INT. DESERT ROCK MILITARY ACADEMY, HALL - DAY

In a military school uniform, TITLE CARD: MAX BYTE (Level 0, Power Unknown) GRUNTS as someone SHOVES him against the wall. His eyes bug out. On: his crotch as smoke curls up from it.

MAX (V.O.)

*That's me, Max Byte, doing my best
to survive superhero school.*

MAX

Oh, shit.

Max's crotch EXPLODES in flames. He YELPS. The culprit, TITLE CARD: JACQUES THOMPSON (Level 7, Pyromancer), and his cronies, including WINTER BANKS, point and laugh. Max's flaming pants drop to his ankles. He kicks them off.

JACQUES

What did I tell you, Zero? Stop
whacking off with Tabasco sauce!

MAX (V.O.)

*Everyone here has a system ability.
We're training to kill zombies and
the Death God system-user who
started it all...*

EXT. DESERT ROCK MILITARY ACADEMY - DAY

EPIC Bird's eye of academy, surrounded by Zombies, with glowing green blood oozing. [NOTE: All zombies should have the green blood to avoid marketing issues]

CLOSE ON: A gloved hand opens the door for them from the inside. The door CREEKS. A zombie's pushes the door open, and wave after wave quietly enter school grounds...

INT. DESERT ROCK MILITARY ACADEMY, HALL - DAY

ON MAX'S FACE, as he stands back up, surrounded by laughter.

MAX

The Death God system-user wiped out
half the world, but all you care
about is seeing dudes in their
underwear, huh?

JACQUES

Tell you what, I'll lay off when
you use your abilities. Go on.

MAX (V.O.)
*I was born with a power system, but
I've never been able to unlock it.*

A COMPUTER SCREEN, the "SYSTEM", hovers in the air before Max's face. It displays blinking text, "SYSTEM LOCKED".

JACQUES
(grins)
Still nothing, huh? Better luck
next time, loser.

Jacques SNAPS his fingers with a flicker of FLAME. FIRE BURSTS across Max's tee-shirt. Max YELPS. The bullies laugh.

JACQUES (CONT'D)
What do you think, Winter? I prefer
my Level Zeros more well done.

Jacques narrows his eyes, he rubs a flaming hand through his hair, which WHOOSHES into a swirl of ORANGE FLAME. He extends his palm, summons a FIREBALL. He smirks, about to let loose.

IRIS (O.S.)
Leave my boyfriend alone!

A vibrant TURQUOISE LASER-BEAM pierces the fireball, POOFING it out of existence. Jacques reels backward. TITLE CARD: IRIS HAWKE (Level 8, Photomancer) stands at the far side of the hall, eyes SHINING TURQUOISE.

JACQUES
Saved by a girl, how embarrassing.

IRIS
Not nearly as embarrassing as being
sliced in half by one.

MUSIC CUE: Romantic, Beautiful.

SLOW MO: Max & Iris exchange a quick glance. A smile.

MAX (V.O.)
*That's my girlfriend, the only nice
thing left in this world.*

Shot, Reverse Shot. It's true love. Iris turns back to the bullies, her eyes BUZZ with deadly TURQUOISE ENERGY.

JUST THEN: BANG! The gym doors fly open right behind Iris. SLOW-MO: An undead hand reaches through the dust and grabs Iris. Then a wall of ZOMBIES lurch forward, GROWLING.

MAX

Iris!

Max runs up, throws a FLYING KICK into the face of the zombie grabbing her. He braces his shoulder against the door.

MAX (CONT'D)

I got this, get out of here!

The horde PUSHES the door open, and Max and Iris CRY OUT as they hit ground. Max turns to his bullies in desperation.

MAX (CONT'D)

HELP!!! Do something!

They back away in fear. A zombie grabs Iris as she stands.

MAX (CONT'D)

GET OFF OF HER!

Max grabs Iris with both hands and pulls. Iris BEAMS the first zombie, but another BITES her shoulder. She SCREAMS.

MUSIC CUE: Opening Music of "DEAD OR ALIVE" SONG. (:00 - :12)

MAX (CONT'D)

IRIS... NOOO!!!

Max leaps into the mob in a rage, punching zombies one by one. His System Screen FLICKERS between "SYSTEM LOCKED" and "SYSTEM ONLINE". His eyes FLASH GREEN.

EPISODE 2

INT. DESERT ROCK MILITARY ACADEMY, HALL - DAY (CONT'D)

TITLE CARD: COMMANDANT GRAVES (Level 50 Shadowmancer) appears beside them. An AURA OF DARKNESS swirls around him; eyes pupils solid black. A BLADE OF SHADOW stabs Max's hand, forcing him to release his grip on Iris.

MAX

W-what?

Max looks at Graves in horror. Graves lifts his boot and-WHAM-spartan-kicks Iris into the mob. She SCREAMS as zombies pounce on her from every angle. Graves lifts his hand and throws a SHADOW WALL into the zombies/Iris, pushing them back through the doors.

MAX (CONT'D)

What are you doing?!

Max tries to go after Iris but Graves grabs him by the neck.

MAX (CONT'D)
NO! LET ME GO!

A STACK OF BLEACHERS, enveloped in shadows sails across the gym, BLOCKING the doors.

MAX (CONT'D)
YOU BASTARD! YOU'LL KILL HER!

He punches Graves in the face. Nothing. Graves wraps a shadow-chain around Max's waist and pins him to the ceiling.

GRAVES
Wrong. Your weakness got her
killed. I founded this school to
fight the Death God...

WW2 PROPAGANDA POSTERS: of the "DEATH GOD". [NOTE: Silhouette or mysterious photos inspired by Max's form]

GRAVES (CONT'D)
...Not build relationships. Now she's
zombie bait, thanks to you.

MAX
No, that's not true... I'll KILL you!

Max's eyes flicker green. Graves smirks.

GRAVES
Maybe then you wouldn't be such a
disappointment, son.

Dramatic Sound Cue. Max freezes, a single tear. Graves DROPS Max from the height. Right before he splats, a SERPENT OF WATER wraps around his waist, catching him in the air. TITLE CARD: CASSIE GRAY (Level 5 hydromancer) has her hand outstretched towards Max.

GRAVES (CONT'D)
Even your adopted sister Cassie has
far surpassed you.

The STUDENTS laugh at Max as he falls to the ground, wet, coughing. All except Cassie. She pulls him up to his feet.

CASSIE
What the hell, Max! Relax!

Max spots a TWISTED PIECE OF METAL, grabs it, sprints at Graves, leaps, and... Graves catches Max by the throat with one hand. Max drops the twisted metal...

GRAVES
To think I actually spawned someone
so pathetic. I should end you.

Max reaches for the OFFICER'S SABER on Graves's belt...

EPISODE 3

INT. DESERT ROCK MILITARY ACADEMY, GYM - DAY (CONT'D)

Just before Max seizes the hilt, Graves tosses him. THUD.

GRAVES
Useless. Just like your mother.
(to HERTZ)
Sergeant Hertz, it's time to leave.
I will ready the transport.

Graves strides off. TITLE CARD: SERGEANT HERTZ (Level 20 Storm Lord) grins at the crowd of students.

SERGEANT HERTZ
You heard the man, maggots! Class
field trip to Iron Mountain!

Max looks up from as Cassie approaches.

CASSIE
Did you really just try to stab
father? He's a level 50, you idiot!

TITLE CARD: PILFER PILFERSON (Level ?, Power ?). She helps
Max up from the ground.

PILFER
Take it easy! He just saw Iris get
ripped to—errr, nevermind!

MAX
I swear I'm going to save her.

SERGEANT HERTZ
(Walks up to Graves)
Commandant Graves, sir, do we
really need to share a hovercraft
with these Level Zeroes?

GRAVE
(smirks)
Then use them as bait, that's all
they're good for.

EXT. DESERT ROCK MILITARY ACADEMY, COURTYARD - DAY

Max, Pilfer, SOPHIE REYES, and a handful of other LEVEL 0's kneel in the dirt of the walled-in courtyard. Behind them, Nasty Nate has an assault rifle trained on them.

An endless horde of zombies THRASHES against a fence. Jacques and Winter sneer at Max as they march to a HOVER SHIP. Jacques drags a despairing Cassie. Graves joins Nasty Nate.

GRAVES

Ensure that they've been dispatched
before boarding the transport.

NASTY NATE

With pleasure, sir.

SOPHIE

Max, I'm scared!

Sophie hugs Max from behind crying.

MAX

Don't worry, Sophie, we'll find a
way out of here.

PILFER

I have an idea.

(to Nasty Nate)

Hey, Dickwad! You know they're
leaving you, too, right? After all,
you're only Level 2.

Nasty Nate squares up in front of her. He GRUNTS, powers activating—his skin turns red and veiny, muscles swell, his gear snaps, and he gains about six inches of height. He lifts Pilfer with one veiny, red hand. Her legs dangle in the air.

NASTY NATE

Next to you zeroes, I'm the fucking
god of death.

Nate cocks back his fist. Max springs up to his feet.

MAX

NO!

EPISODE 4**EXT. DESERT ROCK MILITARY ACADEMY, COURTYARD - DAY (CONT'D)**

Max throws his body into Nate. THUD! It's like body-slamming granite. Nate BARKS A LAUGH and KICKS Max across the dirt.

NASTY NATE

Too bad we don't have more time, I
could have some real fun with a
tight little package like you.

(she spits in his face)

I knew I liked you.

Nate smiles and drives his massive fist into her gut.

CUT TO: Max and Pilfer kneel side-by-side again, their faces
bruised, swollen, and bloody. Zombies press the fence. Nate
wipes blood off of Pilfer's lip, and licks it. Grins.

NASTY NATE (CONT'D)

They love the smell of blood.

(SCREAMING to the horde)

DINNER IS SERVED, FELLAS!

The fence COLLAPSES and zombies STAMPEDE into the yard,
charging towards the student-bait. Max, Pilfer, and Sophie
dodge zombies. Sophie makes a break for the hover ship.

MAX

RUN, SOPHIE!

Sophie makes a break for it when-BRRATATAT! Nasty Nate shoots
her in the back, LAUGHING as she falls dead. Max SCREAMS! Max
and Pilfer are caught between the Zombies and Nasty Nate.

NASTY NATE

C'MON, BEG! I WANT TO HEAR YOU BEG
FOR YOUR WORTHLESS LIVES!

Max THROWS himself against a zombie to buy Pilfer some time.
As Max and the zombie tussle, Max's eyes glow green again.

EPISODE 5

EXT. DESERT ROCK MILITARY ACADEMY, COURTYARD - DAY (CONT'D)

The zombie's head EXPLODES as a VEINY PURPLE FIST punches
through it. But it's not Nasty Nate, it's Pilfer! Max's eyes
go back to normal again. SYSTEM: "SYSTEM LOCKED."

Pilfer has broken free of her bindings. Her new purple
muscles rip her sleeves sexily. She PUNCHES aside a few more
Zombies. She grins sheepishly off Max's shock.

PILFER

Surprise! I'm not a Level 0! I have
a Power Theft system. System-users
hate that one, so I've been keeping
it a secret. I stole this power
from that guard.

PILFER rips through Max's bindings like she's tearing paper.

MAX
Pilfer... You're amazing!

PILFER
(blushes, in love)
Re-really?

A sweet moment. Then, WHIIIIIR overhead. The hovercraft is taking off, anti-grav engines WUB WUB WUBBING away. Max chases after it, waving. The hovercraft flies away.

MAX
Wait! Wait! We're still alive!

Then the SCHOOL DOORS BURST, a fresh flood of zombies. Nasty Nate ROARS as he FIRES into the horde. Max and Pilfer gets a couple good punches off, but there are too many zombies. Max leads them away from her.

MAX (CONT'D)
Hey! Over here! Fresh meat!

But it's no use. A group of zombies tackle Pilfer, and she disappears beneath the horde with a SCREAM.

MAX (CONT'D)
PILFER!

SLOW MO: As Max reaches out for her... a zombie jumps up on his back and BITES hard into his neck muscle. He SCREAMS. CLOSE ON BITE, Max in pain.

MAX (V.O.)
*NO... It can't end like this! Iris,
Sophie, Pilfer... I can't fail all of
them! I can't die like this!*

Blood runs down Max's chest. He pushes forward another step.

MAX (V.O.)
Not like this!

Another zombie CHOMPS into Max's side. Another his leg. They drag him down to the dirt. More pile on. Max's eyes GLOW GREEN as he struggles against the zombies. He ROARS.

