

Angel rushes out.

HANZ
(to Margaux)
Do not let him leave!

Margaux nods and runs after him.

INT. WOLFHAVEN MANOR, UPPER CORRIDOR - DAY

Angel hurries down the hall.

ANGEL (V.O.)
That was Hanz, Margaux's ex-husband. Are they conspiring against Kieran?

Suddenly, Kieran grabs him, spins him around, and kisses him. Hard. Angel freezes.

KIERAN
You, me, bedroom, now!

Angel shoves him back.

ANGEL
Kieran, no! This is a really bad time!

FOOTSTEPS. Margaux scans the halls for Angel.

KIERAN
I cannot wait! I must have you!

Angel grabs Kieran and shoves him into—

INT. WOLFHAVEN MANOR, CLOSET - CONTINUOUS

Their bodies are pressed tightly together, packed like sardines. They listen as FOOTSTEPS pass.

KIERAN

Kinky! So you prefer this cramped space to the bedroom?

Kiern goes in for another kiss but Angel pushes back.

ANGEL

No! Bad dog! Stop and listen. I just saw Margaux talking to the guy, Hanz! They think you're not committed to breaking the curse.
(off Kieran's silence)
Are they right?

KIERAN

(choosing his words)
This curse has kept me young; virile. Maybe there is no way to break it. I've tried hundreds of times over hundreds of years to form a love bond. I am tired of trying.

He grabs Angel by the cheeks, squeezing, pulling him in.

KIERAN (CONT'D)

But I haven't tried with you...

ANGEL

(shoves him back)
Stop! That's not why I'm here and I'm not even gay!

Kieran grips his crotch, his lips almost touching Angel's.

KIERAN

Your body disagrees.

ANGEL

Stop. Down!

Angel shoves him. They struggle in the tight space. The door bursts open and they tumble out into...

INT. WOLFHAVEN MANOR, UPPER CORRIDOR - CONTINUOUS

Angel lands on top of Kieran, pinning him. They both look in surprise at Margaux and Hanz towering over them.

EPISODE 22:**INT. WOLFHAVEN MANOR, UPPER CORRIDOR - DAY (CONT'D)**

Angel, still straddling Kieran, scrambles up.

ANGEL

I can explain!

INT. WOLFHAVEN MANOR, MEETING HALL - DAY

Angel sits in CHAINS, wrists cuffed on a chair. Kieran's chained to the floor beside him, MUZZLED. A full assembly of werewolves—with Margaux, Shaman and Hanz—surround them.

This time Angel and Kieran stand at the center, surrounded by a ring of angry men and women, in human and wolf form.

ANGEL

This feels like an overreaction.

HANZ

The human seeks to entangle Alpha Kieran and prolong the curse!

ANGEL

That's not true! I've been working with Kieran and Margaux both to make them more comfortable with being intimate together.

(to Margaux)

Come on, Margaux. I know you believe in what I'm doing!

Margaux steps forward, anger in her eyes. She SLAPS him. Kieran GROWLS from under his muzzle, eyes glowing.

MARGAUX

I've seen Kieran and your lessons. You are not the same with me. With Kieran it's deeper. Carnal. Real.

ANGEL

Margaux... Just give me another chance, please!

Margaux raises another hand to strike.

Kieran ROARS! Muscles, bulging, clothes tearing, as fur covers his body and he enters HALF-TRANSFORMATION state, straining against his restraints. The Shaman steps forward.

SHAMAN

ENOUGH!

He pulls Kieran's muzzle off his face.

SHAMAN (CONT'D)

Alpha Kieran. You stand charged with treason against your kind. How do you plead?

KIERAN

Not guilty! The human is no threat! I have sworn my loyalty to our clans. To Margaux.

SHAMAN

And yet your focus strays from your duty.

Kieran looks at Angel with sorrow in his eyes.

KIERAN

He is meat, and I hunger. Nothing more. I am loyal only my clan, my kind.

SHAMAN

A test, then.

An underling presents a serving platter. The Shaman lifts the top to reveal a GLOWING PEARLESCENT STONE. Every werewolf in the room's eyes glow at once. A storm of whispers.

SHAMAN (CONT'D)

The moon stone will force a transformation and reveal your true desires.

KIERAN

No!

HANZ

If the human truly is no more to you than meat, go ahead. Consume.

Underlings unbind Angel and he tumbles to the ground.

The shaman forces the stone down Kieran's throat. Kieran SWALLOWS. His body convulses. Bones SNAP. Muscles contort. His face shifts into a full-wolf transformation and ROARS:

KIERAN

RUN!

EPISODE 23:**INT. WOLFHAVEN MANOR, MEETING HALL - DAY**

Kieran-[FULLY TRANSFORMED] strains against his bindings. His eyes burn with anger. The other werewolves step back as the chains SNAP!

Angel freezes. Kieran turns Locks onto him.

KIERAN
I SAID, RUN!

Angel runs. Kieran takes off after him. Hanz grins and licks his lips.

INT. WOLFHAVEN MANOR, HALLWAYS - CONTINUOUS

Angel sprints through twisting corridors. Behind him, THUNDERING footsteps. A guttural SNARL echoes.

Kieran crashes through a doorway, splintering wood.

Angel looks back, Sees Kieran bounding up and SCREAMS. He turns a corner, slips, catches himself, keeps running.

INT. WOLFHAVEN MANOR, GALLERY - CONTINUOUS

Portraits line the walls, a storm rages outside the windows.

Angel ducks behind a column, quiets his breath.

A hulking shadow stalks down the hall toward him.

Lightning FLASHES through tall windows revealing full-monster form Kieran, SNARLING, DOOLING.

Angel glances around the corner to look. Nothing.

And then SMASH! The column shatters above Angel's head with a swipe of Kieran's immense claws.

Angel tumbles to the floor, scrambling back as Kieran stalks closer and closer to his face.

ANGEL
Kieran! It's me! IT'S ANGEL!

Kieran grabs Angel's shirt in his claws, tearing it off.

Angel braces himself for death. And then... LICK! Kieran's massive wolf tongue, slides across his pecks.