The System Screen floods Max's view with messages: "WARNING! Critical Condition", "SYSTEM RESETTING," "WARNING! Death Imminent", and finally... Dead Silence. Max is still. Then...

SYSTEM: "NEW ABILITY UNLOCKED: Command Undead".

A couple zombies kneels a little too close to Max.

MAX
 Fuck off!

The Zombies look at each other in confusion, then back up and start humping the ground. Max looks on, bewildered.

MAX (CONT'D)
 Ew, STOP!

They immediately stop and turn to Max like obedient dogs.

MAX (CONT'D)

(sotto)

Holy shit, I can control zombies. I
am the God of Death.

Max turns. He sees Nasty Nate, bloody, bitten, and armorless, pants down. He climbs onto Pilfer's corpse, aroused. Nasty Nate jumps to his feet and aims his pistol at Max.

MAX (CONT'D)

What the fuck are you doing! STOP!

NASTY NATE

(cocks his pistol)

You weren't supposed to see that.

System lights up, "NEW MISSION: BREAKFAST TIME - "Eat Brains"

MAX (V.O.)

I'm not a murderer, and I'm
definitely not a cannibal!*

NASTY NATE

W-what the—?

SYSTEM: "REMINDER: Eat Brains 0/1". Max's stomach GURGLES through the hole in it.

Nasty Nate fires again. Max dashes up and knocks the pistol out of his hand. Max punches Nate in the gut, sending him flying. Nate crawls toward his weapon. Max kicks Nate flat on his back and pins him with a boot to his chest.

MAX (V.O.)

Do I really have to eat this!?

SYSTEM (V.O.)

WARNING. Your hunger meter is empty. If you do not consume brain in fifteen seconds, the God of Death system will shut down.

MAX

As in, I become a mindless zombie?!

SYSTEM (V.O.)

10, 9, 8...

MAX

(grimaces, then)

When in Rome...

Reluctantly, eyes closed, he chomps down.

EPISODE 8:

 to get their second levels!*

SYSTEM (V.O.)
*Your base stats, strength, speed,
 and stamina have all improved
 greatly. They will continue to
 improve until you reach Level 100.
 You have also acquired Guard
 Nate's strength ability.*

Max's muscles bulge. He flexes. A zombified Pilfer rises,
 turns to Max. Mindless. He doesn't notice.

MAX
*Eating the brain of a system
 ability user gives me their powers?
 (Pilfer leaps, bites Max)
 Ouch! Stop... STOP!*

With her teeth still in Max's neck. Her eyes turn from red to
 green. She lets go, KNEELS. Waiting for his command.

MAX (V.O.)
*So that's how it works. Once they
 bite me, I can control them?*

SYSTEM (V.O.)
*Being bitten, or biting a zombie
 will pass your infection to them.*

MAX
*Pilfer? Are you in there?
 (off Pilfer's GROAN)
 There's gotta be some way to bring
 her back.*

MAX'S POV: He scrolls his SYSTEM ABILITIES MENU. The final
 option is "LIFE RESTORE".

MAX (V.O.)
***Life restore?** SO I can turn her
 human again?!*

SYSTEM (V.O.)
*You won't have access to this
 ability until level 100. Don't be
 hasty. It can only be used once.*

MAX (V.O.)
*So I gotta reach 100 to save Iris...
 (scrolling through menu)
 But wait... What's this?*

SYSTEM: "USE ABILITY - Ego Restoration"

MAX

Ego Restoration? Restore the mind
of a zombie minion...? Let's do it!

SYSTEM (V.O.)

*You will not have access to this
ability until level 5.*

MAX

Oh, duh... And how do I level up?

MAX

Hey, hey, hey! It's not like that.
I just wanted to bring you back to
life. Well... not "life" per se...

PILFER

Whoa... Have you always been this
jacked? You look great.

Pilfer squeezes his bicep. He drops her with a THUD.

MAX

Okay. That's enough. In case you
haven't noticed, we're both
zombies, and my girlfriend is still
out there somewhere.

PILFER

I'm a zombie...?
(notices something)
Ummm... And what about those guys?
Are they our friends, too?

Max glances over. There's a huge horde of black-eyed zombies
lumbering towards them, GROANING and GROWLING.

EPISODE 10:

zombie. It's head snaps 180 degrees around. Max LAUGHS.

MAX (CONT'D)

Pilfer! I'm, like, hella strong!

Pilfer is holding back two zombies trying to eat her.

PILFER

That's great for you.
(one bites her)
AUGH! Let's see how you like it!

Pilfer jumps up on the zombie's back and BITES its neck. It
collapses to the ground. She LAUGHS, a little crazed. It gets
up, eyes now green.

MAX
 You're really, um, taking well to
 this whole zombie thing!

Max and Pilfer battle their way through the crowded yard.

PILFER
 Honestly, I've never felt better!
 (punches!)
 I'm stronger than ever—
 (bites!)
 Faster than ever—
 (headbutts!)
 I could go all night! But you know
 what the best part is?

Max and Pilfer charge the final zombie. It swings at Pilfer, she dodges. Max catches one arm, Pilfer the other.

MAX
 What?

They BITE the zombie at the same time. It GURGLES.

PILFER
 I get to be a zombie with you.

MAX
 (blushes)
 I'm happy to be a zombie with you,
 too. Hey, wait a sec—

The zombie they are biting looks up with green eyes. A number of the defeated zombies have green eyes. Max walks over the trampled fence into the WASTELAND. Pilfer follows.

PILFER
 Wait, where are you going?

MAX
 Looking for more of our classmates
 to ego restore.

PILFER
 Do we have to?

MAX
 Oh, c'mon. There were a few good
 ones. Like Sophie. And... Iris.

PILFER
 (pouting)
 I know you're sad about losing
 Iris, Max. But I am here for you.
 (MORE)

PILFER (CONT'D)

 (then)
 I'm sorry, Max.*

He shuts his eyes, tears roll down his cheeks.

MAX
 (whispers)
 I'm sorry I couldn't save you...

Pilfer approaches him carefully, hand extended.

PILFER
 It's not your fault, Max. You never
 stood a chance against Graves.

FLASHBACK TO GRAVES KILLING IRIS: Graves kicks Iris into the mob. She disappears with a SCREAM.

Max closes his fist around the Zombubu. A green aura VIBRATES off his skin. The wasteland CRACKS around him. Pilfer reels back. Max opens his eyes, beaming green, and SCREAMS. The sky darkens and green light shoots up through the CRACKING earth.

SYSTEM: "NEW MISSION UNLOCKED: GOD KILLER - Kill Rival God of Death" Max's scream and aura fades. Daylight returns.

MAX
I'm going to kill them all.

PILFER
Um, question... Iron Mountain is basically invincible. Missiles, shields, the works. Not to mention, it's, like, 500 miles away. How are we getting there?

Max pulls up his ABILITIES MENU and selects ZOMBUKAIJU.

MAX (V.O.)
Zombukaiju? That a giant zombie?

SYSTEM (V.O.)
Correct. The cost is 1,000 zombies.

MAX (V.O.)
Sacrifice one thousand zombies?!

Pilfer turns to see a vast horde approaching.

PILFER
Max... We got a problem...

MAX

fortress. The zombukaiju LUMBERS forward.

MAX (V.O.)
*Time to destroy my dad and every
asshole who made my life hell!*

ON THE WALL: Graves smiles. Hertz looks nervous.

SERGEANT HERTZ
Do you want me to give the signal?

GRAVES
Patience. We don't care about the
little fish. Just the whale.
(whispers)
Let's see if you're ready for me.

ATOP THE ZOMBUKAIJU: Max grits his teeth.

MAX
Why aren't they shooting at us?

ON THE WALL: Graves lifts his gloved hand.

GRAVES
Shield!

Circular SHIELD PROJECTORS flip out of the wall and HUM
electric white. They BLAST out a wall of energy. The energy
shield OBLITERATES the zombies on the front lines.

Max and Pilfer wince and recoil from the BLINDING LIGHT. Max
grabs Pilfer in his arms and leaps from the zombukaiju! They
land in a crouch eighty feet below, CRACKING the stone.

MAX

I'm happy to report these new
muscles aren't just for show.

PILFER

(thirsty, blushing)

And I'm happy to report I can still
get turned on as a zombie!

HOWLING missiles fill the sky. Max GASPS. The missiles
EXPLODE on the zombukaiju. Max shields Pilfer from the heat.
The zombukaiju GROANS as its giant body collapses.

MAX

No! My super sweet zombukaiju!
(looks around)
My army! Not them too!

Max's army is being simultaneously cooked by the shield and
FIRED upon by soldiers with pulse cannons and assault rifles.

MAX (CONT'D)

(psychic echo)

RETREAT!

The zombies turn and lurch away from the firepower. After a
few seconds, the shield fades. The charred remains of Max's
first wave smoke on the ground. Max stares in shock.

PILFER

Get down!

Pilfer dives on Max just as a searchlight beam sweeps across
the horde. After it passes, she sits up on top of him.

PILFER (CONT'D)

This just feels right, doesn't it?

Max lifts her off of him, distracted, and Pilfer scowls.

MAX

So that's the famous Level 50 Iron
Shield. I guess we'll need a
different way in.

(to Pilfer)

You're pretty charming. You could
probably get us in, right?

PILFER

(smiles)

You thinking what I'm thinking?

CUT TO: They unroll BANDAGES, wrapping their arms, legs,
head, tapping every scar, bite, sign of their being zombies.

Max and Pilfer run out in front of the fortress waving their arms. Bandages hide their scars and zombie-ness. From now on, they take on this more handsome, sexy, [BANDAGED FORM].

MAX
Help! Help! We survived!

PILFER
Please let us in! Get us away from
these terrible zombies!

EXT. IRON MOUNTAIN, RAMPART WALL - SAME

Hertz GRUNTS a laugh.

SERGEANT HERTZ

MAX (V.O.)
So? They let us die.

SYSTEM (V.O.)

Is that the god you want to be?*

Max notices several level zeroes, other weak classmates. He also notices Cassie standing in the mix. His green eyes fade.

MAX
We can't attack head on.

PILFER
What? Screw that!

MAX
Not yet, Pilfer. Trust me.

Pilfer scoffs but follows Max into the Gates.

PILFER
Back to school? I ain't ready for
this, Max.

MAX
No. Neither are THEY.

INT./EXT. IRON MOUNTAIN, ENTRANCE BAY - CONTINUOUS

Max and Pilfer are met by a wall of soldiers with pulse-cannons, Hertz, Graves, Jacques, and Cassie.

SERGEANT HERTZ
How the hell did you zeroes
survive?

Pilfer and Max exchange a smirk.

JACQUES
And what the hell was that giant
zombie doing out there?

TITLE CARD: DR. VISCERA (40's, cyborg), speculates aloud:

DR. VISCERA
Zombukaiju can only be summoned by
the The God of Death, the one
responsible for the outbreak.
(MORE)

DR. VISCERA (CONT'D)
Only he can infect and control
zombies, including zombukaiju.

FLASHBACK: Painting of the God of Death in school.

JACQUES
It's him. Max is the God of Death.

Beat.

Max freezes, cover blown. Then, everyone ERUPTS in laughter.

JACQUES (CONT'D)
BAHAHAHAHAHA the look in his eyes!
Control zombies? This loser can
barely tie his own shoes!

MAX
Hey! Bunny ears are tough.

Everyone laughs. Graves shadow-lifts Max off the ground.

GRAVES
Tell me how you are alive, or I
will snap your spine like a twig.

Max chokes and sputters, as dark energy squeezes his neck.

MAX (V.O.)
What about now? Can I fight now?

SYSTEM (V.O.)
*Any violence now will lead to the
death of the entire student body.*

As Max claws at the shadow around his neck, he meets the gaze
of a worried looking Cassie.

EPISODE 14:

INT./EXT. IRON MOUNTAIN, ENTRANCE BAY - EVENING (CONT'D)

Pilfer dashes behind Cassie and grabs her.

PILFER
Let him go, or else!

Pilfer briefly pulses purple as she shoves Cassie aside. She
extends her arm, throwing a HYDRO-EAGLE at Max. The water-
summon crashes into Graves and Max drops to the ground.

SERGEANT HERTZ
A power thief! Using that system
was illegal before the outbreak!

Everyone GASPS. Max gets an idea.

MAX

That's right! Pilfer's been hiding
it this whole time! That's how we
survived the wasteland!

Pilfer looks up at Max, who winks. Unspoken pact.

GRAVES

How pathetic. Of course you'd rely
on the parlor tricks of a thief.

JACQUES

Saved by a girl again!? You loser!

More laughter. But this time Max looks confident.

GRAVES

Allow them in, for now.
(to Hertz, who nods)
But keep a watchful eye on them.

INT. IRON MOUNTAIN, DORMS - NIGHT

Max and Pilfer grin as they walk into the facility, a
military-style dorm with rows of metal bunk beds.

PILFER

What's your deal? You finally get
O.P. and now you have stage fright?

MAX

We can't just destroy this place!
There are good kids here—

PILFER

Where? Anyone half-decent is
already dead! Everyone left sucks!

MAX

Not everyone sucks! Five bucks says
the next person to enter is nice.

Jacques, Winter, and a few others enter the dorm, grinning.
Max palm faces as Pilfer gives him an, "I told you so."

JACQUES

You didn't think we'd let a power
thief walk around here, did you?

WINTER

You know, the fact I can't touch
you just makes me want it more.

TITLE CARD: WINTER BANKS (Level 5 Cryomancer). Winter summons an ICE SPEAR and pokes Pilfer in the chest.

WINTER (CONT'D)
Don't worry. I'll use protection.

MAX
(SMASHES the spear)
Don't touch her.

Fire SWIRLS around Jacques's fists and scalp, and he summons a huge fireball above his head.

JACQUES
The dork is mine, Winter!

SYSTEM: "WARNING!" Max GROANS. Not this again.

EPISODE 15:

INT. IRON MOUNTAIN, DORMS - NIGHT (CONT'D)

CASSIE (O.S.)
WAIT!

Cassie shoulders in front of Jacques, the fireball unravels.

JACQUES
What the hell, Cass!

CASSIE
Relax, hotshot.
(to Pilfer)
Give me my powers back, and they'll back down.

PILFER
Yeah, right. C'mon, Max, enough with the fucking neutrality.

WINTER
That's right, make my day.

Winter summons JAGGED ICICLES up his arms.

PILFER
(whispers)
Are you serious?! Come on Max, show them who you really are!

MAX
(whispers)
If we fight these guys, we'll end up killing everyone in the school.

PILFER

Good!

MAX

I gave you back your mind, don't
make me regret that decision.

(off Pilfer's hurt)

Please, Pilfer!

Pilfer flashes purple, and the eagle loses its form beside her. Cassie lifts her hand and summons a hydrokinetic serpent around her forearm. Jacques and Winter trade a wicked smile.

JACQUES

Thanks for making our job even
easier, dumbasses.

Jacques and Winters summon fire and ice blasts. Max readies himself. A hydro-GORILLA leaps up behind them, slamming them to the ground. Cassie stands over them.

CASSIE

I gave them my word. Back down.

Jacques and Winter glare defiantly. SOUND CUE: BELL RINGS.

JACQUES

(grinning)

We'll see you in gym class.

Cassie releases the gorilla, the water rushes back towards her and into her palms. Jacques and Winter leave, scowling.

MAX

Thank you, Pilfer.

She grabs him and thrusts him into the wall.

PILFER

Don't you ever threaten to turn me
back, understand?

AD LOOP #3: EPISODE 16:

INT. IRON MOUNTAIN, GYMNASIUM - NIGHT

In RED JERSEYS and athletic gear, Max and Pilfer walk onto a volleyball court. The bleachers are sparsely filled. Graves and Hertz (in a ref uniform) stand in the front row.

MAX

Didn't Graves say the whole school
would be here? It's like we're
missing a hundred kids.

PILFER

So? They all want us dead, anyway.

Sure enough, the rest of the GREEN TEAM recoils away from them. All except for Cassie, who scolds her teammates.

CASSIE

Hey! Knock it off! You want to win, right? Then act like a team!

On the RED TEAM across the net, Jacques and Winter LAUGH. Graves walks out to the court, levitating a VOLLEYBALL.

GRAVES

We can't know when the God of Death will reappear. But when he does, you must be ready to strike.

Graves SHOOTS the ball off the far wall with blazing speed.

GRAVES (CONT'D)

In this game, all powers are legal. First to eleven wins. Yellow cards for injuries, red cards for deaths. Have fun.

CASSIE

(to Max and Pilfer, low)

Just let those of us with powers handle the ball. Graves is cutting rations for the losing team.

MAX

We got it, Cass.

MAX (V.O.)

Cutting rations? This fortress should be able to supply a group ten times this size...

Max gets into position in the front row, Pilfer to the back. Jacques squares up on the other side of the net from Max.

JACQUES

I'm gonna spike the ball so hard, it'll turn your face into a crater. Good thing it can't get any uglier.

MAX (V.O.)

Now that I'm the God of Death, his insults just seems so lame.

Jacques growls. Winter goes to serve.

WINTER

This one's for the little power
slut in the back!

He SERVES! As his fist hits the ball, ice BLASTS into the ball, and the frozen missile hurls across the court at Pilfer. She GASPS. Max grits his teeth, steps back to intercept...

EPISODE 17

INT. IRON MOUNTAIN, GYMNASIUM - NIGHT

Before Max can reveal his powers, a HYDROKINETIC BULL smashes into the meteor of ice, SHATTERING it and launching the ball across the net. Cassie concentrates.

MAX

Nice one, Cass!

Cassie blushes. Pilfer scowls, jealous.

JACQUES

I don't think so!

Jacques SPIKES the ball directly at Max with a PUFF of flames. SLO MO: Max sees the ball coming.

MAX (V.O.)

*Can't I play a game of volleyball
without ending the world?!*

SYSTEM (V.O.)

*You can do anything you want. But
there will be consequences.*

MAX

Great. Hate those!

Max ducks to the side, and the ball SMASHES into floor, leaving a SCORCH MARK.

SERGEANT HERTZ

One point for Team Red!

The Red Team CHEERS. The Green Team GRUMBLES and scowls.

JACQUES

(to Max)

Nice job ducking, sissy!

CASSIE

Ignore him, you're no match...

Cassie touches Max's arm in a friendly way, but hesitates as she realizes how huge his biceps are. Her eyes widen.

CASSIE (CONT'D)
Or...you could try to volley it-

MONTAGE: Sergeant Hertz blows a WHISTLE. Winter serves. Jacques spikes. Max dodges. Cassie's water gorilla volleys the ball. Winter volleys with an ice shield. Jacques spikes the ball. Max ducks again. Jacques scowls. WHISTLE.

SERGEANT HERTZ
Point, Red!

END MONTAGE: The ball volleys up on the Red Team's side of the net. Jacques leaps up with a BURST of flames, cocking his hand back, torrents of fire circle his fist.

JACQUES
Keep dodging me, huh? Let's see if
your little friend is that quick!

Max's eyes widen. Jacques BLASTS the ball at Pilfer. Flames engulf the volleyball. CLOSE ON: Pilfer's look of surprise.

MAX
(diving)
That'll kill her!

Max dashes with BLINDING SPEED. The FIREBALL explodes on him.

	CASSIE	PILFER
MAX!		MAX!

EPISODE 18

INT. IRON MOUNTAIN, GYMNASIUM - NIGHT (CONT'D)

The ball BOUNCES up from the fire. Max is fine. Jacques gapes. Pilfer smiles, then glares as Cassie high fives him.

CASSIE
Max! You're on fire!

MAX
I wouldn't say that. It was just
one set.

CASSIE
No, literally! ON. FIRE.

The bottom half of Max's shirt is very much on fire. He pats it out off-handedly. Max's charred shirt reveals a cut 8-pack. Everyone GASPS. Pilfer grins, blushing.

CASSIE (CONT'D)

Max, when did you get so cut?

WHISTLE. Green team rotates. Pilfer is now lined up with Winter. Winter smiles and licks his lips.

WINTER

Still want my powers, bitch? I wanna steal something from you, too. It starts with a "V"—

PILFER

Back off, creep.

Winter and Jacques laugh. Max steps towards them. Only the net between them.

MAX

If you want to mess with someone, mess with me.

JACQUES

You got lucky. The next one's gonna put another hole through your face.

MAX

Why are you always thinking about my holes, Jacques?

Pilfer and Cassie laugh. Jacques jabs his finger into Max's chest. Max's shirt smolders under his fingertip.

JACQUES

You know who I'm thinking about? Your dead girlfriend, and how you couldn't save her.

MAX

(glaring, muscles bulge)
Don't talk about Iris. Ever. Or I'll take that hand away from you.

Cassie walks up to the net, ball in hand.

CASSIE

Are you hens done squawking? 'Cause I'd love to serve this ball.

JACQUES

Whose side are you even on, Cass?

CASSIE

The green side, duh! Let's play!

Cassie drops back to serve. Jacques curls his lip at Max. Max's eyes glow green. Jacques clocks that and sweats. A water elephant SMACKS the ball. Red Team sets. SLOW MO: Jacques leaps up, shooting fire from his feet for height, flames swirling around his entire upper body, ready to spike the ball in Max's face. Max looks up at him, glare green.

MAX (V.O.)

*I can't just let him talk about
Iris like that. I can't let them
harass Pilfer... It's not right!*

SYSTEM (V.O.)

*I'm only here to guide you. But in
this case, you're in luck...*

Jacques spikes the ball at Max with all the fire-power.

SYSTEM (V.O.)

*You can play this game without
endangering your classmates.*

Max grins, eyes blazing green.

EPISODE 19

INT. IRON MOUNTAIN, GYMNASIUM - NIGHT (CONT'D)

Max shoots off the ground, fist cocked back to contest.

Jacques hits the ball, surrounding it in a fireball the size of a truck. The ball land's on Cassie's Water elephant.

MAX

Set me up Pilfer!

Pilfer nods, sets the ball perfectly. Jacques eyes widen as Max enters his field of view. Max jumps, SPIKES the ball.

BOOM! The ball BLOWS a smoking crater out of the wood floor and plants in the far wall, sizzling. The crowd GASPS. Graves's eyes narrow.

Jacques tumbles onto his butt as he lands. Max looms over him on the far side of the net, eyes glowing green.

JACQUES

H-how the hell did you do that?

MAX

Lucky shot, I guess.

Max is standing close to the net. His nose accidentally brushes against the netting. Hertz blows his WHISTLE.

HERTZ

Net violation! Point, game, and match goes to Team Red!

CASSIE

What? But it was between points!

Team Green GROANS and turns away. Max shrugs apologetically.

MAX

Sorry, guys! I didn't realize how close I was standing—

GREEN TEAMMATE

Shut up, Zero!

PILFER

Let's just get out of here.

Jacques catches Cassie by the arm. Max clocks this.

JACQUES

Don't worry, baby. I'll share some of my rations with you. If you give me a little sugar.

CASSIE

(yanks her arm away)

I don't know what I ever saw in you. You're disgusting.

JACQUES

What did you just say to me?!

(grabs her roughly)

I don't remember giving you permission to walk away!

Cassie SPLASHES water in his face. Jacques scowls and fire bursts from his scalp with a hiss of steam. Max glares.

SYSTEM (V.O.)

Warning! Taking action now could result in your own extreme harm.

Jacques reaches back his hand for a slap.

EPISODE 20:

INT. IRON MOUNTAIN, GYMNASIUM - NIGHT (CONT'D)

Max catches Jacques's wrist. Jacques's face flickers fear.

MAX
I warned you.

CRACK! He crushes Jacques's wrist. Jacques SCREAMS.

CASSIE
Max, enough!

Max rolls his eyes and drops Jacques, leaving him a sobbing mess on the floor.

The other bullies summon their powers and rush at Max who dodges easily. Winter shoots a series of rapid-fire ICE SPEARS, Max deflects them. One flips into the air above him. Out of the corner of his eye, he sees it spinning toward Cassie. She doesn't have time to avoid it.

MAX
Watch out!

Max dashes backward, punching the ice spear away from Cassie with one hand, catching her with the other in a romantic dip.

CASSIE'S POV: Flower petals blow past, and a romantic light glows behind Max as he looks down into Cassie's eyes.

CASSIE
(breathless)
...Whoa.

Winter summons another ice spear, aiming at the Cassie and Max, when suddenly-ZAP! There's a PURPLE flash and Winter's ice spear melts into water. His eyes roll back and he falls to the floor. Pilfer forms an ice ax above her head.

PILFER
Hope all those jokes were worth it,
snowflake!