EPISODE 24:**INT. WOLFHAVEN MANOR, GALLERY - NIGHT (CONT'D)**

Angel MOANS as another another LICK tickles his chest. His eyes snap open.

ANGEL

Nope!

He shoves Kieran back and bolts. Kieran ROARS!

INT. WOLFHAVEN MANOR, BOILER ROOM - NIGHT

Angel bursts in, SLAMMING the door behind him.

ANGEL

Okay... okay... think...

He sees the boiler, grabs a big wrench and THUNKS it against a pipe. Steam fills the room; thick, blinding. Angel takes the wrench and hides.

The door CREAKS open.

A massive silhouette enters. Kieran, in full beast form. Barely visible except for his glowing yellow eyes in the mist. He creeps forward.

Angel ROARS and WHACKS him! He grabs the wrench from Angel's hand, bends it and tosses it aside. Angel backs up into the corner. Nowhere to run.

ANGEL (CONT'D)

Kieran, please! You don't want to do this!

Kieran lunges. Angel presses back into the wall, Kieran looming over him. Breath hot, eyes wild. He GROWLS.

ANGEL (CONT'D)

(tears in his eyes)

I... I want you too.

Kieran squeezes his neck, causing Angel's watery eyes to bulge, bloodshot. In his fear, he says:

ANGEL (CONT'D)

(choking, going blue)

I... Please... Kieran....

Angel stops struggling against his grip and grabs Kieran's head instead, pulling him into a kiss. Kieran's eyes get wide. He pulls back, receding into [HUMAN FORM]

Eyes still burning, his hands still wrapped around Angel's throat, he pulls him in for another kiss...

AD LOOP 4: EPISODE 25:**INT. WOLFHAVEN MANOR, BOILER ROOM - CONTINUOUS**

Kieran and Angel make out. Kieran's hands feeling up and down his body. He unbuckles Angel's belt, unzips his pants.

FOOTSTEPS echo outside.

WEREWOLF (O.S.)
They went this way!

They break apart. Angel breathes fast.

ANGEL
What's wrong?

Kieran steadies himself, focus returning.

KIERAN
This was a test.

ANGEL
A test?

KIERAN
To see if I could kill you.
(beat)
I failed.

ANGEL
That's... good, right?

KIERAN
If you are not at least injured,
they will know I couldn't—

The door handle RATTLES. Angel steels himself.

ANGEL
Hit me.

Kieran shakes his head.

KIERAN
That will not do. Do you trust me?

His eyes glow. Bones begin to shift.

Angel tenses, and then resigns to it.

ANGEL
Okay. I trust you.

Kieran transforms completely, grabs Angel and sinks his teeth into his neck. And then...

Angel MOANS.

EPISODE 26:**INT. WOLFHAVEN MANOR, BOILER ROOM - CONTINUOUS**

Kieran's fangs sink into Angel's neck.

Angel MOANS, involuntary.

BOOM! An explosion of white light engulfs the room, emanating from between them. The steam clears, and they're thrust back.

Kieran hits the wall and shifts back to humanoid form.

The light fades. Angel blinks, stunned.

ANGEL

What... was that?

Kieran stumbles to his feet. Eyes wide.

KIERAN

No. That's... That's not possible.

ANGEL

Talk to me, Kieran. What was that?

KIERAN

This cannot be. No! NO!

Kieran enters [HALF-TRANSFORMATION] and tears apart the room in a blind rage.

ANGEL

Kieran, stop—

Angel puts a hand on Kieran's shoulder to calm him. Kieran thrusts him off sending him flying into some crates with a CRASH! Angel coughs. GROANS. He passes out.

Kieran's eyes fill with guilt.

KIERAN

Angel...!

THUD! The door CRACKS as the guards BUMP against it.

WEREWOLF (O.S.)

They're in here! I can hear them!

Kieran eyes a basement window, then Angel, knocked out.
Should he run or help?

CRASH! As the door flies open...

EPISODE 27:**INT. WOLFHAVEN MANOR, BOILER ROOM - NIGHT (CONT'D)**

CRASH! The door flies open and the werewolf guards rush into the room.

WEREWOLF

There! In the corner!

Angel's eyes blink awake. He GROANS.

ANGEL (V.O.)

*I don't know what I did, but he
must really hate me now.*

INT. WOLFHAVEN MANOR, MEETING HALL - DAY

Angel stands, weakened. The Shaman inspects his wounds, satisfied.

SHAMAN

Alpha Kieran did not hold back.
(to the crowd)
His intentions are pure.

The ring of men and women murmurs of approval. Margaux watches, unconvinced.

MARGAUX (V.O.)

*If Kieran wanted to kill him, he'd
be dead. They're playing us for
fools something else is going on.*

Her stare lingers on Angel, eyes narrowing. Then she spots the teeth mark on Angel's neck. Her eyes get wide.

MARGAUX (V.O.)

Is that...!?

INT. WOLFHAVEN MANOR, DINING HALL - NIGHT

Angel walks in, looking for Kieran.

ANGEL

Kieran? Where are you? I'm sorry
for... Whatever that was...

He happens across a piano covered in a large white sheet in the dark room. He pulls off the sheet.

As he does so a FLASH of lightning reveals [FULL TRANSFORMATION] Kieran observing from the shadows.

Angel sits down and begins to play. He's just TINKLING around for a second.

KIERAN (V.O.)
You play?

Angel SLAMS the key cover and turns...

ANGEL
Kieran?!

EPISODE 28:**INT. WOLFHAVEN MANOR, DINING HALL - NIGHT (CONT'D)**

Angel GASPS.

GLOWING YELLOW eyes peer out from the darkness. FLASH Kieran [HUMAN FORM] is revealed. He takes a step toward Angel, keeping his distance. His face is red. He's been crying.

ANGEL

Kieran? You look... Are you feeling well?

Kieran doesn't answer. He steps forward, slowly.

KIERAN

There was a time when the humans still remembered us as gods. They would bring gifts and leave them at the edge of the property.

Angel moves over for Kieran to sit down beside him. He points to the sheet music on the stand.