She starts to swing the axe down, when-VOOOOOM! A blast of shadowmancy throws her back. Max whirls around just in time to be grabbed by a CLAW OF SHADOW and lifted off his feet.

GRAVES (O.S.)
Enough!

Graves levitates over in an aura of darkness and comes face to face with Max.

GRAVES (CONT'D)
How did you become so strong?

MAX
(smirks, flexing)
Dunno. Maybe I'm the God of Death.

Pilfer's eyes widen. Looks of shock from bullies and crowd.

AD LOOP #4: EPISODE 21

INT. IRON MOUNTAIN, GYMNASIUM - NIGHT (CONT'D)

Jacques look of shock turns into HOWLING LAUGHTER.

JACQUES
You? The Death God? BAHAAH—
(off his broken wrist)
Ow ow ow!

Graves furrows his brow at Max. Max pushes against the shadow, trembling with effort. He GROWLS.

MAX
I'm done letting you hurt the
students here!

GRAVES
Is that right? The god of death?

Graves tightens his grip. Dr. Viscera walks up to Graves.

DR. VISCERA
I'd be happy to run a few tests.

Dr. Viscera's robotic hand morphs into a series of wicked surgical devices—syringe, scalpel, saw. Graves flicks his wrist, the shadowmancy around Max EXPLODES and throws him back around the gym. Max tumbles but lands in a crouch.

GRAVES
(gestures to Jacques)
In due time. First, attend to this
waste of a system—
(then to Pilfer)
And you! Power Thief! Return Cadet
Bank's powers. Now.

Pilfer punches Winter in the shoulder with a PURPLE flash. Winter summons an ice-blade and looms over Pilfer.

WINTER
I won't forget that, jail-bait.

Max grabs the ice-blade and shatters it. Winter flinches.

MAX

This is the part where you leave.

Winter slinks off with a scowl. Pilfer smiles at Max.

PILFER

You're the best, you know that?

MAX

(blushing)

It was nothing.

CASSIE

Hey, meat-head! How did you get so strong? Don't tell me... Did you finally unlock your system!? Are you really... the God of Death?!

MAX

Maybe. Or...

(flexing)

Maybe I've just been working out.

CASSIE

Ha. Ha.

(feels his bicep, gulps)

You were never this strong when we were kids—

SNAP ZOOM: on Pilfer. Her nose bleeds and there's fire in her eyes. Very anime moment. She steps between them, getting in Cassie's face.

PILFER

Um, excuse me, but Max was in the middle of saving me, not you! So why don't you run along to that walking gonorrhea infection you call a boyfriend—

CASSIE

He's not my boyfriend, and what's your problem? Max and I grew up together. Jealous much, skank?

Max jumps between them, arms holding them back.

MAX

Ladies, ladies, there's enough of me to go around!

CASSIE

Who said I even wanted any!?

Cassie SPLASHES a water squid into Max's face leaves in a huff. Dripping, Max turns to Pilfer.

Pilfer tosses her sweaty jersey in Max's face and stomps off. Max pulls her jersey off his face.

A DISTANT SCREAM rings in Max's ears. He whips around.

INT. IRON MOUNTAIN, HALLWAY - NIGHT

Fluorescent lights BUZZ and flicker as Dr. Viscera grabs Jacques around the chest and stabs a syringe into his neck.

JACQUES
Why, what are you doing?!

DR. VISCERA
We're not going to the med bay.
(evil smile)
We're going to the lab.

Jacques BLACKS OUT.

INT. IRON MOUNTAIN, SECRET LAB - DAY

Jacque wakes up. His left eye glows, robotically enhanced. He looks at his hand. It's now black metal glowing with electronic veins. Jacques is horrified.

JACQUES
What did you do to me?

GRAVES
(steps out of the shadows)
We gave you an upgrade.

Jacques jumps to his feet, fire swirling around his hands.

GRAVES (CONT'D)
You should be happy...
(nods behind Jacques)
...There are much worse fates.

Jacques turns and GASPS. CLOSE ON: ZOMBIFIED IRIS in a cage!

EPISODE 22

INT. IRON MOUNTAIN, HALL - NIGHT

The SHADOWY FIGURE leaps out at Max, he grabs it by the lapel mid air and cocks back his fist—it's Pilfer!

MAX / PILFER
Whoa! / Max!

Max lets her go. She flashes PURPLE, but doesn't touch Max.

MAX

Were you going to steal my powers?

PILFER

(awkward laugh, bad liar)

Ugh... NO. But what are you doing?

MAX

I heard a scream. And have this bad feeling in my stomach.

PILFER

(stomach growls)

Maybe you're hungry? I smelled brains coming down this staircase.

They look down the darkened staircase. Max inhales. OMINOUS MUSIC as they stare into the darkness.

INT. IRON MOUNTAIN, LABORATORY LANDING - NIGHT

Max and Pilfer arrive at a locked steel door with a keypad.

MAX

That smell is even stronger now.
And there's something else...
(sniffs)
Like motor oil and madness.

A METALLIC CLINK above them gets their attention. A pair of eyes glow red in the darkness.

Dr. Viscera DROPS like a robotic spider onto Max, stabbing a BLADE-ARM through his chest. Max GASPS. Dr. Viscera lifts Max on the skewer, leering.

DR. VISCERA

Did I catch two students snooping around? Naughty, naughty.

Max's shock turns into a smirk. He grabs Viscera's robotic arm and rips it out of his shoulder, dropping lightly to the ground. Viscera staggers back.

DR. VISCERA (CONT'D)

Impossible! No biological human could withstand this much damage!

MAX

(pulls out the blade)
I'm no human.

He palm-strikes Viscera into the ground, caving in his robotic chest. Viscera groans in shock, lying in a pile of his own robotic wreckage. Max pries open his chest piece and sees some skin. Pilfer licks her lips.

DR. VISCERA
W-what are you-?

PILFER
Ooooooh may I?

MAX
Sorry, Pilf, I have a plan.

Max BITES into Viscera's clavicle. With a strangled robotic CRY, the red eyes go dark... Then glow back to life GREEN.

Max lifts Viscera's zombie head up to the keypad eye-scanner.

MAX (CONT'D)
If you would be so kind, doc.

INT. IRON MOUNTAIN, SECRET LABORATORY - NIGHT

Max and Pilfer enter a dimly lit lab.

MAX
Something smells familiar... It
smells like... IRIS!

FLASHBACK: Iris defending Max in the hall.

They turn the corner to see Iris's cage and GASP.

EPISODE 23:

INT. IRON MOUNTAIN, SECRET LABORATORY - NIGHT (CONT'D)

The cage is empty. Pan to reveal: a room full of CADAVERS on steel gurneys. Pilfer joins Max. They peer under the first sheet. It's one of his classmates.

PILFER
But... she wasn't even a low level...

MAX
No. She was just a kind person.
Graves didn't like that...

INSERT FLASHBACK: Graves kicks Iris into the zombie horde.

BACK TO PRESENT: Max grits his teeth as a tear rolls down.

MAX (V.O.)
*I couldn't protect Iris from him. I
couldn't protect any of them.*

As Max CRIES, he grips the metal gurney so hard it warps the metal. Suddenly, his eyes shoot open, BLAZING green.

MAX (V.O.)
But maybe I can do something else.

Max takes the DEAD STUDENT wrist and gently bites it. A moment later, the student's eyes open, glowing green. She GRUNTS and reaches out to Max, as if thanking him. Max turns his attention to the rest of the room.

INT. IRON MOUNTAIN, SECRET LABORATORY - NIGHT

Max and Pilfer now stand before a room full of their zombie classmates, bowing, waiting obediently for Max's command.

SYSTEM: "HORDE EXPANDED: LEVEL UP! LEVEL 18"

The steel door SHOOTs open and Jacques, Winter, and three other BULLIES charge in.

JACQUES
I told you they'd be hiding in
here—Yo! What the fuck?

The bullies halt, seeing the crowd of zombies.

WINTER
I knew something was fucked up with
these freaks. They're zombies!

PILFER
We prefer the term 'unalive'.

JACQUES
Time to test out my new gear.

WINTER
Let me take her, bro. I've been
dying to ice this little bitch!

Winter BLASTS ice at Pilfer, freezing her to the ground.

PILFER
Hey! No fair!

Max turns from Pilfer and glares at Winter. He's gonna blow.

WINTER
First I'll kill you, then I'll plow
your little bitch into submission.

Winter grabs Max by the arms. Jagged ice crystal cover his
arms up to the shoulder and frost covers his neck and chest.

WINTER (CONT'D)
Your core temperature is dropping
to negative 100 degrees! Nothing
survives that!!

MAX
Too bad for you. I'm already dead.

Max flexes, SHATTERING the ice with his bulging muscles. He
grins. The bullies all GASP in fear.

JACQUES
Winter! NO!

Winter's eyes roll back and he falls to the ground, dead.

JACQUES (CONT'D)
You- you killed my best friend! You
fucking zombie!!

Max swallows something, and BURPS, wipes blood off his smile.

MAX
I'm not just a zombie, Jacques.

Max summons a blade of ice in his hands. SYSTEM: "Base
Cryomancy Aquired"

MAX (CONT'D)
I'm a Zombie God.

Jacques eyes get wide. Max might be telling the truth.

INSERT: Sergeant Hurtz, in his office, watches a video feed of Max, dropping Winter's corpse. He SLAMS a red button.

Lights FLASH, sirens WAIL. The bullies run for it. Jacques charges up a fire blast.

MAX (CONT'D)

Do you remember all those times you
bullied me? All those beatings? All
the insults about my dead mom, my
girlfriend, anyone I loved? I DO!

Max steps towards the door, ice katana in hand. Jacques BLASTS the control panel instead of Max, sealing the room. The intercom CRACKLES to life.

FLASHBACK: Max embracing Cassie in the gym. BACK TO SCENE:

PILFER

(crosses arms, looks off)
You've just been so distracted--

He BLASTS the steel lab door with ice, then PUNCHES it off.

MAX
I'm moving up my plans.

INT. IRON MOUNTAIN, HALL - NIGHT

Down the hall, steel doors SLAM SHUT one after
another—blocking the hallway—as red lights spin and alarms

SOLDIER #1
Defend the Sergeant at all cost!

...bang! Bang! Eyes go wide as the sound moves closer. BANG! A
ring of frost blasts through the door frame, and Max PUNCHES
the final door off. They fire at him. He tanks every hit.

MAX
Is that all?

A soldier grows BLADE-HANDS, rushes forward, and impales Max.
Max grabs the soldier's arms and holds him still. The soldier
GASPS in shock.

Pilfer grabs the soldier, they FLASH PURPLE. Max drops him

PILFER
Finally!

Max and Pilfer fights them hand to hand, fists and blades.
 ZOOM OUT: Together they finish off every soldier.

SERGEANT HERTZ (V.O.)
Pilfer and Max. My office. Now.

 Oh no! Am I in trouble?

Pilfer laughs. More soldiers flood in from every side, surrounding them except for the door to Hertz's office.

INT. IRON MOUNTAIN, HERTZ'S OFFICE - NIGHT

They enter cautiously.

MAX
 You called?

Max blasts ice at the the chair, it spins, empty.

SERGEANT HERTZ (O.S.)

SERGEANT HERTZ
 Pilfer! Your minion's loyal, I'll give you that.

MAX (V.O.)
Minion?!

SERGEANT HERTZ
Easy. We don't have to fight. That
blast was just meant as a test.

PILFER
Test for what!?

SERGEANT HERTZ
To take down Graves.

	PILFER	MAX
Graves?		Graves?

SERGEANT HERTZ
He's the one that let that first

Max CRACKS his own head back into place.

MAX
Bingo. And father, he's the one
who let those zombies in?

He and Pilfer circle Sergeant Hertz, preparing to strike.

SERGEANT HERTZ
Yes! We don't have to be enemies.
Join me! Together we can take down
Graves. We can, Max. You and me!

Hertz offers his hand to shake. Max reaches out to Hertz...

FLASHBACK: Sergeant Hertz marches Max, Pilfer, Sophie and the
other Level Zeroes into the Desert Rock courtyard to die.

MAX
"We"? There is no "We." You were
going to let us die!

SERGEANT HERTZ
Have it your way!

Hertz's eyes glow with white-blue energy as lightning CRACKLE across his body. His hand, previously extended for a handshake, balls up into a lightning-charged uppercut!

Max throws a haymaker into Hertz's punch, fist meets fist-BOOM! A shock wave shatters the windows.

AD LOOP #6: EPISODE 27:

INT. IRON MOUNTAIN, HERTZ'S OFFICE - NIGHT (CONT'D)

Max and Hertz fly back. Max lands nimbly on his feet, Hertz levitates. Pilfer is thrown hard into the far wall.

Hertz charges up, ROARING as he fires a bolt of lightning across the room. Max dodge-rolls to his right. The lightning BLOWS a crater in the concrete wall.

Max skids to a stop at a fallen desk chair, and hurls it like a missile at Hertz, who blasts it away harmlessly before charging up another bolt.

HERTZ

You've made a huge mistake!
(he FIRES, Max dodges)
I'm a level 20!

Max whips an ice katana at Hertz's head. Hertz narrowly dodges, and it SHATTERS on concrete. BOOM! Lightning ERUPTS from Hertz's body. The blast stops Max like a wall, knocking him back. Pilfer catches a stray bolt and crumples against a wall. Hertz looms over Max.

HERTZ (CONT'D)

You're still just a child.

Hertz BLASTS lightning down in him. Max SCREAMS in pain.

INSERT FLASHBACK: Iris is swarmed by zombies in Desert Rock. Close up of Hertz, grinning.

BACK TO PRESENT: Hertz pauses his lightning. He's making the exact same expression. Max's entire body is smoking. He pushes up to his hands and knees with great effort.

MAX

You think this is all I can do? I'm
a Death God. And you're a dead
battery.

Hertz charges his lightning, when the entire building RUMBLES. He releases his lightning, looking around in shock.

HERTZ

What?!

The concrete floor beneath them CRACKS and ERUPTS with HOWLING zombies. They sink their claws and teeth into every limb; Hertz SCREAMS. They drag him down into the floor up to his waist. Hertz looks at Max, eyes pleading for mercy.

HERTZ (CONT'D)

Wait, please—! I can help you!

The zombies hold Hertz's head back for Max to feed.

Max PLUNGES his hand into Hertz's chest. Hertz GASPS. Hertz's eyes roll back as green energy pulses into Max. Max retracts his hand. Hertz flops into the pile of zombies.

MAX

Bon appétit.

His horde piles onto Hertz. TITLE ANIMATION: "LEVEL UP!"

SYSTEM (V.O.)

System power unlocked. RISE FROM THE GRAVE. You can now reconstitute old foes to join your horde.

MAX

Didn't Herz say he wanted to help?

Max palms earth. With a smaller RUMBLE, the concrete CRACKS, and a green-eyed ZOMBIE HERTZ claws his way to the surface, and kneels before Max.

PILFER

You can bring back our foes!? But, please don't do that ego restore thingy on him.

SYSTEM (V.O.)

I would also advise against that.

MAX

Hertz had way too much ego while he was alive. Besides, Zombie-Hertz is chill. Right, man?

Zombie-Hertz grins, gives him a thumbs up, GRUNTS affirming.

PILFER

Can I still take his power?

Max is distracted by a zombie girl kneeling in front of him.

MAX

Wait a sec, is that Sophie?

INSERT FLASHBACK: In Desert Rock, Sophie is GUNNED DOWN by Nasty Nate, and the zombies pounce on her.

Max lifts the her chin. It's Sophie! But her eyes glow green.

MAX (CONT'D)

It is her! She was actually nice.
One "ego restore" coming up!

Max kisses zombie-Sophie's on the lips. They both glow with a green aura—then Sophie's aura turns peach-yellow. Sophie grabs the back of Max's head and deepens the kiss.

EPISODE 28:

SOPHIE

Max...? What's going on?

Sophie looks down at her green hands and GASPS in horror.

MAX

Listen, there's no easy way to say this: you're a zombie. But it's not that bad! I gave you your mind back. You're basically immortal.

SOPHIE

(looks up at him)
You... saved me?

ANIME SFX: Pink waves, hearts, and sparkles fill the background, and Sophie's eyes turn into big pink hearts. She leaps at him and throws her arms around his neck.

SOPHIE (CONT'D)

I always knew you loved me!

Pilfer fumes with jealousy.

INT. IRON MOUNTAIN, HERTZ'S OFFICE - NIGHT (CONT'D)

Max is caught totally off-guard. Sophie tries to kiss him again, but her lips land on his cheek. He blushes.

MAX

I think you have the wrong idea, sorry! I just did that kiss-thingy to bring you back! It was the same with Pilfer. Right, Pilf?

ANIME MOMENT: Pilfer seethes, fists balled up, teeth gritted in a jagged line.

PILFER
(furiously)
GET. AWAY. FROM. HIM. NOW!

Max pries Sophie off his neck and sets her on the ground. Max CHUCKLES nervously.

MAX
Sorry Soph.

MAX (V.O.)
Why does this always happen to me?

SYSTEM (V.O.)
*By restoring her ego, you're like
prometheus giving fire to man.
Different individuals will react
differently, but young women, about
your age... Good luck, Romeo.*

SOPHIE
(pinches his cheek)
Playing hard to get huh? Good thing
I'm no quitter! I'm going to keep
working, until you... COME around.

PILFER
Get in line.

MAX
Anyway, now what? We've got the
zombies inside, right? Now we can
take over the facility?

SOPHIE
Maybe a quick snack first?

Sophie holds up one of Hertz's feet, still in its boot.
Pilfer licks her lips.

CASSIE (O.S.)
What the fuck? You're a zombie...

Cassie gawks at them in horror from the doorway.

MAX
Wait, Cass! Don't look!

EPISODE 29:

INT. IRON MOUNTAIN, HERTZ'S OFFICE - NIGHT (CONT'D)

Max looks around, surrounded by his female harem.

CASSIE

Oh my god, it's true...! You're a
fucking zombie! You-You all are!

MAX

I can explain—

Cassie's eyes glow, she summons a hydro-bison which STAMPEDES ahead, tossing a bookshelf and table over before SLAMMING into Max. Max grabs its head as it drives him back and SQUEEZES. With a SPLASH, his arms bulge, and rip the Bison in half, its form collapsing. Max looks up, Cassie is gone.

MAX (CONT'D)

Cassie? Cassie!

PILFER

(growling)

I'll take care of her.

Pilfer dashes towards the door, claws extended. Max catches her wrist.

MAX

What are you doing? She's on our side!

PILFER

She's going to tell Graves! It's
time we put that bitch down!

MAX

But—

PILFER

Please just listen to me for once!

MAX

NO! She's my adopted sister. She's
one of the good ones. My dad is
evil and Zombies ate my mother.
Cassie is all I have left.

PILFER

(freezes, turns, wounded)

All you have left...What about me?

Max is caught off-guard.

MAX

Of course you're important to me,
too. But it's different. You're my
good friend, Pilf. Maybe my best
friend. But Cassie? I...

(trying not to hurt her)

It's just different.

Pilfer gulps down her sadness, nods, and hugs him.

PILFER

I get it. I know what love looks
like. It's how I feel about you.

Her arms light up with PURPLE energy.

PILFER (CONT'D)

(whispers)

That's why I can't let her do
anything to hurt you!

ZAP! There's an impact frame and shockwave when Pilfer steals
Max's powers. He blinks in shock, his jaw goes slack and then
he collapses to his knees.

MAX

Pilfer, What-WHAT DID YOU DO!?

AD LOOP #7: EPISODE 30:

INT. IRON MOUNTAIN, HERTZ'S OFFICE - NIGHT (CONT'D)

The zombies eyes turn from green to violet.

PILFER

Hold him down. Both of them.

Max struggles to his feet but a dozen purple-eyed zombies are
on in him an instant. A few others surround Sophie.

MAX

How could you?!

PILFER

I'm sorry, Max. You just don't have
the guts for this, but I do.

(single tear drips down)

Then you'll see me...

Pilfer rushes off. Max strains against the horde.

MAX

Pilfer! Come back! PILFER! PLEASE!

Zombie-Hertz, eyes now glowing purple, steps in front of him, fist CHARGING with electricity.

MAX (CONT'D)

Oh shit.

He gives an apologetic shrug and PUNCHES Max in the face.

INT. IRON MOUNTAIN, HALLWAY - NIGHT

Students run around a corner, SCREAMING from a horde of zombies. Pilfer struts after, toward us, center stage. Hertz levitates behind, blasting lightning in every direction.

Pilfer grabs a student that is trying to flee and sinks her claws into his chest. He GURGLES. Purple energy flows back into her as she steals his power.

PILFER

I'll be taking that, thank you.

Pilfer's purple aura grows larger and larger, her eyes burn with purple flames. She drops the student, dead. As she turns down the hall, BLACK seeps into her purple aura.

PILFER (CONT'D)

Get them all!

Zombies chase after terrified students. Pilfers eyes burn black and purple. She smiles to herself.

PILFER (CONT'D)

The GODDESS of death demands sacrifice!

INT. IRON MOUNTAIN, HERTZ'S OFFICE - NIGHT

Max thrashes against the pile of zombies on top of him.
SYSTEM: "ERROR! ERROR!"

MAX (V.O.)

*It's no use! She really did take
all my powers! All I have is my
stat improvements...*

Sophie is fending off the others with a metal chair.

SOPHIE

Max, I could really use your help
up here!

A zombie drives Sophie back against the wall. She braces a chair under a its chin and SCREAMS. Max narrows his eyes.

MAX
I'M COMING, SOPH!

BOOM! As a shockwave sends the pile of zombies flying in all directions. Max stands in the center.

MAX (CONT'D)
Sophie! Are you—?

Suddenly, the metal chair—with the zombie lodged on the front of it—SHOOTS across the room and SMASH into the far wall. Angle on Sophie, hands out, a look of total shock.

SOPHIE
Did I just... Am I...?

The metal chair levitates over the half-crushed zombie and bludgeons it over the head.

SOPHIE (CONT'D)
I'm a FERROMANCER! Holy shit, being a zombie unlocked my power!

MAX
Nice. Same.

SOPHIE
Oh em gee, we've so much in common!

She goes to kiss him but Max stops her with a hand pressed against her face.

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - DAY

Cassie surfs into an open rooftop on a hydro-dolphin. She looks up at the tower rising before her and sees Graves looking down at her from the observation deck. He throws his cape behind him as he walks inside.

Someone steps out of the shadows and catches her arm. Cassie GASPS. It's Jacques. He forces a kiss on her. She shoves him.

CASSIE
Get off of me! We have to go warn Graves. Max is the God of Death!

JACQUES
Oh shit!
(then, excited)
That's perfect!

He IGNITES a blue flame-blade from his robot-arm.

JACQUES (CONT'D)
That's gonna make it even more
glorious when I cut him down.

BOOM! They are interrupted by the twisted metal door flying past like a missile. They look to the door, eyes widen. Offscreen, Pilfer laughs maniacally.

EPISODE 31:

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - DAY

Pilfer stands in the open doorway, surrounded by a black-and-purple aura. Purple-eyed zombies line up behind her.

PILFER
If it isn't the little snitch and
her sniveling bitch boyfriend. I
wonder what you guys taste like.

JACQUES
How'd you like a sample?

Jacques ignites an orange flame-blade in his human hand. Cassie summons a hydro-tiger. Pilfer laughs, demonic echo. Her horde charges forward! Jacques flies into them, slicing through them easily with his flame-blades. But the zombies just keep coming. Pilfer faces off against Cassie one on one.

CASSIE
I don't want to fight you!

PILFER
(demonic echo)
WELL, I DO!

Cassie sends her hydro-tiger at Hertz he tries to blast it, but it tackles him, tearing into his chest with it's teeth and then throws him off the side of the building.

Cassie turns to Pilfer. Pilfer grows huge claws, and jagged ice armor form from her hands to her shoulders. Cassie sends the tiger. Pilfer smashes through it easily—but the water reconstitutes as an anaconda, wrapping around her.

PILFER (CONT'D)
Two can play at this game!

A zombie CRACKS out of the stone platform behind Cassie, grabbing her. Her anaconda splashes harmlessly into a puddle.

CASSIE
Help! Jacques!

But Jacques is surrounded on all sides. He finds an opening.

JACQUES

Time to jet. You were a pretty good girlfriend. I'll remember that!

He bursts off into the sky, using his own flames as jet propulsion, leaving Cassie to die alone. Pilfer strides up to Cassie, aura of darkness pulsing chaotically around her.

CASSIE

Pilfer, this isn't you!

PILFER

Don't worry. You'll be back soon enough. As my pawn!