KIERAN (CONT'D)

This gift was my favorite.

He takes a breath and begins to play

MUSIC CUE: CLAIRE DE LUNE

https://drive.google.com/file/d/1q4CrgWVOJiI6DTQoH5wc3qWmaZzo0SGf/view?usp=drive_link

Partway through, Angel joins him. Their hands, moving in tandem on the keys.

KIERAN (CONT'D)

You know it?

ANGEL

Its basically a family heirloom. My great grandfather wrote it.

Kieran stops suddenly, eyes wide.

KIERAN

No. Please. This can't be...

ANGEL

What? Why are you acting so strangely? You've avoided me all day. You missed my session!

Kieran turns away. He can't face him.

KIERAN

I'm afraid... It might be fated. That scares me. You scare me.

ANGEL

What? How can I scare an alpha werewolf?

KIERAN

Sit. Please. It's my favorite song.

Kieran pats the bench. Angel sits back down. They play the song again, moving through the stanzas, and then...

Their hands touch, and they both stop. Linger.

Angel's mark begins to glow. Angel's eyes get wide as...

A FLASH of holy light briefly illuminates the space. Kieran SLAMS the key cover just in time for Angel to move his hands. Kieran stands, wiping a tear.

KIERAN (CONT'D)

(mournful)

No! NO!

Angel stands, defiant, grabbing him, forcing Kieran to face him.

ANGEL

What's wrong!? What is that light!? Why does it scare you? Why do I scare you?!

KIERAN

Do not ask questions when you already know the answer.

Angel's eyes get wide as it hits him.

ANGEL

...You don't mean... But I'm a human! And I'm not even gay!

EPISODE 29:**INT. WOLFHAVEN MANOR, DINING HALL - NIGHT (CONT'D)**

ANGEL

We couldn't have— I'm not gay!

KIERAN

What is this "gay"? You keep using that word—

ANGEL

It's when two men...

Angel demonstrates by making a circle with one hand and pointing a finger through it.

KIERAN

Sex? Between men? Why would you even need a word for that?

ANGEL

I don't know! I don't know how any of this works!

Angel sits down on the bench, defeated.

ANGEL (CONT'D)

We... We formed a love bond!? What does that mean?

KIERAN

It means you are my Luna.

ANGEL

What the FUCK is a "Luna"!? Stop talking in code!

KIERAN

It means we are fated mates. It is the moon goddess's will.

Kieran shakes his head, tears in his eyes.

KIERAN (CONT'D)

And that will doom us all.

ANGEL

Kieran, I...—

MARGAUX

Angel?

Angel turns. Margaux stands in the doorway. She looks at him, curious.

MARGAUX (CONT'D)

What are you doing here? Are you talking to yourself?

ANGEL

I was...

Angel turns back to Kieran, but he's gone.

INT. WOLFHAVEN MANOR, BEDROOM - NIGHT

Angel sits in bed. Touching the mark on his neck.

ANGEL (V.O.)

Alpha, Luna, Fated mates... What does it all even mean? Why does...

He exhales, shaken.

ANGEL

Why does that give me comfort?

He stands unzips his pants and lets them drop, stepping out of them. A shadow shifts behind him. Something TAPS the window. He freezes, turns, creeps toward the drapes.

He opens them and GASPS!

EPISODE 31:**INT. WOLFHAVEN MANOR, BEDROOM - NIGHT (CONT'D)**

Kieran [FULLY TRANSFORMED] stands like a shadow on the windowsill. Lightning FLASHES, revealing his full form.

Angel steps back and CRASH. Kieran smashes through the window and pins Angel to the bed.

KIERAN
YOU BEWITCHED ME! I SHOULD KILL
YOU!
(breaking)
I should... I should kill you...

He transforms back to [HUMAN FORM].

KIERAN (CONT'D)
(mournful)
...But I can't.

He rolls off of Angel, and curls up on the bed, awash with sadness.

KIERAN (CONT'D)
I have doomed my people. After all
this time. I have failed them.

Angel's hand lingers above Kieran's back, afraid to touch him.

ANGEL
Kieran...

KIERAN
I have held the weight of this
responsibility for three hundred
years.

Angel lets his hand rest on his back. He rubs it, back and forth, comforting.

ANGEL
My parents died when my brother and
I were very young. I took care of
him before I was old enough to take
care of myself.

He plays with Kieran's hair.

ANGEL (CONT'D)

It's tough when you care so much
for someone, but nothing is ever
good enough—

Kieran grabs his wrist, meeting him eye to eye. He gets in
close, like they're about to kiss, and then whispers:

KIERAN

This should not be possible. I was
born three hundred years before
you. If this is the Moon Goddess's
will, that must mean... The curse
held me here, frozen in time... So
that one day, you would step into
my life.

ANGEL

Kieran—

KIERAN

You have always been my destiny.

Kieran pulls him into a kiss. Angel pulls back.

ANGEL

Kieran... I...

KIERAN

What? What is it...?

He looks at Angel, eyes trembling. Angel searches for the
word.

ANGEL

I want you to take my virginity.

CYCLE 5: EPISODE 32

INT. WOLFHAVEN MANOR, BEDROOM - NIGHT (CONT'D)

Angel hesitates, unsure...

ANGEL

I want you to take my virginity.

KIERAN

Are you sure?—

Angel tugs him into a forceful kiss.

Their hands explore each other's bodies for a moment. Angel's mark begins to glow and then...

Kieran mounts him, pinning him to the bed.

ANGEL

I want you. Please.

KIERAN

Do you still fear me?

ANGEL

No...

KIERAN

Are you lying?

Kieran kisses his way down Angel's abdomen; pecks, abs, pelvic bones. Kieran slides off his underwear and takes Angel into his mouth.

Angel rolls his eyes back and MOANS. Kieran grabs his hips, and flips him onto his stomach. Kieran goes down on him again from behind, and Angel GRIPS the sheets.

ANGEL

Stop!

Kieran blinks, confused. Angel's eyes narrow.

ANGEL (CONT'D)

I want the wolf.

Kieran smiles a devious smile and nods transforming from [HUMAN] to [HALF-TRANSFORMATION] and finally [FULL TRANSFORMATION]. Lightning FLASHES.

KIERAN

Say no more.

EPISODE 33:**INT. WOLFHAVEN MANOR, BEDROOM - NIGHT**

Moonlight pours across the bed as a fully transformed Kieran enters Angel. He MOANS.

Kieran tugs at his hair and goes to town, thrusting against him. The claws on his other hand, pierce into Angel's side.

Angel balls up a bed sheet and hands it to Kieran, who twists it and then strings it around Angel's face. He bites down on it.

Kieran's MOANS grow louder and louder. Building, and then—

KIERAN

I'm gonna... I'm gonna—

Angel spits out the sheet.

ANGEL

Do it! I want all of you!

EXT. WOLFHAVEN MANOR - NIGHT

Lightning CRACKLES across the sky. Kieran HOWLS as he comes, echoing through the night. Thunder BOOMS.

INT. WOLFHAVEN MANOR, BEDROOM - MORNING

Angel stirs. Kieran lies beside him—[HUMAN FORM] again. His face is calm. Serene.

Angel studies him.

ANGEL (V.O.)

Welp. I guess I'm into men. Or, I guess... Wolves?

He runs his hand through Kieran's chest hair.

ANGEL (V.O.)

...What does that make me? What would the accreditation board think?!

The thought makes Angel green. He rushes to the bathroom. We hear him YACK! Kieran shifts in his sleep.

Angel walks back in, wiping his mouth. They stare at each other. Kieran grins.

KIERAN

Would you like to go again?

Angel lingers on the question.

KIERAN (CONT'D)

No?

ANGEL

NO! I want to. That was awesome.
Sex is awesome. I can't believe so
many of my patients have such a
hard time. But...

KIERAN

You think we should stop?

ANGEL

Hell no. But we need to keep this
secret.

EXT. LAKEWOOD TOWN SQUARE - DAY

Curt stands on a bench, frantic. A small crowd gathers. He waves a crude drawing of a werewolf.

CURT

Werewolves. They're real!

People snicker in the crowd.

CURT (CONT'D)

I'm telling you, my brother is
trapped in a cursed werewolf manor!

TOWNSPERSON

Sure, he is.

CURT

No, listen—there's two alpha clans,
and some sex curse, and— I had
footage but they broke my camera!

Someone throws a tomato at Curt. It SPLATS against his head.

EXT. WOLFHAVEN MANOR, OLD GATE - NIGHT

The gates loom. Thunder rumbles. Curt stands outside, cameras slung across his chest. He pushes open the gate... it CREAKS.

CURT (V.O.)

*I'll get proof. Then I'll be
famous!*

EPISODE 34:**INT. WOLFHAVEN MANOR, KIERAN'S BEDROOM - NIGHT**

They both lie on the rug having destroyed the bed. Angel lays, curled up on [FULL TRANSFORMATION] Kieran's chest, using his pec as a pillow. He scratches behind Kieran's ear.

ANGEL

Wow. Seven times in one day.

Kieran shifts back into his [HUMAN FORM] underneath him. He smiles and tussles Angel's hair.

KIERAN

Two more, and I've hit my record.

ANGEL

Easy, boy. I don't think that bed is lasting two more times.

KNOCK KNOCK.

MARGAUX (O.S.)

Human Angel?

ANGEL

(to Kieran, low)

Hide!

Kieran squeezes under the bed as quickly as he can.

ANGEL (CONT'D)

Margaux?

Margo steps in, Angel drapes himself over the bed, acting natural, and collapses on top of Kieran.

MARGAUX

Is everything alright? You were absent at dinner?

ANGEL

I just... Got a headache! I'm trying to sleep it off.

Her eyes narrow. Angel sweats, caught.

MARGAUX

I like what you've done with this room.

Angel smiles, and she walks out.

Kieran tries to crawl out from under but stops suddenly.
Worry fills his face.

KIERAN
Perhaps we should stop for now.
People are beginning to notice our
absence.

ANGEL
You're probably right...

Kieran pushes harder, but the bed won't budge and his broad
back won't push out any further.

ANGEL (CONT'D)
(smirking, devious)
What is it? Are you... stuck?

Kieran's eyes glow, piercing.

KIERAN
Oh, no! Don't you dare. An Alpha
does not bottom!

Angel's eye-brows waggle, creeping toward him.

ANGEL
Come on! As your therapist, I'm
recommending you try new things.

KIERAN
No! Not that! STOP! I COMMAND YOU!

Angel giggles and mounts Kieran, fingers gripping his hips...

EPISODE 35:**INT. WOLFHAVEN MANOR, KITCHEN - NIGHT**

Curt crouches low, slipping through the door.

CURT (V.O.)
*No one's here. Good thing I went in
through the back.*

Camera strapped to his chest, flashlight peeking into the manor.

CURT
Okay, Curt... You can do this. Just
get proof of a werewolf and run
out before they catch you. Easy.

He tiptoes forward. The door SLAMS behind him.

Curt yelps, stumbling onto the floor.

Hanz stands above him, half in shadow.

HANZ
Trespassing again?

Curt scrambles up.

CURT
I'm not here for any trouble, I
swear! Please don't eat me. I just
want to know if my brother's okay.

HANZ
(eyes narrow)
What is that device?

CURT
Oh, this? It captures images for my
socials.

Hanz thinks for a moment and then grins, fiendishly.

HANZ
Go ahead and capture this.

He beckons Curt to start rolling. Curt nods, and films.

HANZ (CONT'D)
You will not find your brother
here.

CURT

Why not?

Hanz's shadow grows over Curt. SHAKY CAMERA POV: Hanz's eyes GLOW, his bones SNAP, fur ERUPTS as his body stretches into a massive, slender, black werewolf.

Taller than Kieran's, wilder, more monstrous.

HANZ

Because I ate him!

Curt SCREAMS! Hanz opens the door and Curt scrambles out.

EXT. WOLFHAVEN MANOR, PORCH - CONTINUOUS

Curt dashes out of the manor. Hanz shifts back into his humanoid form in tattered clothes. He smiles.