She opens her jaw... Rack focus to Max running up, screaming:

MAX

STOP!

Pilfer sees Max and freaks. She shakes her head, glittering purple tears fly upward into the rush of her dark aura.

PILFER

STAY OUT OF THIS! SHE'S IN THE WAY OF OUR REVENGE!

MAX

Pilfer, the God of Death system it's poisoning you! This isn't who you are! You're not a monster!

Dark energy swirls around Pilfer and Cassie. Pilfer cries.

PILFER

I-I'm sorry. This is who I am now.

She bites down on the side of Cassie's neck. Cassie SCREAMS. Max lunges with blinding speed, knocking Pilfer away from Cassie. He catches Cassie as she falls. She's breathing heavy, bloody, fading quickly. He lays her down.

PILFER (CONT'D)

(echoed demonic roar)

I'M THE GOD YOU WERE MEANT TO BE!

Zombies rush at him. He BARRELS through them, scattering them with brute force. He's too fast, Pilfer can't react. He catches her by both shoulders and SLAMS her down.

MAX

Give me back my powers! Now! The
Death God System is too powerful!

Darkness swirls around them. Pilfer's eyes burn.

PILFER

NO! IT'S YOU WHO COULDN'T HANDLE
THIS POWER!

MAX

Please, Pilfer! I don't want to
lose you, too! I--I love you!

PILFER

(stops)
...What?

EPISODE 32:

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - NIGHT

The word cuts through like a shockwave. Her aura of darkness
recedes. Her eyes clear. Max releases her and she steps back.

PILFER

You mean it?

MAX

You're my best friend. My zombie
Day-One. I'll never let you go.
(off her tearful smile)
You have to give me back my powers,
Pilf. Before they destroy you. Hug?

Pilfer opens her arms wide, but... SLOW MOTION: She looks up
and sees a shadow-blade flying toward Max. She shoves Max,
jumping in the way. HIIRK! Pilfer stabbed through the chest.

MAX (CONT'D)

Pilfer!

Max scoops up what's left of Pilfer's body... The shadow magic
is rapidly eating it, black bits flaking off. Max blinks away
tears. As Max clutches her hand, it crumbles and blows away
in his grip. He supports her head and torso.

PILFER

Do me a favor... Eat my brain. You
have to... Please.

MAX

No way!

PILFER
So you can get your powers back...
and all the powers I've absorbed.

MAX
I don' care! I can't lose you.

PILFER
I'll always be with you... Remember?

Her chest crumbles. Her eyes close one last time.

MAX
(whispers, crying)
PILFER!!

His eyes glow green. He opens his jaw and BITES.

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - MOMENTS LATER

MUSIC CUE: "DEAD OR ALIVE" SONG

Max looks down at his hands, the last black flakes of Pilfer blow away. SYSTEM: "SYSTEM RESTORED"

SYSTEM (V.O.)

He dashes back to Cassie's side.

MAX
What are Cassie's vital signs?

Just then, a blue flame ignites in the shadows.

MAX (CONT'D)
Activate healing—

Jacques leaps out, blades burning, and flies toward Max, just as he reaches for Cassie's forehead.

AD LOOP #8: EPISODE 33:

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - NIGHT (CONT'D)

Jacques lunges at Max, SLASHING his blue fire-blade, almost catching him. Max springs away from Cassie.

MAX
What the hell are you doing?! I'm
trying to heal her!
(MORE)

MAX (CONT'D)
(another dodge)
She's going to die, Jacques!

JACQUES
Then you can both cuck me in hell!

SKZZSH! Jacques' fire-blade PIERCES Max's chest. Max CRIES.

JACQUES (CONT'D)
Feel that? Level twelve fire!

Max STRIKES Jacques across the courtyard. He checks the charred holed in his shirt. It's smoking, but he's fine.

MAX
Just stay out of my way!

He drops back to Cassie's side. He puts his hands on her.

MAX (CONT'D)
Hang on, Cass!

SYSTEM (V.O.)
Target is dead.
(then)
I'm so sorry, Max.

MAX
No!

Max cups Cassie's head. Quiet, green-tinted tears drip down his cheek and fall onto her neck and chest.

Across the platform, Jacques pushes up to his feet with a cruel LAUGH. He spits out a mouthful of blood.

JACQUES
Lost another bitch, didn't you? I
bet that stings.
(powers up fire-blades)
But not nearly as much as this!

Jacques ROARS and JETS across the platform, brandishing blue and orange flame-blades. He looks unstoppable.

Max stands, head down, watching him come.

BULLET TIME: Right as Jacques SLASHES--THUD--Max catches his metal wrist in one hand, his throat in the other.

EPISODE 34

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - NIGHT (CONT'D)

JACQUES

B-but! I'm a level twelve—!

MAX

I told you to stay away.

With a metallic SCREECH, Max rips off Jacques robot arm and throws it aside like it's nothing. Jacques SCREAMS. He holds his human palm a few inches from Max's face and BLASTS orange fire over his head. Eventually, flames sputter out. Max is smoking lightly, but unharmed.

JACQUES

Why won't you die!

Jacques summons a fireball. Max's grabs his wrist and his eyes flash green, and both of them are briefly enveloped in the green aura. Jacques' flame-hair and fireball extinguish.

JACQUES (CONT'D)

W-what did you do to me? My system..
It-it's not working!

MAX

For a guy who's constantly on fire,
you're not very bright.

Max tosses Jacques onto the hard stone. Max extends his palm and summons a small ball of GREEN FIRE. Jacques eyes widen.

JACQUES

My fire! You stole my fire!?

MAX

This is for me.

VOOOOM! A funnel of bright green flames EXPLODES from Max's palm, throwing Jacques back into a stone pillar. CRUNCH. Jacques slumps against the stone, breathing ragged, legs spread wide, clothing burned away down to his underwear.

JACQUES

What the fuck?!

As he tries to get up, Max lifts his hand...

The entire fortress SHAKES beneath them. Zombie-Hertz and Zombie-Winter reconstitute under Jacques, grabbing him, pinning him down. He looks in horror at Winter.

JACQUES (CONT'D)

W-Winter!?

MAX

And this is for Cassie.

JACQUES

Please don't! I'm sorry!

Max extends his hand and BLASTS brilliant green fire. Charred and hairless, Jacques COUGHS. Max returns to the side of Cassie's corpse. He lifts her into his arms.

JACQUES (CONT'D)

Think you're so fucking great...? You stole my powers! My best friend!

(coughs, laughing)

But you couldn't save her. You couldn't save any of them!

Max ignores him, runs his thumb between Cassie's eyebrows, and she opens her eyes, glowing green.

MAX

Here's something I learned the hard way this past week. sometimes, you have to die... to live.

Then he kisses her lovingly. Jacques looks disgusted.

JACQUES

She's dead, you fucking sicko!

Cassie blinks, eyes glowing aqua. She touches Max's face.

CASSIE

Max...? I'm so... Hungry.

MAX

It's time for you to feed.

They both look at Jacques. He strains against zombie winter and zombie Hertz, to no avail. Cassie and Max stand over him.

JACQUES

You-You really are the Death God!

MAX

Technically, "The God of Death."

JACQUES

No, Cass, please, I was such a good boyfriend—!

Cassie opens her jaw and bites the camera. Jacques SCREAMS.

EPISODE 35:

EXT. IRON MOUNTAIN, ROOFTOP COURTYARD - NIGHT (CONT'D)

Max places his hand on what's left of Jacques's chest. A green glow travels up his arm into his body, and Jacques corpse dissolves into black sediment. Max and Cassie glance at the LOCKED TOWER DOOR.

MAX

You sure you want to come for this?
We might not come back.

CASSIE

Graves has to go down.

SOPHIE (O.S.)

Wait! I'm here too!

Sophie rushes up, panting.

SOPHIE (CONT'D)

Maybe a kiss for good luck, first?

Max shrugs, gives Cassie a sweet kiss on the lips. Sophie lunges at him, lips pursed. He holds her back, hand on face.

MAX

Do the honors, Soph.

Sophie extends her hands. The steel door RIPS off its hinges.

INT. IRON MOUNTAIN, GRAVES'S STUDY - NIGHT

An ORNATE WOODEN DOOR SHATTERS off its hinges, flying into the room. Max stands framed in the doorway, fist extended.

GRAVES (O.S.)

I see that unlocking your system
hasn't taught you manners, boy.

Graves sips a cup of tea at a low table across an elegant zen garden with bonzai trees, stones, and tranquil pools.

MAX

The first thing you say is an
insult, huh? Old habits die hard.

Max punches a standing stone beside him, SMASHING it.

MAX (CONT'D)

And now so will you.

Cassie and Sophie file in behind Max. Graves dabs his mouth with a napkin and rises calmly.

GRAVES

A strength system? How pedestrian.

Max smiles and lifts his arms. The tower SHAKES.

MAX

I'm no strength user.

Zombie Hertz, Winter, and Jacques (with robot arm) CRACK out of the floor behind him. Graves's eyes widen.

MAX (CONT'D)

I am the God of Death.

EPISODE 36:

INT. IRON MOUNTAIN, GRAVES'S STUDY - NIGHT (CONT'D)

Max's eyes burn green. His allies—Hertz, Jacques, Winter, Cassie, Sophie—line up in fighting stances behind him. Graves LAUGHS his evil laugh. SLOW-CLAPS as he walks toward him.

GRAVES

So you've finally done it, my son!

(off Max's confusion)

Surely you don't think this was just happenstance. Did you forget that I created you, boy?

MAX

You're lying.

GRAVES

I had to pull out all the stops to wake you up. But you finally did.

Graves extends his hand for a handshake. Max stares at it.

MAX

You mean, you let the zombies in and murdered Iris... just so I'd awaken my powers?

GRAVES

No, boy. Powers are a means to an end. Put your petty grievances aside and see the big picture.

MAX

Petty grievances?!

GRAVES

You have no idea what's coming.

Max looks from the hand to Graves. He reaches out... and throws a heavy PUNCH into Graves' face.

MAX
NO, YOU HAVE NO IDEA!

Graves SMASHES through a standing stone. But he halts in the air with PULSE of dark energy. He appears untouched.

GRAVES
You're still no match for me.

MAX
Good thing I brought help.

Max's allies charge up their powers: zombie-Hertz CRACKLES with lightning, Jacques IGNITES his fire blade, Winter summons an ice spear, Cassie summons a hydro-shark, Sophie rips a steel girder out of the wall.

GRAVES
In that case, I should do the same.

Graves snaps his fingers. A figure walks out from behind a rice paper screen... We can't see her face yet. Max GASPS.

EPISODE 37:

INT. IRON MOUNTAIN, GRAVES'S STUDY - NIGHT

It's Iris! She stands obediently beside Graves, her eyes black with his energy.

MAX
I-Iris? IRIS!

You! You're the other God of Death!
You started this whole apocalypse!

SYSTEM (V.O.)

Graves waves a hand, summoning two HULK-ZOMBIES, carrying shadow-weapons. Graves brushes Iris's head.

MAX
Don't touch her!

GRAVES

I assure you, she's very comfortable in my care. As she would be in yours, if you accept your destiny and join me... Son.

Max's green aura spikes towards the ceiling and the room SHAKES as he charges up to full power. He growls.

MAX

Join you? I'm gonna rip you apart!

GRAVES

Excuse us, dear.

(Iris walks away)

Still so emotional, like a child. A whimpering human child. Don't worry. I have a remedy for that.

MUSIC CUE: "DEAD OR ALIVE" SONG

Max leaps forward with a ROAR. Graves calmly extends his arms and-BOOOM! A dark energy beam BLASTS Max into the wall.

Hertz and Sophie attack a Hulk-Zombie with a SHADOW HAMMER. Hertz goes for a lightning-punch, only to get clobbered in the face with the hammer. Sophie JABS with her metal beam.

Winter and Cassie hurl ice-spears and hydro-shark the other Hulk-Zombie, who dodges expertly.

Graves levitates over to Max, summoning a shadow-sword in his hand. He grabs Max by the throat and yanks him from the rubble, bringing him in close.

MAX

My whole life, you've abused me, beat me, mocked me—now you expect me to join you?

GRAVES

I won't apologize for making you a god! Your ascension was always my plan for you!

Max kicks Graves away. Graves catches himself and slashes. Max dodges, tumbling across the floor. He grabs an ORNAMENTAL STATUE and throws it. Graves cuts it out of the air.