HANZ

Go, human.

(beat)

And bring back trouble.

EPISODE 36:**INT. WOLFHAVEN MANOR, MEETING HALL - DAY**

Angel stands before the Shaman. Margaux and Kieran nearby.

MARGAUX

Why have you called us here, moon priest?

SHAMAN

It has been a week since the human has arrived here, and yet it seems you two are no closer to forming a love bond.

Angel panics, looking at Kieran's nervous expression.

ANGEL

Well, love bonds take time. I'm sure you know that.

SHAMAN

Time we have in spades. So much so that I've no room for excuses. I wish to observe your methods.

ANGEL

Oh, I'm sorry but that won't be possible. My work requires strict confidentiality. Client privacy is nonnegotiable.

SHAMAN

And I'm sorry because this isn't a negotiation.

INT. WOLFHAVEN MANOR, OFFICE - DAY

Angel paces.

ANGEL (V.O.)

We can't let the shaman know Kieran did form a love bond... with me!

Kieran and Margaux sit opposite each other.

ANGEL

Alright. First I like to start out by getting them to talk. Kieran, go ahead and talk to Margaux. Show us how much you've connected.

KIERAN

Huh?

Angel kicks him under the table. Kieran snaps into it.

KIERAN (CONT'D)

Margaux. How pleasant it is to see you.

MARGAUX

...Likewise.

KIERAN

I've missed your cheerful disposition.

Angel kicks him again.

KIERAN (CONT'D)

I mean that sincerely!

MARGAUX

(rolls her eyes)

Alpha Kieran is not good at conversation. We should show him that other thing you taught us.

ANGEL

Other thing?

Margaux grabs Angel and dips him.

MARGAUX

Human kissing!

Margaux forces a kiss on Angel. Kieran's eyes burn. She uses way too much tongue. Angel shoves her off.

The Shaman's eyes narrow. Now he's into it.

SHAMAN

That is human kissing? Disgusting. Again!

Before Angel can protest, Margaux tries to force another kiss on him. He stays her lips with his hand.

ANGEL

Okay, we can show him, but let's take it slow.

KIERAN

Maybe you and I could demonstrate—

MARGAUX

No! You and he have had plenty of opportunities to fraternize. Besides, if he truly is just meat to you, surely you won't be jealous when I do this...-

Margaux pulls Angel into a deep kiss. Slow, romantic.

ANGEL

Oh. That one was better.

Kieran grips his chair, his nails digging into the hardwood. He SNARLS and stands up, furious.

EPISODE 37:**INT. WOLFHAVEN MANOR, OFFICE - DAY (CONT'D)**

Kieran SNARLS and stands. But before he can say anything...

SHAMAN

I think I've seen enough.

Angel pulls back.

ANGEL

Great!

SHAMAN

I want to see this demonstration
between the Alphas.

ANGEL/KIERAN

What?!

The shaman glares, GROWLING.

MARGAUX

Come on, Kieran! Let's show the
moon priest what we've learned.

Margaux forces herself on top of Kieran, ripping at his clothes as she forcefully kisses him. Kieran apprehensively morphs into [HALF TRANSFORMATION] but gives in, tearing at Margaux's dress. She too turns into her [HALF TRANSFORMATION] as they begin engaging in rigorous sexual activity.

Meanwhile, Angel's jealousy grows and grows until...

SHAMAN

Alright! Very good!

INT. WOLFHAVEN MANOR, OFFICE - LATER

Margaux and Shaman depart. Angel stands in the doorway seeing them off. Margaux lingers around the corner, suspicious.

SHAMAN

I see promise in your work.

ANGEL

Thank you.

Angel shuts the door. Kieran ruffles Angel's hair.

KIERAN

Aw. Did that make you jealous, pet?

Angel grabs his wrist. A smirk creeps across his face.

ANGEL

Yep. I'm gonna make you pay for that.

Kieran looks worried.

KIERAN

No. One time was enough for today.
My bum is already quite sore.

Angel kisses him, biting his bottom lip and pulling it back, letting it FLICK back into place.

ANGEL

Come, boy! Let's hit the shower.

INT. WOLFHAVEN MANOR, UPPER CORRIDOR - DAY

Kieran scans the hallway and then takes Angel by the hand, leading him away.

Margaux lingers just around the corner. She pokes her head out to see. Eyes narrowing.

INT. WOLFHAVEN MANOR, BATHROOM - DAY

Angel steps into the steamy shower.

Kieran follows just behind, wrapping his arms around Angel from the back, kissing his neck. Angel MOANS. Kieran's hand moves down his back, sliding between as steam fills the room.

The door SLAMS open.

Margaux storms in.

MARGAUX

I knew it!

AD LOOP 6: EPISODE 38:**INT. WOLFHAVEN MANOR, BATHROOM - DAY**

Steam everywhere. Angel jumps as Margaux storms in.

ANGEL

Margaux?

MARGAUX

(utter contempt)

What is this? More "intimacy training"?

Angel forces an awkward laugh.

ANGEL

No. We were... conserving water? See, the other shower was in use, and—

Kieran covers Angel's mouth with his hand.

KIERAN

Enough. Margaux is no fool.

(to Margaux)

You have to understand. I tried to resist the pull as long as I could, but there is no arguing with the—

Angel covers his mouth.

MARGAUX

Enough lies! This human is not here to be your pet! He's here to help us free our tribes.

Kieran takes a breath.

KIERAN

The curse... Cannot be broken. I'm sorry.

Margaux's eyes glow, as if about to shift to full werewolf form, but then...transforms back and holds her tongue.

ANGEL

Margaux...

She storms out. Angel turns to Kieran.

ANGEL (CONT'D)

How could you just out us like that? You promised—

KIERAN
I thought she took it well.

EXT. WOLFHAVEN MANOR, COURTYARD - NIGHT

Margaux stands before a crowd of werewolves, sword held high.

MARGAUX
The usurper must die!

The werewolves cheer.

EPISODE 39:**EXT. LAKEWOOD TOWN SQUARE - DAY**

Curt stands before a massive crowd of towns people, holding up an image of Hanz in full-werewolf form.

CURT

I told you all. They're real! And
they ate my brother!

The townspeople light their torches, sharpen their pitchforks.

TOWNSPERSON #1

We must save the town!

TOWNSPERSON #2

Kill the beasts!

Townsperson two holds her pitchfork high, threatening.

INT. WOLFHAVEN MANOR, MEETING HALL - DAY

Angel and Kieran stand in chains before the assembled clans. Margaux stands apart. The Shaman looms.

SHAMAN

Human Angel and Alpha Kieran, you
stand accused of treachery of the
highest order.

Angel steps forward as much as his restraints allow.

ANGEL

You have to understand, we didn't
mean for this to happen. When I
came here, I had every intention of
helping you all break the curse.

He looks to Kieran.

ANGEL (CONT'D)

But it's true. We're in love.

WEREWOLF #1

The human admits it.

WEREWOLF #2

Kill him!

Kieran's eyes glow and he ROARS [HALF TRANSFORMATION].

KIERAN
ENOUGH! You will not dare touch
Angel! He is my fated mate!

SHAMAN
What?!

KIERAN
It is true. He and I have love
bonded. The Moon Goddess showers us
in her light. Angel... is my Luna.

Everyone (except Kieran and Angel) GASPS!

SHAMAN
That is impossible. Humans are not
capable of forming a love bond.

MARGAUX
Perhaps the human bewitched Alpha
Kieran into believing such folly.

SHAMAN
Then for the good of both clans,
Angel must be executed to free
Alpha Kieran of this delusion.

KIERAN
No!

Margaux smiles and her claws extend [HALF TRANSFORMATION].
She swings her arm back to strike. Kieran transforms [FULL
TRANSFORMATION] and his bindings snap. He leaps forward and
catches her wrist.

KIERAN (CONT'D)
STOP!

EPISODE 40:**INT. WOLFHAVEN MANOR, MEETING HALL - DAY**

Kieran SNARLS in Margaux's face. She transforms into [FULL TRANSFORMATION]

KIERAN
HE IS MINE!

He shoves Margaux back, grabbing Angel's arm, pulling him close.

KIERAN (CONT'D)
I will not let you harm my Luna!

SHAMAN
Be reasonable, Kieran. A human
cannot be your Luna!

Kieran ROARS. Other werewolves transform and surround Kieran.

ANGEL
Kieran, it's okay.

KIERAN
No!
(to the werewolves)
Get back!

Margaux grabs a sword off the wall.

MARGAUX
If you will not see reason, I think
it is time you choose a successor.

ANGEL
You're going to kill him?!

KIERAN
Clan Ashworth, to me!

Multiple clan Ashworth werewolves leap in to defend their Alpha [A MIX OF HALF AND FULL TRANSFORMATIONS].

MARGAUX
Listen to me, Clan Ashworth. Would
you go to war over some human?

KIERAN
He is no ordinary human.

MARGAUX

(to the clans)

Brothers of both clans, can you not see Alpha Kieran betrays you? He has chosen to doom us all. Stand with me, and I will not cut you down along with him.

She readies her blade. The Ashworth werewolves turn to face their attention on Kieran. He ROARS in response. They step back, but stay their ground. All of them, transforming fully.

KIERAN

Listen to me! I am your Alpha!

MARGAUX

Kill them both!

She and the other werewolves rush toward Kieran. Angel leaps in the way, wrapping his arms around Kieran in an embrace.

ANGEL

Kieran!

EPISODE 41:**INT. WOLFHAVEN MANOR, MEETING HALL - DAY (CONT'D)**

BOOM! An ethereal white light EXPLODES, devouring the room. Margaux flies back into an Akira slide, sword held high. Her head whips up to see what happened.

MARGAUX

Impossible!

SHAMAN

Can it be?

The bite mark on Angel's neck glows brightly for a moment and then fades.

MARGAUX

No! I refuse to believe it!

Angel's eyes flutter, and his head rolls back. Kieran catches him. Angel starts to come to.

ANGEL

Kieran?

Kieran smiles at Angel. They press their foreheads together.

Just then, a werewolf rockets into view, arm out, ready to strike at them. Kieran grabs him by the jaw and tosses him into another werewolf.

Kieran slings Angel over his back just in time for Margaux to rush in, CLANGING her sword on the ground as Kieran leaps out of the way of the strike.

Surrounded in a corner, Kieran grabs another sword off the wall and hands it to Angel.

KIERAN

Remember what I taught you?

Angel nods, taking the sword. Margaux and the other werewolves charge at Kieran and Angel. CLANG! Swipe! Dodge! CLANG! Angel blocks incoming strikes with his sword, while Kieran goes in for the kill, defending.

Bodies lay at their feet. Kieran spies an opening in the battle.

KIERAN (CONT'D)

Follow us, and it will be your end!

Margaux tries to intercept, swinging her sword.

THUNK! The shaman blocks it with his staff.

SHAMAN

Stop!

EXT. FOREST EDGE - DAY

A thick overcast sky blocks out the sun. Curt's monster-hunting mob (now accompanied by a military helicopter and a couple Humvees filled with army guys) comes to the edge of the forest overlooking the manor in the distance. Everyone pulls out their weapon of choice, as Curt readies his camera.

CURT

Let's burn this place to the ground.

The crowd CHEERS.

INT. WOLFHAVEN MANOR, MEETING HALL - DAY

Margaux glares at the Shaman.

MARGAUX

They have trapped us here forever!
Can't you see that!

SHAMAN

Perhaps that is the Moon Goddess's will?

MARGAUX

THEN FUCK THE MOON GODDESS!

She swats the shaman and he goes flying right into a pillar. He GROANS on the floor and then passes out.

MARGAUX (CONT'D)

For too long, we've listened to the "wisdom" of the shaman. From this day forward, the future of our kind belongs to clan Belle!

The remaining werewolves CHEER. Just then, A HORN SOUNDS!
Margaux looks up.

MARGAUX (CONT'D)

What now!?