His shadow-sword connects with a reconstituted-Jacques's fire-blade, blocking. Max punches Graves in the gut. OOF!

GRAVES (CONT'D)

Insolence.

Graves summons a huge orb of darkness above his head and throws it! Jacques steps in the way, shielding Max.

EXT. IRON MOUNTAIN, GRAVES'S TOWER - CONTINUOUS

The top of the tower EXPLODES from the inside and Max flies out! WHAM! Max lands on his back, shattering the platform. On the platform, Max's green-eyed zombies GRUNT in worry. Graves levitates down to him.

GRAVES

Do you think we're the only "gods" in this universe? I made you for a reason!

MAX

Shut up!

GRAVES

Listen! There are other worlds out there, with system-users far greater than the ones found here! They're coming for me. For us!

MAX (V.O.)

There must be something I can use against him...

Max scrolls through his abilities. He stops scrolling.

MAX

Punching down on me always did make you feel like a big man, didn't it?
(Graves scowls)
Let's see how you like it.

A green-eyed zombie twitches and pulses green.

Graves SNAPS his fingers. His dark aura pulses. RUMBLE!

Another zombukaiju emerges below his feet. It's Iris! Kaiju-Iris CHARGES up her turquoise eye beam.

MAX

Shit!

Max leaps from his zombukaiju's shoulder as Iris's eyebeam slices through it. The zombukaiju ROARS as it falls apart.

Iris snatches Max from the sky as he flies away. Graves levitates onto her shoulder.

GRAVES

This is your last chance to join
me, boy, or be undone!

BOOM! A bolt of lightning strikes the back of Kaiju-Iris. Hertz and Winter fly through the air. Cassie, Sophie and Jacques are not far behind them.

MAX

WATCH OUT!

A turquoise eye beam vaporizes Hertz and Winter out of the sky. The others scatter. Max struggles against Iris's grip.

GRAVES

Squeeze!

Kaiju-Iris squeezes, Max SCREAMS.

GRAVES (CONT'D)

It seems you have no business being
a God of Death. I guess I'll just
have to try again. It's a pity that
every time a God of Death is born,
they kill their mother...

MAX

(horrified)

I- I'm the reason mom died-?

GRAVES

I only half lied. Something did eat
her, but it wasn't a zombie-yet.

(to Iris)

Destroy him.

Iris charges up her eye beams, aimed at Max's face. A giant tear rolls down her cheek.

AD LOOP #9: EPISODE 39:

EXT. IRON MOUNTAIN, GRAVES'S TOWER - NIGHT

The FLASH recedes. Kaiju-Iris holds her head. Max falls limply through the air. A hydro-condor catches him on its back. Max comes to as the condor drops him on the ground. Cassie and Sophie help him to his feet.

CASSIE
 Max! How the hell are you alive?

Kaiju-Iris rubs her eyes. Graves hovers above her, furious.

GRAVES
 What have you done?

Kaiju-Iris opens her eyes... They are clearer, bluer.

MAX
 Iris, you're back!

IRIS
 Max...? Why are you so small?

MAX
 Actually, you're big. And dead,
 well a zombie, sorry "unalive..."

Iris BLINKS, slow, confused.

MAX (CONT'D)
 It's a long story! But we have a
 bigger problem-him!

GRAVES
 Fool boy, you can't beat me! I
 brought zombies to this planet!

Kaiju-Iris's giant hand SWATS Graves into the side of the mountain. Max watches in amazement. Iris charges up her eyebeam and BLASTS directly into Graves! The eyebeam bores straight into the mountain.

SOPHIE
NICE ONE, IRIS!

CASSIE
Did we... Did we finally get him?

Kaiju-Iris turns to look at them, almost surprised they are there. The earth SHAKES with each footsteps. She smiles.

IRIS
Thanks, guys!

A horrible VIBRATION pierces through the rock, like a scream from the mountain itself. RUMBLE! An aura of darkness lifts the broken pieces of the mountain into the sky. In the middle of the levitating rock is Graves. Max and his crew GASP!

EPISODE 40:

EXT. IRON MOUNTAIN, TOWER BASE - SAME

Max and his friends watch in shock as Graves levitates an entire mountain into the air. His voice BOOMS.

GRAVES
If you truly are a God of Death,
find me in Port Dominion. And we
will settle this once and for all.

Graves hurls the mountain-chunks towards Max and his crew.

MAX
EVERYONE, GET BEHIND ME!

Max, Hertz and Jacques come together on the ground and charge up a giant blast of green plasma with their combined power. They launch it at the giant boulder. BOOM!

AERIAL SHOT: A layer of haze hangs over what's left of fortress. Kaiju-Iris pushes a huge boulder off of herself.

The haze dissipates to reveal Max, clenching his fist.

MAX (CONT'D)
(squints through haze)
Graves is gone.

Iris sits in a ball, forehead against her knees, CRYING. Max lifts up on a jet of green flame and lands atop her knee.

IRIS
I'm a m-m-monster.

MAX

No way. Now there's just more of
you to love.

Max wipes away a giant tear with his forearm. She giggles.
Carefully, Iris cups Max against her giant cheek, a hug.

CASSIE (O.S.)

A-hem.

Cassie and Sophie stand on the ground below.

CASSIE (CONT'D)

Max, we need to have a little chat.
About us.

SOPHIE

Hey! We've only got one Max, and
there's three of us. So we're all
just going to need to share, okay?

IRIS

I need time to process everything.

MAX

You're right. We have much bigger
fish to fry. Who wants to kill a
God? We're going to need a bigger
army. And more commanders.

Max grabs a nearby zombie-babe and kisses her! Her eyes open.

EPISODE 41:

EXT. IRON MOUNTAIN, RUINED FORTRESS - DAY

The zombie, Hailey, TITLE: Level 5 Precognition, opens her
eyes, glowing white. Max steps back, holding her arms.

MAX

What is your name?

HAILEY

Hailey, my lord.

MAX

'Max' is fine. You're one of my
commanders now, Hailey. Welcome to
the resistance.

HAILEY

Your wish is my command, Lord Max.

She licks her lips suggestively. Max rolls his eyes.

SOPHIE
Ugh! Get in line!

MONTAGE: CUE THEME SONG Max, Cassie, and Sophie stand on top of a collapsed wall. Cassie bites a black-eyed zombie, it's eyes turn green. Sophie does the same. CASSIE
Are we ready, Max?

TURN CAMERA: 10,000 GREEN-EYED ZOMBIES cover the ruins of Iron Mountain.

MAX
As ready as we'll ever be.

EXT. PORT DOMINION, CITY WALLS - EVENING

Max stands atop Iris's shoulder, Sophie sits beside him, Cassie rides a hydro-condor. They pause at the edge of a fortified city, a giant military base.

MAX
Port Dominion. The largest human
city still standing.

IRIS
I wouldn't count on "human" now.

Beyond the battlements and gun towers stands a giant SPACESHIP. Beyond that, the sparkling, sunset ocean.

CASSIE
He's building a spaceship!?

SOPHIE
So he's leaving the planet? That's
good, right?

SNAP ZOOM on a horde of zombies filing into the spaceship.

MAX

He's taking his army with him. He wants to conquer other worlds! We have to stop him!

His eyes flash green. Behind him stands his army, including Hertz, Jacques, Winter, and Hailey.

MAX (CONT'D)

Let's take this motherfucker down!

EPISODE 42:

EXT. PORT DOMINION, CITY WALLS - EVENING

Max points at the fortified walls. His horde runs towards the city. Iris lopes along with them.

INSERT: From the walls, SHIELD PROJECTORS flip out of the walls and charge with an electric HUM.

MAX

Iris, let 'em have it!

Iris SLICES her eye-beam across the projectors. BAM! BAM! BAM! They blow up in succession. Iris charges up one more time and BLASTS a hole through the wall.

EXT. PORT DOMINION, LAUNCH PAD - CONTINUOUS

As they rush in, Iris SLICES down two more gun towers. The spaceship towers before them.

MAX

Let's end this!

Iris CHARGES UP an eyebeam and FIRES—it hits the side of the spaceship with a massive EXPLOSION. Max and his allies hold their breath. The smoke clears, revealing the spaceship is unharmed, protected by a red forcefield.

SYSTEM (V.O.)

The shuttle is guarded by a level 99 energy-field.

RUMBLEEE! An explosion from the spaceship's thrusters shoots out fire and smoke.

CASSIE

That was an thruster test fire!
He's preparing to launch!

MAX

Like hell he is. I can get through
that force-field.

SOPHIE

Look!

UP ON THE SCAFFOLDING: A door far up the side of the the
shuttle has opened, and Graves steps out onto the walkway.

MAX, ATOP IRIS'S SHOULDER:

MAX

It's over, Graves! You're
outnumbered!

Max's army crowd in behind him. They have carved a path of
wreckage across Port Dominion, plumes of smoke rise behind.

BACK ON GRAVES: Graves sweeps his hands. The earth RUMBLES.
Max and his crew look around. Zombies GRUNT in confusion.

Zombie hands break through the surface of the earth. In all
directions, Graves's horde emerges from the ground. They are
more horrifying than Max's horde. Two zombies at the base of
the spaceship are consumed by dark aura. They mutate and grow
into zombukaiju!

GRAVES

I know math was never your best
subject. Am I still outnumbered?

BACK TO MAX & FRIENDS:

MAX

Cut them down to size!

Iris charges up an eyebeam and let's it RIP! One of the
Zombukaiju—an ENERGY-EATER—raises its hand. A swirling dark
portal appears, absorbing Iris's beam. It BURPS.

IRIS

Rude.

Graves's second zombukaiju summons a shadow-ax and armor.

MAX

Let's even the odds!

Max lifts his hands, glowing green. The ground RUMBLES!

EPISODE 43:

EXT. PORT DOMINION, LAUNCHPAD - EVENING (CONT'D)

Zombie Hertz grows LARGER and LARGER. He ROARS as he stands next to Iris, bolts of lightning jump across his body.

CASSIE

I'd make a pretty good zombukaiju,
just saying.

MAX

We can't afford to sacrifice any
more of our army!

INSERT: PAN across Graves's black-eyed army, GROWLING and GROANING. Max's front line, led by Hailey, waits quietly.

BACK TO MAX: Sophie leans into Max flirtatiously.

SOPHIE

Besides, he needs us to stay cute
and little!

(notices Iris, panics)

Not that there's anything wrong
with cute and ginormous!

Jacques and Winter join them on Iris's shoulders.

MAX

You all know the plan. Get me into
that ship, no matter what.

ANGLE ON: Max and his team. Graves and his zombukaiju. Max ROARS. Cassie, Sophie, and Iris JOIN IN. Iris bounds forward, SHAKING the ground. Kaiju-Hertz runs next to her.

MAX (CONT'D)

HERE WE GO!

Max ROARS as he leaps from Iris's shoulder, flying over the head of the Energy Eater. Cassie, Sophie, Jacques, and Winter follow. They land on the elevated walkway. The red force-field shimmers above the shuttle's surface.

SOPHIE

Max, if you can open up the shield,
I can get the door.

Max JAMS his hands into the red shield, pulling apart CRACKS of bright-red light. Sophie touches her temple. CLANK! The handwheel TURNS and the door opens inward. The ship RUMBLES. A hundred feet below, the thrusters BLAST flame and smoke.

CASSIE

Hold it! We're coming, too!

MAX

Are you sure? This might be a one-way ticket!

Sophie, Cassie, Jacques, and Winter nod. One by one, dive over Max's head into the ship. Max SHOUTS over his shoulder.

MAX (CONT'D)

IRIS! CAN YOU HOLD DOWN THE FORT?

Iris ducks the Energy-Eater's punch and returns an UPPERCUT.

IRIS

We got this! Just come back in one piece! For me!

Zombukaiju-Hertz GRUNTS affirmatively, giving Max a thumbs-up. He backs into Iris, and they square up for another round. Iris glances over her shoulder at Hertz with approval.

Max nods and pulls himself through the force-field.

EPISODE 44

INT. SPACESHIP, AIRLOCK - EVENING

Max lands inside the airlock. The door slams shut behind him. The ship RUMBLES around them as it takes off.

MAX

Soph, you know your assignment,
right?

SOPHIE

Yup! Time to fuck up the engine!

MAX

One more thing. Just this once.

Max catches her wrist as she tries to leave and dips her into a deep kiss. Cassie rolls her eyes. Jacques and Winter swoon.

MAX (CONT'D)
Alright. Let's go kill a god.