EXT. WOLFHAVEN MANOR, PORCH - DAY

Margaux in human form (and a tattered dress) steps out onto the porch, a mob of angry townspeople standing before her.

CURT

You're all going to pay for killing
my brother!

MARGAUX

Ah, good. Fresh meat.

Her and an ARMY of werewolves turn [FULL TRANSFORMATION] and leap toward Curt's army.

Curt's eyes widen in fear.

EPISODE 42:**EXT. WOLFHAVEN MANOR, GROUNDS - DAY**

Kieran, in full wolf form, barrels across the grounds. Angel clings to his back, arms wrapped tight around his neck.

ANGEL

Where are we going?

KIERAN

To the edge of the property. If you are to survive, you must leave this place.

ANGEL

But where will you go?

Just then, Hanz, in full werewolf form, body checks Kieran from the side, sending both our leads tumbling into the grass. Kieran struggles to his feet, wipes golden blood from his snout, and sees Hanz dangling a passed-out Angel in one hand.

HANZ

ALPHA KIERAN!

KIERAN

Let him go.

HANZ

YOU TOOK MY WIFE AWAY FROM ME!

KIERAN

I assure you, it was nothing more than duty. I did not enjoy it.

HANZ

I will take your love away, like you took mine. But I will enjoy it.

KIERAN

If you harm him, I will kill you.

HANZ

I am already dead!

Hanz extends a clawed hand to Angel's throat. Kieran charges him as fast as he can.

KIERAN

ANGEL!

Lightning FLASHES.

EPISODE 43:**EXT. WOLFHAVEN MANOR, GROUNDS - DAY (CONT'D)**

Angel stirs, bites Hanz's hand. Hanz SNARLS and drops him.

HANZ

You bastard!

He swats Angel thirty feet down the path. Kieran dashes up in a flash and headbutts Hanz sending him flying, falling, CRASHING through a tree that obliterates on impact. Hanz slides to a halt, then ZOOMS toward Kieran so fast he's a blur.

Kieran blocks a strike with his arms. Then another. Then another. But Hanz is too quick. One strike makes it through, slicing at Kieran's throat, sending golden blood splattering across the camera lens.

ANGEL

Kieran!

Hanz unhinges his jaw and RIPS into Kieran's throat. Kieran SQUEALS in pain. SQUELCH! As Hanz tears out a huge chunk of furry flesh.

ANGEL (CONT'D)

(tearing up)

Stop! PLEASE!

One more bite and Kieran falls to the ground, limp, his body transforms back into humanoid form, dead. Angel rushes to him, crying.

ANGEL (CONT'D)

No! No! This can't be how it ends.

Hanz shifts back into his humanoid form as rain begins to pour.

HANZ

It is done.

He stalks away.

Angel hugs Kieran's body, cradling it in his arms, golden blood getting everywhere.

ANGEL

I don't want you to go! I've never met anyone like you. I... I LOVE YOU!

BOOM! A pulse of moon magic swirls around, and Kieran's wounds begin to heal.

ANGEL (CONT'D)

Kieran?!

EPISODE 44:

EXT. WOLFHAVEN MANOR, GROUNDS - DAY (CONT'D)

Kieran's eyes pop open.

ANGEL

Kieran!

KIERAN

I love you too.

Angel hugs him hard.

KIERAN (CONT'D)

Ow! I'm not quite right just yet!

ANGEL

I don't care. I'll never let you go.

Kieran hugs him back, before they both stand to their feet.

Kieran takes Angel to a hole in the fence. Angel tugs his arm to go with him but then a magical purple PULSE thrusts Kieran back.

ANGEL (CONT'D)

What's happening?

KIERAN

The curse. I cannot go with you.

ANGEL

What? I'm not going to leave you.

Kieran kisses him passionately.

KIERAN

You MUST go. Please. For me.

ANGEL

I just said two seconds ago that I wouldn't let you go!

KIERAN

We don't have time. I need to make sure you're safe.

BOOM! Kieran and Angel's eyes drift back toward the manor. A Molotov cocktail EXPLODES against the roof, setting it aflame.

ANGEL
What is that sound?

In the distance, an ANGRY MOB ROARS.

EXT. WOLFHAVEN MANOR, COURTYARD - DAY

EPIC clash between humans with makeshift weapons and [FULL TRANSFORMATION] wolves of both clans working together.

As the battle RAGES around, a fully transformed werewolf leaps onto a FARMER carrying a lit torch and tears into him. In his last moments, the farmer sets the werewolf's fur ablaze. He HOWLS in pain.

Elsewhere, two townspeople corner a werewolf in the heat of battle. He swipes at one, and they leap back. The other cuts him with a knife, golden blood spewing. The first guy cocks his shotgun. POW!

CLOSE ON: Lighting of a Molotov cocktail.

A townsman tosses a Molotov cocktail at the manor. Margaux swipes at it as it BURSTS into flame against the house. She leaps forward and gores the man who threw it.

In the back, several humans bring guns to the fight. BANG! BANG! Headshot, two wolves fall in succession.

MARGAUX
Enough of this! Every human must
die!

The mob ROAR with anger and charge at the werewolves. The werewolves transform and fight back.

EXT. WOLFHAVEN MANOR, GROUNDS - DAY

Angel peers across the field at the warring armies of humans and werewolves. Now, half are fallen from both sides.

SNAP ZOOM: on Curt in the crowd. Angel's eyes get wide.

ANGEL
(realizing)
My brother brought the other humans
here. I think they're going to war
on my behalf!

KIERAN
(desperate)
All the more reason for you to
leave this place!

Angel shakes his head.

ANGEL

No.

He takes off running.

KIERAN

Angel!

EPISODE 45:**EXT. WOLFHAVEN MANOR, COURTYARD - DAY**

Flames have overtaken the manor completely as humans and werewolves engage in battle.

A helicopter sprays bullets down on some werewolves. One goes down, the other dodges, leaps off a HUMVEE and rockets into the air, right through the window of the copter. It spirals and CRASHES! EXPLODING beside several werewolves and humans.

While she's distracted by the explosion, Curt steps forward, goring Margaux with a pitchfork.

CURT

That's for my brother, you bitch!

Margaux's eyes flash.

MARGAUX

You will all die here!

The werewolves charge. The humans raise their weapons.

ANGEL (O.S.)

STOP!

Angel and Kieran slide to a halt between them all.

ANGEL (CONT'D)

I'm fine!

(beat)

I was never in danger.

Curt freezes.

CURT

Angel?

Curt looks at Angel and Kieran's hands clasped tightly.

CURT (CONT'D)

It's worse than I thought! They
didn't kill my brother! They
converted him gay!

Just then Margaux whips Curt with the back of her arm and he goes flying.

ANGEL

Curt!

The army of humans ROAR in anger and fight with renewed vigor. Angel looks on horrified, but then it hits him.

ANGEL (V.O.)

A love bond between warring tribes...

Angel puts his arms around Kieran.

KIERAN

What are you doing?

ANGEL

Kiss me.

KIERAN

In a war zone?!

ANGEL

KISS ME!

Kieran pulls Angel into a kiss. BOOM! A hyper-styled effect, bright pulse of light showers the scene. Everyone turns to look. In a similar style to:

(<https://drive.google.com/file/d/1MLMXXXZ3meBraCc3YDF7Sft4ZJ6C3mDb/view?usp=sharing>)

EPISODE 46:

Angel and Kieran rise into the air, floating as their kiss radiates with light and magic.

WHAAAAA! A laser shoots out from between them and into the sky, parting the storm clouds and restoring the manor to pristine condition.

A hush falls over both sides as they look up. The Shaman looks up in awe. The purple dome barrier surrounding the manor reveals itself. It CRACKS and then SHATTERS, pieces raining down as twinkling sparkly magic.

SHAMAN

The curse... It's lifted!

The tension dissolves. Werewolves and humans lower their weapons. The dead humans and werewolves around begin to heal. Their eyes snap open.

Angel and Kieran slowly float to the ground, the sparkly magic of the barrier envelopes them and then FLASHES away, outfitting them in tuxedos (black for Angel, white for Kieran) as they touch ground.

Margaux steps toward them, lets her weapon CLATTER at her feet, and then bows, transforming back into [HUMAN FORM].

MARGAUX

Forgive me. How could I have been so blind? I had grown so desperate, so spiteful, that I could not see your love bond for the miracle it is.

Angel smiles, puts a hand on his shoulder. She looks up, tears in her eyes.

ANGEL

You're free now. You no longer have to pretend to like Kieran. Be with the one you truly love.

A figure emerges. Hanz. He approaches Margaux.

HANZ

My love.

MARGAUX

Hanz!

She pulls him into a kiss.

Curt rushes forward, grabbing Angel in a hug.

CURT

You're alive! And you're magic now?

ANGEL

I told you I could break the curse.

Angel grabs Curt's megaphone, speaking into it.

ANGEL

Townspeople. You have nothing to fear. The werewolves do not mean us any harm. Alpha Kieran is the love of my life. My fated mate. If I'm safe with him, so are you.

Kieran takes Angel's hand and smiles.

KIERAN

We've never liked human meat anyway.

The towns people look around at the celebrating werewolves and lower their guard.

Angel tugs Kieran over to Curt.

ANGEL

Kieran, this is my brother, Curt.
Curt, this is—

CURT

The werewolf alpha, your new boyfriend or husband or whatever. I got it.

Kieran extends a hand to shake.

KIERAN

Pleased to meet you.

Curt squints at them.. Will he accept this?

EPISODE 47:**EXT. WOLFHAVEN MANOR, COURTYARD - DAY (CONT'D)**

Curt shakes Kieran's hand.

CURT

Any lover of my brother is a friend
of mine.

Angel smiles.

EXT. WOLFHAVEN MANOR, ROSE GARDEN - DAY

OPEN ON: Kieran and Angel holding each other's hands, wedding bands on both.

Kieran and Angel stand across from each other in their new tuxes, the Shaman presides over them.

SHAMAN

Ladies and gentlemen, werewolves
and humans. We are gathered here
today to celebrate a love like no
other. A love that shattered a
centuries-old curse and united all
our clans.

The crowd of werewolves and townspeople look on, proud.

SHAMAN (CONT'D)

Today, we honor that union. Alpha
Kieran. You may kiss your Luna.

Kieran pulls Angel by the tie into a romantic kiss. The crowd cheers. Angel and Kieran separate.

ANGEL

So... Time to decide. My place or
yours?

INSERT: A shot of the manor, now beautiful and pristine.

ANGEL (CONT'D)

A nice new mansion sure would be an
upgrade from my cramped apartment.

KIERAN

Freedom isn't a place. Sometimes
it's a person. I would live in an
active volcano just to share a bed
with you.

They press their heads together, staring into each other's eyes, romantic.

ANGEL

On second thought. I think I've seen enough manors for the time being.

KIERAN

Oh, thank the Moon Goddess. Agreed.

Angel chuckles at that, slugging Kieran's arm playfully.

Curt walks up, tugging Angel's arm.

CURT

Okay... True love. Yadda yadda yadda. But something about this still doesn't make any sense to me.

ANGEL

What doesn't?

CURT

My research said only females can be Lunas.

ANGEL

Ah. That is a common misconception. A luna can be male. ...Right?

KIERAN

That's right. A luna is simply the person in the love bond who can be impregnated.

ANGEL

(laughs)
Funny joke!
(then nervous)
...You are joking. Right?

Kieran takes his hand.

KIERAN

(clearly lying, nervous)
...Of course.

INT. ANGEL'S APARTMENT, BATHROOM - MORNING

Sunlight pours in. Angel stares at a small object in his hand: A positive pregnancy test.

He's dumbfounded.

ANGEL

Oh shit. Kieran? KIERAN!

Bare-chested and half-asleep, Kieran pokes his head in. No words are needed. The look between them says they're scared and excited for whatever comes next.

THREE-WAY SPLIT SCREEN: Angel, Kieran, the positive pregnancy test.

THE END