INT. SPACESHIP, HELM - EVENING

Max and his crew step into the enormous cockpit chamber. Graves sits atop a towering techno-throne. A huge window displays the receding earth. The door WHOOSHES closed.

GRAVES
Welcome, son.

Graves gestures to another techno-throne, slightly smaller.

GRAVES (CONT'D)
Your seat is right there, if you
are ready to accept your destiny.

MAX
Spend eternity with someone I hate,
or kill you and head back to earth
with my crew of hot zombie babes...?
Such a hard decision.

GRAVES
They're not friends. They're tools!
I had hoped you'd listen to reason,
but it seems your need for
relationships has made you weak.

MAX
Wrong! My friends are my power!

Max summons a green flame-blade in his right hand. His allies fan out on either side of him. Cassie summons a hydro-Shark, Winter an ice spear, Jacques a blue flame-blade.

Four HULK-ZOMBIES emerge from behind the techno-throne.

GRAVES
We shall see.

Max leaps at Graves, SLASHING with his flame-blade. Graves summons a shadow-blade in his right hand.

AD LOOP #10: EPISODE 45

INT. SPACESHIP, HELM - EVENING (CONT'D)

Graves easily parries the blow. They duel in the air above the techno-throne. In the background, Cassie, Jacques, and Winter battle the hulking strength-zombies.

GRAVES

You cannot best me, boy! I've been playing this game for longer than you've been alive!

Graves seizes the opening. He has a clean shot at Max! A blue flame-blade SLASHES at Graves from the side, forcing him back. It's Jacques! The wound in his side SMOLDERS. He frowns in fury. Max smirks and fist-bumps Jacques.

Graves summons five hovering shadow-blades. Max and Jacques summon their second flame-blades and do a pincer attack. Graves can barely keep up. He throws shadow in all directions to drive them back.

MAX

How's it feel to get your ass whooped by a couple of tools?

Meanwhile, Cassie and Winter battle the four hulk-zombies below. Cassie sends her hydro-shark to smash into two of them. Winter fires a series of ICE SPEARS at the others.

Cassie and Winter end up side by side. As the hulk-zombies leap at them, Cassie summons a hydro-rhino. Winter imbues it with ice. The ice-rhino SMASHES through the hulks one by one.

SOPHIE

Time to wreck shit up!

INT. SPACESHIP, HELM - SAME

Graves looks at Max's zombie friends and smirks wickedly.

GRAVES

How you have strayed, boy. You are a God. Like me. I shall liberate you from these attachments.

Graves hurls his arsenal of shadow-blades at Cassie.

MAX

NO!

Max's eyes widen. He ROCKETS to intercept the missiles at full power, a rooster-tail of green flames swirling up behind him. Cassie turns just in time to see the array of shadow-blades blurring towards her. She has no time to react!

EPISODE 46**INT. SPACESHIP, HELM - EVENING (CONT'D)**

Max wraps Cassie in his arms, shielding her. They carve a groove across the metal floor, steaming from the friction.

CASSIE
You saved me!
(feels something)
Max!

As the fumes clear, we see Max has been pierced by seven shadow-blades straight through his body. He grits his teeth.

MAX
I'm okay.

Max tries to get to his hands and knees. He GROANS and collapses onto his face. The shadow-magic burns his flesh.

His HP bar is critically low. The System reads a flashing red warning: "WARNING - Health Critically Low!"

Max's arms tremble. Graves lands on top of his throne, charging up a single huge shadow-blade. Cassie shields Max.

GRAVES
See how weak your dependency has
made you? A God does not sacrifice
himself. A god demands sacrifice!

INT. SPACESHIP, ENGINE ROOM - SAME

Sophie sweats as she tries to pull the engine core from its capsule. The screws fire out like bullets one by one, and then suddenly, the whole core rips loose.

SOPHIE
I did it!
(as it shakes and sparks)
Oh shit.

INSERT: OUTSIDE: a giant explosion erupts from the ship.

INT. SPACESHIP, HELM - SAME

The ship JOLTS and Graves fumbles, PIERCING shadow-energy through the floor a good distance away from Max and Cassie.

GRAVES
What?!

INSERT: the spaceship careens in orbit, crashing.

Graves observes the change in trajectory through the bay windows and grits his teeth, furious.

GRAVES (CONT'D)
What did you do?!

Sophie rushes in covered head to toe in soot.

SOPHIE
Fuck yeah, guess who's explosion-proof!

GRAVES
Let's test that, shall we!

Graves is about to blast her with a bolt of energy when an ice-eagle SMASHES into him. Followed by a metallic lava MAMMOTH. He looks up, stunned. Cassie with Winter, and Jacques with Sophie all bust out hero poses.

EPISODE 47

INT. SPACESHIP, HELM - EVENING (CONT'D)

Graves ROARS. His skin turns black, muscles swell, fabric TEARS, and two extra arms EXPLODE from his sides. He fights them one-on-four, clearly stronger. Max struggles to rise.

MAX (V.O.)
It can't end like this. I can help!

SYSTEM (V.O.)
*I suggest trying the new abilities
unlocked at level 100.*

He scrolls through the Menu, "Life Restore," "Brahmastra"

SYSTEM: "USE ABILITY - BRAHMASTRA"

MAX (V.O.)
Turning human ain't very useful
right now. What's this? *Brahmastra*?

INSERT: Iris, Hailey and Hertz fighting in Max's army on the ground against Graves' zombukaiju.

SYSTEM (V.O.)
*Right now, your true strength is
split between hundreds of zombies.
Brahmastra is your ultimate attack.*

Sophie deflects a volley of shadow-blades with a piece of metal. Jacques soars behind her, throwing fire balls.

SYSTEM (V.O.)
*It siphons the vitality from your
 horde into a single ball of energy.*

MAX (V.O.)
But that would mean—

SYSTEM (V.O.)
*Yes. This attack would absorb your
 friends as well.*

FLASH-FORWARD: Max's friends turn into pure energy, sucked into the tip of Max's finger, ethereal chains float from all around, condensed to a single point. It shoots out like a bullet, blast right through Graves, and the shuttle behind.

Cassie and Winter circle Graves, Cassie on a hydro-eagle, Winter a column of ice. Cassie summons a flock of birds, Winter turns them into deadly ice missiles. The ice-birds tear across Graves's chest. He rapid-fires shadow-blades.

MAX (V.O.)
 I can kill my father, but sacrifice
 all of my friends?!

A window pops up in Max's vision with the options YES and NO. Max is about to select an option.

Max hesitates, desperately scrolls through the system menu.

MAX
 No, no, no! There's gotta be
 something else.

DRAMATIC SOUND CUE: He sees it. The answer to it all!

Graves is about to rip Winter in half when a flame-blade stabs right through his chest. He GROWLS. BOOM! A shadow-wave throws everyone into the walls. Graves's wound heals.

GRAVES
 I'M A GOD! YOU WILL ALL BOW TO ME!

Graves aura of darkness charges up wildly, HOWLING.

MAX
 Bow to this!

Max stands, radiating green aura. Hi black piercing wounds still smolder. He charges a green Rasengan in one hand.

QUICK FLASHES: Max's zombies flash green and collapse. Iris, with Hailey on her shoulder, watch them expire.

The orb of power grows larger in Max's hand.

EPISODE 48

GRAVES

Brahmastra? So you will sacrifice
all of your friends. Bravo!

(barks a laugh)

Yet you still understand nothing! I
am Death itself! I cannot be
killed! Because I am a God!

Graves walks at Max, firing shadow-blades. One by one, Max's allies intercept them. First Winter, his ice-shield blasted aside. Then Sophie, with metal, same effect. Then Jacques. Graves impales him to the wall. Finally Cassie, with a hydro-triceratops. Graves knocks her across the room. He faces Max. Inches away. Max HUGS Graves, tight, cathartic.

MAX

You are right, father. We are both
Gods. But I'm different from you.
If you are the GOD of Death... then
I shall be the GOD OF LIFE.

Glowing circles of light shoot through Graves. Nervous.

GRAVES

What did you do?

SYSTEM: "USE ABILITY - "LIFE RESTORE"

MAX

Life restore, biatch!

MUSIC CUE: "DEAD OR ALIVE" SONG

GRAVES

LIFE RESTORE?

(evil laughter)

You idiot! How will turning back
into a human help you defeat me!

MAX

(grinning)

You're right. That's why I'm not
turning human... YOU ARE.

INSERT: Graves shriveled black heart turns red and vivacious. It BEATS. Graves steps back, his skin restoring to it's human tone. His eyes widen, from evil black to living eyes. He looks scared.

GRAVES

No... no please! Max. Wait, spare me! Spare me, I spawned you!!!

MAX

Yes. And what a disappointment you've been, father.

Graves stares at Max, a tear dripping down. Like a loser.

Max presses the green Resengan into Graves's forehead. BOOM! An EXPLOSION of light dissolves Graves into dust. The shockwave SHATTERS the ship around them.

EPISODE 49

EXT. UPPER ATMOSPHERE - EVENING

The ship shatters around them into a million tiny pieces, breaking in half. The sun beams across the earth's curve.

Max's eyes roll back and falls toward the earth. Wind buffets his hair. Black wounds gape in his torso. His eyes close.

MAX (V.O.)

We did it. Graves is dead.

SYSTEM (V.O.)

Your health is critical.

MAX (V.O.)

That's okay. I saved my friends...

As they all begin to fall, Sophie grabs Cassie and calls a piece of wreckage to float on.

SOPHIE

Got you!

CASSIE

Max...? Where's Max?

Cassie looks around. SNAP ZOOM: Max tumbles through the sky. Cassie dives after him through the air.

SOPHIE

Hey!

Cassie grabs ahold of Max, tears in her eyes. She hugs him tight, not yet realizing he's dying.

CASSIE

Max! Wake up! We did it! ...Max?

SYSTEM (V.O.)
System powering down.

MAX (V.O.)
 (growing weaker)
...We saved the world... Killed my dad.

CASSIE
 (sobbing)
 Please don't go. I—

MAX (V.O.)
I can think of worse ways to go...

She kisses him as they race toward the ground. CUT TO BLACK.

MAX
 I love you too.

EXT. BEACH OUTSIDE PORT DOMINION - DUSK

Max, Sophie and Cassie hop off a chunk of debris. Jacques and Winter land safely using their powers. Iris and Hertz rush over. Hailey slides off Iris' shoulder and all the normal sized characters rush Max for a group hug.

MAX
 We did it. All of us.

SYSTEM (V.O.)
Congratulations Max.

HAILEY
 You feel warm. Are you... Alive?

Max smiles and gives Hailey a peck on the lips.

MAX

Now you are too. I unlocked a new
system ability. I can restore life.

Hailey breathes in the kiss of life and looks down at her
hands in awe.

SOPHIE

Oh! Do me next! Do me next!

She rushes and kisses him, transforming back into a human.

MAX

Iris?

Iris nods. Cassie looks at Jacques, Hertz and Winter.

CASSIE

What about them?

MAX

...What about them?

EXT. BEACH OUTSIDE PORT DOMINION - MOMENTS LATER

Jacques and Winter gag, spitting into the sand, rubbing their
mouths, disgusted.

MAX

Don't be such babies! I didn't
enjoy it either.

Jacques calms, and then sees Max. Anger builds. Max backs up,
eyes wide. Jacques leaps—and gives Max a a tearful hug.

JACQUES

I was so wrong about you, buddy.

Max shoves him off. Winter ruffles Jacques hair, Jacques
swats his hand. Max turns to Iris and Hertz, still gigantic.

MAX

Sorry I can't make you normal sized.

Iris looks at Hertz and smiles, taking his hand.

IRIS

It's okay. We prefer it like this.

HERTZ

That's right, little man. More
cushin' for the pushin'.

MAX

Okay. I don't know how to feel
about that.

Cassie grabs Max's hand and they smile at each other.

MAX (CONT'D)

I'm just sorry I couldn't bring
Pilfer back.

Hailey's eyes glow with the use of a system ability.

HAILEY

Guys... Something's coming.

She points toward the horizon. Giant alien ships pierce the
atmosphere. Everyone gets behind Max, looking up.

MAX

Graves was telling the truth. The
other gods have arrived.

CASSIE

What do we do now?

Max looks up at his MENU: "Level 0" ticks up to "Level 1".

Max steps forward with his ARMY OF FRIENDS and PREVIOUS FOES.

MAX

Time to level up.

*
